**Mission in Progress** Barden Chirwa,2020-11-17 Since the establishment of the Seventh-day Adventist Church in Malawi in 1902, there is now available much information on the cases, narratives and experiences of women that shows the contribution of women to the progress of the SDA mission in Malawi. That record reveals a notable increase in the developing role of women in the SDA Church in Malawi, blended with both successful and challenging experiences. This has prompted the writing of this book. My aim is to present a historical record of the developing role of women in the SDA Church in Malawi. The purpose is to provide a first critical analysis, in a Malawian context, of a wider range of biblical and socio-cultural issues affecting the role of women in the SDA Church in Malawi.

**A Doll's House** Henrik Ibsen,2023-08-31 A Doll's House by Henrik Ibsen is a three-act play written by Norwegian playwright Henrik Ibsen. It premiered at the Royal Theatre in Copenhagen, Denmark, on 21 December 1879, having been published earlier that month. The play is set in a Norwegian town circa 1879. The play concerns the fate of a married woman, who at the time in Norway lacked reasonable opportunities for self-fulfillment in a male-dominated world, despite the fact that Ibsen denied it was his intent to write a feminist play. It was a great sensation at the time, and caused a storm of outraged controversy that went beyond the theatre to the world of newspapers and society. Synopsis: The play opens at Christmas time as Nora Helmer enters her home carrying many packages. Nora's husband Torvald is working in his study when she arrives. He playfully rebukes her for spending so much money on Christmas gifts, calling her his little squirrel. He teases her about how the previous year she had spent weeks making gifts and ornaments by hand because money was scarce. This year Torvald is due a promotion at the bank where he works, so Nora feels that they can let themselves go a little. The maid announces two visitors: Mrs. Kristine Linde, an old friend of Nora's, who has come seeking employment; and Dr. Rank, a close friend of the family, who is let into the study. Kristine has had a difficult few years, ever since her husband died leaving her with no money or children. Nora says that things have not been easy for them either: Torvald became sick, and they had to travel to Italy so he could recover. Kristine explains that when her mother was ill she had to take care of her brothers, but now that they are grown she feels her life is unspeakably empty. Nora promises to talk to Torvald about finding her a job. Kristine gently tells Nora that she is like a child. Nora is offended, so she tells her that she got money from some admirer so they could travel to Italy to improve Torvald's health. She told Torvald that her father gave her the money, but in fact she illegally borrowed it without his knowledge (women were forbidden from conducting financial activities such as signing checks without a man's endorsement). Since then, she has been secretly working and saving up to pay off the loan. Krogstad, a lower-level employee at Torvald's bank, arrives and goes into the study. Nora is clearly uneasy when she sees him. Dr. Rank leaves the study and mentions that he feels wretched, though like everyone he wants to go on living. In contrast to his physical illness, he says that the man in the study, Krogstad, is morally diseased.

**Waterlily** Ella Cara Deloria,2009-04-01 When Blue Bird and her grandmother leave their family's camp to gather beans for the long, threatening winter, they inadvertently avoid the horrible fate that befalls the rest of the family. Luckily, the two women are adopted by a nearby Dakota community and are eventually integrated into their kinship circles. Ella Cara Deloria's tale follows Blue Bird and her daughter, Waterlily, through the intricate kinship practices that created unity among her people. Waterlily, published after Deloria's death and generally viewed as the masterpiece of her career, offers a captivating glimpse into the daily life of the nineteenth-century Sioux. This new Bison Books edition features an introduction by Susan Gardner and an index.

**Wo sind sie geblieben?** Harald Kirschninck,2020-06-18 Die Nordseeinsel Norderney galt bis zum Beginn des Nationalsozialismus als Judenbad. In den zwei vorliegenden Bänden Wo sind sie geblieben? werden die Biografien und Geschichten von 115 jüdischen Einwohnern und langjährigen Saisonarbeitern der Insel erzählt. Das Buch stellt die Menschen in den Vordergrund, ihre Biografien, ihre Familien und ihre Leiden. March: Book One John Lewis,Andrew Aydin,2013-08-12 Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents March, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for Swallow Me Whole). March is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book Martin Luther King and the Montgomery Story. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

*Sex, Sexuality, and the Constitution* Shigenori Matsui,2023-05-01 Sex and sexuality are an integral part of human life and vital for the survival of the human race, but sexual freedoms in many countries have yet to be enshrined as

constitutional rights. Focusing primarily on Japan, Shigenori Matsui explores the extent to which governments should be allowed to restrict or influence sexual autonomy. Should a constitution encompass rights including: to decide or change sexual or gender identity; to have children, through natural birth or through medically assisted reproduction; or to not have children, through access to abortion? This rigorously detailed legal analysis has implications for government policy in all countries facing similar issues.

