Sent Ashley Holleman,Heather Holleman,2020-08-04 What if your ordinary interactions with family, neighbors, and coworkers are actually invitations to adventure with God? Sent: Living a Life that Invites Others to Jesus invites you to grow joyfully with Jesus as you live out your true identity as sent to share Jesus with others. Heather and Ashley Holleman have fully embraced their identities as sent through nearly two decades of full-time ministry. With joy, they proclaim the name of Jesus knowing that God is always at work around us, that He is seeking and saving the lost, and that He is excited for us to do this work with Him. In Sent, they provide insights and stories gleaned from their experiences so you too can live into your identity as sent. You'll learn practical strategies for gathering those in your community through discussion questions and activities that teach everything from asking good questions to sharing your own stories of gospel transformation. Use this resource individually or in groups to grow in intimacy with Christ as you engage the world around you with the hope and love of Christ. When we believe in God's desire to reach the lost, how we live our own lives changes, and we begin to partake in the joys—not obligations—of evangelism.

Six Poetry Formats and the Transforming Image Edith L. Tiempo,2007 Philippine Folk Literature: The Riddles constitutes Volume V of the author's eight-volume Philippine Folk Literature series. This work is intended to be a national collection of Philippine riddles--a putting together of available collections of riddles from all over the country, from Batanes to Jolo. The riddles are listed, according to solution, under nineteen subject categories and one Miscellaneous category. Within each group, the riddles are arranged alphabetically, according to answer, or solution, in English translation. For each entry, the riddle in English translation is given first. Then under it are listed the different Philippine versions of the riddle, in geographical order: Luzon, Visayas, Mindanao. Every Philippine version carries with it a language label and source (collector/collection). To give the reader an idea of the richness and variety of the images of comparison used in the metaphorical riddles, the most dominant and striking of these ar listed in an index.
