EU Environmental Law, International Environmental Law, and Human Rights Law

Armelle Gouritin, 2016-01-21 EU Environmental Law, International Environmental Law, and Human Rights Law: The Case of Environmental Responsibility offers a critical appraisal of EU environmental responsibility law and the input of a rights-based approach and international environmental law.

Enforcement of International and EU Law in Maritime Affairs Peter Ehlers, Rainer

Lagoni, 2008 Ocean governance has its legal basis in the United Nations Convention on the Law of the Sea and in numerous international maritime conventions. These rules help to balance conflicting interests in the uses of the oceans and seas and the protection and preservation of the marine environment. Their efficiency depends, however, on their enforcement. In 2007 Prof. Dr. Dr. h.c. Peter Ehlers and Prof. Dr. Rainer Lagoni organized a seminar on 'Enforcement of International and EU Law in Maritime Affairs'. Participants were graduate scholars of the International Max Planck Research School for Maritime Affairs (IMPRS) at the University of Hamburg and graduate students. Their papers cover various aspects of enforcement relating to the new Wreck Removal Convention and to rules of the European Union, such as port State control, enforcement measures in fisheries, the European Maritime Safety Agency (EMSA), protection of maritime boundaries and inquiries into maritime casualties. The volume also includes an analysis of the maritime policy of the EU as a new integrated approach to maritime activities.

Handbook of Corrosion Engineering Chaudhery Mustansar Hussain, Chandrabhan Verma, Jeenat Aslam, Ruby Aslam, Saman Zehra, 2023-08-09 Handbook of Corrosion Engineering: Modern Theory, Fundamentals and Practical Applications explores recent progress in metals corrosion and associated protection processes, spanning all corrosion-related characteristics utilized in natural and industrial

environments, including monitoring and testing. The book combines the science and engineering of corrosion to assist readers in conducting exact corrosion evaluations in the design and plant management phases, including optimal protection methods. The book examines the basics of corrosion science, including the electrochemical mechanism, thermodynamic and kinetic aspects, different corrosion forms—such as uniform, localized, and stress corrosion phenomena—and protection systems adopted to combat corrosion, including inhibitors, coatings, and cathodic protection. Focuses on industrial requirements, including codes, standards, regulations, and specifications Recommends materials for control and prevention of corrosion damage Offers industry-tested best practices, rationales, and case studies Covers materials, corrosion, corrosion inhibition, coating, heat treatment, test and inspection, and mechanical design and integrity Includes websites of interest and information about latest research Comprises exercises and practical examples to understand, predict, estimate and mitigate corrosion problems Features numerous pictures, figures, graphs, and schematic models to ensure a clear understanding of the science and engineering of corrosion

Port State Control Oya Özçayır, 2018-05-08 Port State Control, Second Edition is a comprehensive publication dealing with the full implications and regulations of port State control. It provides a detailed analysis of the legal framework relating to port State control, including the most recent developments in this area. It covers not only the regional agreements on port State control and the EU legislation on this subject but also the background of the port State control process, its implications in practice and its effect on the ISM Code and the classification societies. The book covers topics such as: Amendments and changes to the regional port state control systems The addition of an appeal procedure to the Paris MOU Issues related to the ports of refuge and the urgency for

authorities to draw up appropriate plans for places of refuge following the recent incidents The ISPS Code for maritime security in the light of newly recognised vulnerability against terrorist attacks Update to Equasis Progress with Qualship regime under US Port State Control system. This book will be an invaluable reference tool for shipping lawyers around the world.

The Best Weapon for Peace Erica Moretti,2021-08-10 The Italian educator and physician Maria Montessori is best known for the teaching method that bears her name, but historian Erica Moretti reframes Montessori's work, showing that pacifism was the foundation of her pioneering efforts in psychiatry and pedagogy.

A Witch's World of Magick Melanie Marquis,2014-02-08 Magickal Inspiration from the World's Great Traditions Join Melanie Marquis as she explores an amazing assortment of magickal techniques gathered from the annals of world folk magick. Discover traditional practices from Zulu herbal medicine to the enchanted ovens of Polynesia; from Germanic fertility dances to the love potions of Papua New Guinea; from Greco-Roman bloodletting ceremonies to Malay word charms . . . and many more! Providing instructions on how to unite classic beliefs with modern practice, A Witch's World of Magick uncovers the universal principles that underlie decoy magick, curse breaking, potion making, number magick, and an abundance of other techniques. With these new perspectives on the common threads that weave throughout our magickal world, you will achieve higher levels of insight and success. Praise: "An invaluable resource for gleaning the many modes of magic that will be useful to the new and experienced witch alike."—Orion Foxwood, author of The Tree of Enchantment

Understanding the Gift of Salvation Irpeel Ebenezer,2012-02 What exactly did Jesus Christ save us from other than hell fire? That was the question a somewhat frustrated friend asked while

going through a difficult period in his life. Many Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed. This book is a true seeker's manual on the Gift of Salvation. It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors. It is for those willing to build on what they've learnt, dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ. It not a book to rush or breeze through, like the Berean Christians, readers are encouraged to carefully study the Scripture references and dig out the truth for themselves. The promise of God is: You will seek Me and find Me, when you seek Me with all your heart.

