Aventures théâtrales Catherine Black,Louise Chaput,Tessie Mengin,Annie Poirier,2022-11-02 Aventures théâtrales est un guide pratique destiné aux enseignants de FLE désirant incorporer le théâtre dans leur cours afin de développer les compétences orales et de communication. Le livre s’articule autour de quatre parties : un bref historique des origines de l’utilisation du théâtre dans l’enseignement, une partie consacrée à la prononciation dans un contexte dramatique avec de nombreux exercices, un répertoire d’activités séquencées menant à la production de A à Z d’une pièce de théâtre ; la dernière partie montre que, même à distance, dans un contexte virtuel, il est possible de faire du théâtre et d’établir des liens émotionnels entre les participants. Le livre propose aussi une exploration unique du théâtre audio par le biais de pièces radiophoniques, de podcasts (baladodiffusions) et de videocasts (vidéodiffusions). Qu’elles soient en présentiel ou à distance, les activités présentées dans cet ouvrage constituent un ensemble de ressources indispensables à ceux et celles voulant tenter l’aventure théâtrale même sans expérience. Aventures théâtrales vise le niveau B2 du CECRL (Cadre européen commun de référence pour les langues) ou le niveau intermédiaire de ACTFL (American Consortium for the Teaching of Foreign Languages). Aventures théâtrales is a practical guide designed to provide language instructors with the tools to use drama in French language courses, providing essential resources to develop learners’ communication skills through drama activities in the classroom. This book is structured around four axes: The origins of the use of theatre in teaching; the pronunciation of French adapted to dramatic activities; a repertoire of activities leading to the production from A to Z of a show; and the digital adventure: establishing an emotional and energetic connection between participants in a virtual setting. The book also offers a unique exploration of audio theatre, from radio plays to podcasts, with guidance on practical applications outside of the classroom setting. The remote and in person exercises included in this book are an invaluable resource for instructors. Aventures théâtrales is intended for instructors of French at B2 (CEFR) or intermediate (ACTFL) level interested in using drama in courses teaching French as a foreign or second language.

Des TP pour pratiquer Des travaux pratiques présentent une synthèse des concepts traités dans l'ouvrage sous forme d'exercices corrigés. L'objectif de ces travaux pratiques est d'illustrer concrètement l'utilisation conjointe des différentes API HTML 5. À qui cet ouvrage s'adresse-t-il ? Aux développeurs web, intégrateurs qui souhaitent mettre en oeuvre les nouvelles API d'HTML 5 et moderniser leurs bonnes pratiques Aux designers web qui souhaitent découvrir toutes les possibilités que leur offre HTML 5