**Thelonious Monk** Robin D. G. Kelley,2009-12-08 From the mind of brilliant historian Robin Kelley comes the first full biography of legendary jazz musician Thelonious Monk, including full access to the family's archives, dozens of interviews, and an afterword for Monk's 2017 centennial. Thelonious Monk is the critically acclaimed, gripping saga of an artist's struggle to "make it" without compromising his musical vision. It is a story that, like its subject, reflects the tidal ebbs and flows of American history in the twentieth century. To his fans, he was the ultimate hipster; to his detractors, he was temperamental, eccentric, taciturn, or childlike. His angular melodies and dissonant harmonies shook the jazz world to its foundations, ushering in the birth of "bebop" and establishing Monk as one of America's greatest composers. Elegantly written and rich with humor and pathos, Thelonious Monk is the definitive work on modern jazz's most original composer.

**The Book of John Mandeville** C David Benson,Tamarah Kohanski,2007-08-01 The Book of John Mandeville has tended to be neglected by modern teachers and scholars, yet this intriguing and copious work has much to offer the student of medieval literature, history, and culture. [It] was a contemporary bestseller, providing readers with exotic information about locales from Constantinople to China and about the social and religious practices of peoples such as the Greeks, Muslims, and Brahmins. The Book first appeared in the middle of the fourteenth century and by the next century could be found in an extraordinary range of European languages: not only Latin, French, German, English, and Italian, but also Czech, Danish, and Irish. Its wide readership is also attested by the two hundred fifty to three hundred medieval manuscripts that still survive today. Chaucer borrowed from it, as did the Gawain-poet in the Middle English Cleanness, and its popularity continued long after the Middle Ages.

**Librarianship and Human Rights** Toni Samek,2014-07-21 In this book, the reader will encounter a myriad of urgent library and information voices reflecting contemporary local, national, and transnational calls to action on conflicts generated by failures to acknowledge human rights, by struggles for recognition and representation, by social exclusion, and the library institution's role therein. These voices infuse library and information work worldwide into social movements and the global discourse of human rights, they depict library and information workers as political actors, they offer some new possibilities for strategies of resistance, and they challenge networks of control. This book's approach to library and information work is grounded in practical, critical, and emancipatory terms; social action is a central pattern. This book is conceived as a direct challenge to the notion of library neutrality, especially in the present context of war, revolution, and social change. This book, for example, locates library and information workers as participants and interventionists in social conflicts. The strategies for social action worldwide documented in this book were selected because of their connection to elements of the Universal Declaration of Human Rights (1948) that relate particularly to core library values, information ethics, and global information justice. The first monograph of its kind Locates librarianship front and centre in knowledge societies Mainstreams critical librarianship

**Sniper on the Ypres Salient** Sue Boase,William McCrae,2022-12-01 Just after midnight on 22 April 1916 on the Western Front, a sergeant from the 15th (1st London) Royal Welsh Fusiliers came sliding and stumbling along the dark, mud-filled trench towards the four men, huddled together and soaked-through, in the shallow dugout. He was clutching his postbag in which there were four parcels for one of them, William McCrae, whose twentieth birthday fell on this day. A hand-written account by William, my grandfather, was found in my mother's papers, long after his death. This book describes a year of his time fighting in the First World War, from December 1915 to December 1916. Two months after his birthday, he was marching towards the Somme, where he was to act as a runner during the key Welsh engagement in the Battle of Mametz Wood. Later, he went on to volunteer and train as a sniper. He continued in this role for over a year, becoming a lance corporal in the 38th Divisional Sniping Company while fighting on the Ypres Salient. His words emphasise the key role snipers played in the collecting of intelligence about the enemy, through close observation and careful reporting. His account stops abruptly in mid-sentence, just at the point where he indicates he is about to reveal more to us about 'a new, interesting part of the line to be manned by us Snipers'. Piecing together clues from his sketches, maps and photos, and this book paints a picture of Williams' time during the rest of the war. In 1917 he returned to England to train as a temporary officer in the 18th Officer Cadet Battalion at Prior Park, Bath. He came back to the Western Front as a 2nd Lieutenant in the Duke of Wellington's (West Riding) Regiment, where he was seconded to the 1/5 Lancashire Fusiliers until the end of the war. During this time, it is likely that his interest and experience as a sniper continued, with evidence that he may have taught at one of the Sniping Schools set up across France.