The Creative Writing MFA Handbook Tom Kealey, 2005-01-01 Guides prospective graduate students through the difficult process of researching, applying to, and choosing graduate schools in creative writing. This handbook includes special sections about Low-Residency writing programs, PhD programs, publishing in literary journals, and workshop and teaching advice.

La quantificazione e la riparazione del danno ambientale nel diritto internazionale e dell'Unione europea Mariachiara Alberton, 2011

Tulane Maritime Law Journal, 2007

The World Looked Away Dave Bushy, 2018-01-12 What happened to the people who remained in the former South Vietnam after the war ended in April 1975? Few of us know. The war-weary United States had turned its attention away from the region, and the Communist leadership closed Vietnam to Western journalists. For more than a decade, little was heard, but retribution against the South Vietnamese was swift and unending. Hundreds of thousands of former South Vietnamese military officers were sent to Reeducation Camps. Expecting a confinement of just ten days, most were incarcerated for years, suffering brutality, starvation and death. The families of prisoners had property

and savings confiscated. They were denied jobs and medical care. They lived in poverty. Ultimately, nearly a million Boat People chose to escape Vietnam by sea, taking their chances in fragile overcrowded vessels. Thousands died at the hands of pirates and the unforgiving ocean. This is the true story of Quoc Pham, a former South Vietnamese naval officer, and his wife Kim-Cuong. It tells of the love between a man and a woman and their courage in the face of hopelessness. It is a story of a people of what happened in Vietnam while the world looked away.

Flow Elissa Stein, Susan Kim, 2009-11-05 In this hip, hilarious and truly eye-opening cultural history, menstruation is talked about as never before. Flow spans its fascinating, occasionally wacky and sometimes downright scary story: from mikvahs (ritual cleansing baths) to menopause, hysteria to hysterectomies—not to mention the Pill, cramps, the history of underwear, and the movie about puberty they showed you in 5th grade. Flow answers such questions as: What's the point of getting a period? What did women do before pads and tampons? What about new drugs that promise to end periods—a hot idea or not? Sex during your period: gross or a turn-on? And what's normal, anyway? With color reproductions of (campy) historical ads and early (excruciating) femcare devices, it also provides a fascinating (and mind-boggling) gallery of this complex, personal and uniquely female process. As irreverent as it is informative, Flow gives an everyday occurrence its true props – and eradicates the stigma placed on it for centuries.

Russia in the Arctic Stephen Blank, 2011 The Arctic is the newest sphere of international competition for energy and security access. It pits Russia against the other Arctic states. These essays fully explore and analyze what is at stake here and what Moscow has done to increase its capability and influence in the Arctic.

Erika and the King Erika Leuchtag, 2013-10 This is a new release of the original 1958 edition.

Connecting Histories Romain,2013-10-28 First published in 2006. Routledge is an imprint of Taylor & Francis, an informa company.

Animal Rights John M. Kistler,2000-06-30 Introductions to each chapter explain the issues, as well as the arguments that surround them, and a general introduction to the volume thoroughly explains how to use the book. Each entry contains the following information: author, title, edition, series title, location of publisher, name of publisher, number of pages, year of publication, and International Standard Book Number. Annotations include the most important information available to help the researcher, including web sites that contain not only the full text of the book when available, but also excerpts and articles or interviews by the author; short quotations from the books; and short descriptions and summaries of the books. All the information provided allows students to locate exactly what they need, while encouraging them to explore other issues and differing viewpoints.

Armageddon Now Jim Willis,Barbara Willis,2005-09-01 Mining the religious and secular divide, this book examines the history of apocalyptic beliefs. It explains the various omens and prophecies as well as the actual events that may trigger the end, such as collisions with asteroids, nuclear war, the oil crisis, global warming, and famine. It also discusses the long history on the end of history.

Wie Petermännchen zu Hut und Stelzen kam Erika Borchardt,1992-01-01 Wie Petermännchen zu Hut und Stelzen kam. Ein Märchen und zwei Geschichten aus dem reichen Sagenschatz über den Schweriner Schloßgeist Petermännchen. In märchenhafter Form wird ein Stück Heimatgeschichte aus der Zeit der frühdeutschen Besiedelung Mecklenburgs dargestellt und ganz nebenbei die Entstehung einer Sagenfigur gestaltet. Im Nachwort geht die Autorin auf reale historische Fakten ein, die in das Märchen eingearbeitet wurden. INHALT: Wie Petermännchen zu Hut und Stelzen kam oder Peter der Schmied Petermännchen belohnt ein Zimmermädchen Petermännchen heilt einen Prinzen

