Hush, Mama Loves You Anna Strauss, 2002-01-01 Sarah is growing up fast. She swings on swings, slides down slides, and climbs trees. Whenever she falls, her mother sweeps her up in her arms and soothes away the hurt. Her mother is always there for her—on her first day of school, when she falls in love for the first time, and finally when she leaves home and starts a family of her own. It is then that Sarah realizes what a wonderful gift her mother has given her. As she watches over a daughter of her own, Sarah passes on that gift, helping her child through the trials of growing up with a gentle strength and enduring love. This beautiful testament to the powerful bond between mothers and daughters will move and inspire mothers while reassuring their daughters that they have a special safety net that will never let them down. Anna Strauss was only sixteen-years-old when she was inspired to write this story as a gift for her mother. Now her enchanting story makes a perfect gift to celebrate the special mother/daughter bond on Mother's Day, Graduation Day, and all year round.

The End of Country Seamus McGraw, 2012-07-10 "A rare, honest, beautiful, and, yes, sometimes heartbreaking examination of the echoes of water-powered natural gas drilling—or fracking—in the human community . . . vivid, personal and emotional."—Minneapolis Star Tribune Susquehanna County, in the remote northeastern corner of Pennsylvania, is a community of stoic, low-income dairy farmers and homesteaders seeking haven from suburban sprawl—and the site of the Marcellus Shale, a natural gas deposit worth more than one trillion dollars. In *The End of Country*, journalist and area native Seamus McGraw opens a window on the battle for control of this land, revealing a conflict that pits petrodollar billionaires and the forces of corporate America against a band of locals determined to extract their fair share of the windfall—but not at the cost of their values or their way of life. Rich with a sense of place and populated by unforgettable personalities, McGraw tells a tale of greed, hubris, and envy, but also of hope, family, and the land that binds them all together. "To tell a great story, you need a great story. Seamus McGraw . . . has lived a great story. . . . [He] is just one of its many characters—very real characters—caught up in a very human story in which they must make tough, life-altering decisions for themselves, their community, and ultimately their country."—Allentown Morning Call "Compelling . . . *The End of Country* is like a phone call from a close friend or relative living smack-dab in the middle of the Pennsylvania gas rush. . . . Anyone with even a passing interest in the [fracking debate should] read it."—Harrisburg Patriot-News "This cautionary tale should be required reading for all those tempted by the calling cards of easy money and precarious peace of mind."—Tom Brokaw "A page-turner . . . McGraw brings us to the front lines of the U.S. energy revolution to deliver an honest and humbling account that could hardly possess greater relevance."—The Humanist
