Diddy Hosting 2022 Music Billboard Awards Sean Diddy Combs,Candy Michelle Johnson,Victor Michini,2022-05-02 Sunday May 1st, 2022 I received an invitation to hear the announcement, made by Sean Diddy Combs, that he's hosting the 2022 Music Billboard Awards. I was honored to attend. I must say, this was my first time being near Diddy, as I was accepted as his apprentice screenplay writer, in 2016. I felt faint, and overwhelmed with emotion, as tears flowed from my eyes. I was so happy to see him.

3 Kings Zack O'Malley Greenburg,2018-03-06 Tracing the careers of hip-hop's three most dynamic stars, this deeply reported history brilliantly examines the entrepreneurial genius of the first musician tycoons: Diddy, Dr. Dre, and Jay-Z Being successful musicians was simply never enough for the three kings of hip-hop. Diddy, Dr. Dre, and Jay-Z lifted themselves from childhood adversity into tycoon territory, amassing levels of fame and wealth that not only outshone all other contemporary hip-hop artists, but with a combined net worth of well over \$2 billion made them the three richest American musicians, period. Yet their fortunes have little to do with selling their own albums: between Diddy's Ciroc vodka, Dre's \$3 billion sale of his Beats headphones to Apple, and Jay-Z's Tidal streaming service and other assets, these artists have transcended pop music fame to become lifestyle icons and moguls. Hip-hop is no longer just a musical genre; it's become a way of life that encompasses fashion, film, food, drink, sports, electronics and more - one that has opened new paths to profit and to critical and commercial acclaim. Thanks in large part to the Three Kings-who all started their own record labels and released classic albums before moving on to become multifaceted businessmen-hip-hop has been transformed from a genre spawned in poverty into a truly global multibillion-dollar industry. These men are the modern embodiment of the American Dream, but their stories as great thinkers and entrepreneurs have yet to be told in full. Based on a decade of reporting, and interviews with more than 100 sources including hip-hop pioneers Russell Simmons and Fab 5 Freddy; new-breed executives like former Def Jam chief Kevin Liles and venture capitalist Troy Carter; and stars from Swizz Beatz to Shaquille O'Neal, 3 Kings tells the fascinating story of the rise and rise of the three most influential musicians in America.

Dancing with the Devil Mark Curry,2009 He has recorded with the biggest stars in the music business. He wrote many of the hits that made Sean Puffy Combs one of the richest men alive. On the surface, the multi-million dollar empire that Puff built looks like the stuff of dreams. But after working with Puff for a decade, Curry discovered that Bad Boy Entertainment is not, as Puff promised, a place where dreams come true. No, rather it is a shell game comprised of contracts designed to rob artists of their time, dreams and publishing rights. [i]Dancing With the Devil[/i] reveals startling new details about key events in the fast paced, controversial (and sometimes deadly) world of Hip-Hop. In revealing the dark side of the industry, Curry hopes to provide a road map for reforms necessary to prevent artists ending up in poverty, in prison or in the grave.Mark Curry has appeared on the following albums:[i]Gangsta Shi-[/i][i]Dangerous MC's[/i][i]American Dream[/i]Mark Curry has appeared on the following singles:[i]Bad Boy for Life[/i]