LESEPROBE: Zufrieden hatte der Schloßgeist dem flinken Mädchen bei der Arbeit zugesehen. Ihm gefiel das junge Menschenkind, das so unverdrossen arbeitete und sich nicht mißgelaunt und mürrisch zeigte. Zum Dank schenkte er ihm eine große schwere Armspange. Sie war aus Eisen und schon ganz verrostet. Die Schusterstochter konnte sich aber lebhaft vorstellen, wie gut die Spange aussehen würde, wenn man sie nur recht blankputzte. Obwohl sie keinen Schmuck besaß und doch, wie andere auch, ihre Freude an schönen Dingen hatte, wollte sie ihn aber nicht annehmen. Um das kleine Männchen nicht zu verletzen und damit es nicht denke, sie lehne die Spange ob ihrer Unscheinbarkeit ab, sagte sie: Ich brauche keinen Schmuck. Er würde mich auch bei der Arbeit stören, und außerdem habe ich das Bett nur gemacht, weil ich Dir helfen wollte und nicht um eines Lohnes willen. Da lächelte das Petermännchen sie freundlich an, legte ihr die Spange einfach in die Hand und sagte Nimm sie nur. Nimm! Sie wird dir Glück bringen. Na, Glück konnte das Mädchen gebrauchen, und so griff sie zu. Sie bedankte sich artig und schickte sich an, den weiten Weg zurückzugehen. Doch eh sie sich`s versah, war sie schon in ihrem Kämmerlein. Dort legte sie die Spange in ihr Schränkchen und ging zu Bett. Im Nu war sie eingeschlafen. Als sie am anderen Morgen erwachte, kam ihr gleich das Petermännchen und sein geheimnisvolles Lächeln in den Sinn, als es sagte, daß die Spange Glück bringe. Sie öffnete das Schränkchen. Da sah sie zu ihrer großen Verwunderung, das rostige Eisen der Spange hatte sich in glänzendes Gold verwandelt. Da strahlten die Augen des Mädchens vor Freude ob des kostbaren Schmuckes. Aber sie wurde nicht hoffärtig. Sie blieb bescheiden und fleißig, half anderen, wo sie nur konnte, und vergaß auch ihre armen Eltern nicht. So erwarb sie das Glück, das ihr Petermännchen versprochen hatte.

Im Paradies des Verkehrsteufels Erika Borchardt, 1997-01-01 In einer Schulklasse sind einige Kinder spurlos verschwunden. Lehrer und Schüler rätseln, was mit ihnen geschehen sein mag.

Gemunkelt wird, der Teufel habe die Kinder geholt – der Verkehrsteufel. Ob man sie befreien kann? Aber da ist auch die Rede von einem geheimnisvollen Schatz... Ein unterhaltsames Bühnenstück über den Kampf von Kindern gegen den Verkehrsteufel. Das Märchenspiel ist für die aktive Verkehrserziehung in der Unterstufe geeignet bzw. zur Aufführung für die Unterstufe durch höhere Klassen. Es ermöglicht die Einbeziehung einer größeren Gruppe von der 1. bis zur 12. Klasse. Für Interessenten an der niederdeutschen Sprache sind einzelne Figuren in bestimmten Situationen als niederdeutsche Sprecher angelegt (mit hochdeutscher Übersetzung im Text). LESEPROBE: Jakob: Wie oft denn noch? Mensch, der soll uns damit in Ruhe lassen. (legt die Füße auf den Stuhl vor sich) Dörte: Hab ich doch immer gesagt. Verkehrserziehung ist wichtig. Dat heff ik all ümmer seggt. Klaus: So'n Quatsch! So'n Schiet ok! Melanie: Auch das noch. Ok dat noch! Sebastian: Damit kann der in'n Kindergarten gehn. Dormit kann hei in'n Kinnergoorden gahn. Paul: Hab ich das nicht vorhin gesagt, das dicke Ende kommt noch? Heff ik dat nich vörhen seggt, dat dick Enn' kümmt noch? Lisa: Das hat doch sowieso keinen Zweck. Dat is doch allens för de Katt. Lehrer: Ruhe! (hüstelt) Also, Kinder, ich kann euch nicht verstehen. (hebt den Zeigefinger) Habt ihr vergessen, was mit euren Klassenkameraden geschehen ist? Rebekka, Hanna, Julian, Madlen! Einfach verschwunden! (hüstelt) Heute fehlen Sven und Susanne, (streicht sich das Kinn) Wer weiß, wen es noch trifft. Aber ihr? Ihr glaubt wohl, euch könnte das Unglück nicht treffen? (leise) Glaubt ihr, ihr seid besser? Glööft ji, ji sünd bäder? (Plötzliche Stille, alle stellen ihre Nebenbeschäftigungen ein und hören dem Lehrer aufmerksam zu.)
