Creating Diversities Anna-Leena Siikala,Barbro Klein,Stein R.

Mathisen,2007-07-07 The effects of globalization and the momentous changes to the political map of Europe have led to a world in which multiculturalism and ethnic differences have become issues of increasing importance. In Nordic countries, relationships between new immigrants, local ethnic groups and majorities are created in ongoing and sometimes heated discussions. In transforming multicultural societies, folklore has taken on new manifestations and meanings. How can folklore studies illuminate the present cultural, political and historical changes? *Creating Diversities. Folklore, Religion and the Politics of Heritage*, edited by Anna-Leena Siikala, Barbro Klein and Stein R. Mathisen, seeks answers to this question. It emphasizes two important factors in the cultural and political exchanges among historical minorities, recent immigrants, and the majority groups dictating the conditions of these exchanges. The first factor is religion, which is a powerful tool in the construction of ethnic selves and in the establishment of boundaries between groups. The second factor is the role of national and regional folklore archives and ethnographic and cultural historical museums which create ideas and images of minorities. These representations, created in different political climates, affect the general understanding of the people depicted. Fifteen well-known folklorists and ethnographers from Norway, Sweden, Finland, Estonia and the United States offer insights and background material on these problems. In addition to immigrants and ethnic minorities in the Nordic countries, especially the Sámi, examples are sought from among the Finno-Ugrian minorities in Russia and the Nordic population in North America.

The Oxford Handbook of Contemporary Buddhism Michael K. Jerryson,2017 As an incredibly diverse religious system, Buddhism is constantly changing. The Oxford Handbook of Contemporary Buddhism offers a comprehensive collection of work by leading scholars in the field that tracks these changes up to the present day. Taken together, the book provides a blueprint to understanding Buddhism's past and uses it to explore the ways in which Buddhism has transformed in the twentieth and twenty-first centuries. The volume contains 41 essays, divided into two sections. The essays in the first section examine the historical development of Buddhist traditions throughout the world. These chapters cover familiar settings like India, Japan, and Tibet as well as the less well-known countries of Vietnam, Bhutan, and the regions of Latin America, Africa, and Oceania. Focusing on changes within countries and transnationally, this section also contains chapters that focus explicitly on globalization, such as Buddhist international organizations and diasporic communities. The second section tracks the relationship between Buddhist traditions and particular themes. These chapters review Buddhist interactions with contemporary topics such as violence and peacebuilding, and ecology, as well as Buddhist influences in areas such as medicine and science. Offering coverage that is both expansive and detailed, The Oxford Handbook of Contemporary Buddhism delves into some of the most debated and contested areas within Buddhist Studies today.

Between Prometheism and Realpolitik Jan Jacek Bruski,2016-12-05 The Treaty of Riga of March 1921 did not signify real peace. It was soon followed by the outbreak of a Polish-Soviet cold war, which in the early 1920s threatened to reach a boiling point. One of the salient fronts on which it was fought was Ukraine and the Ukrainian question. The means by which it was waged – first by Poland, and subsequently, more successfully, by the Soviets – was by attempts to stir up centrifugal tendencies on enemy territory, leading eventually to the splitting up of the neighboring state along its national seams. Polish-Soviet rivalry over Ukraine had flared up at the Riga peace conference. In the following years both antagonists struggled to win over the sympathies of Ukrainians living on either side of the frontier River Zbrucz (Zbruch) and dispersed in various émigré centers, and the weapons employed were propaganda, diplomacy, nationalities policy, economic projects, political subterfuge, and armed irredentism. Jan Jacek Bruski's book addresses the first, very important phase of this Polish-Soviet tussle.

Iraq: Genocide by Sanctions (Penerbit USM) Christian P Scherrer,2014-11-25 Genocide by Sanctions explores the criminal abuse of UN sanctions. Evidence of a planned and systematically created giant infanticide is uncovered. US bombing in 1991 destroyed Iraq's water purification, sewages, and electricity plants to run them. The ensuing mass death of Iraqi babies and children was measured by experts who are among the authors.

Norwegian Christmas - Foods & Traditions: Dinners - Desserts - Cookies - Traditions - Songs - Lores Henrik H. Koch,2017-12-09 Norwegian Christmas -

Foods & Traditions Dinners - Desserts - Cookies - Traditions - Songs - Lores

The book contains two sections: #Part 1: Norwegian History, Tradition and Customs #Part 2: Norwegian Christmas Dinners, Desserts and Cookies In this book, Mr. Koch has worked on collecting his favorite Christmas Dishes and Christmas Cookies from Norway. This book covers the context, history, reason and meaning behind the Norwegian Christmas Traditions. In depth explanations are given throughout this book with illustrations and pictures. The book shows you how to cook up Amazing Dinners to impress Family and Friends. This book also contains sections - Some Norwegian Christmas Words Translated - Norwegian Folklore - In Viking times: Converting from Norse Heathendom to Christendom - Covering the time from the 1st Sunday in Advent until New Years Eve, including, Advent Traditions and Rituals, Norwegian Christmas, Little Christmas Eve, Christmas Eve, 25th to 30th and New Year's Eve, as well as. - Christmas Songs and Common Norwegian words cross-translated. PART 1: Norwegian Christmas Traditions - Some Norwegian Christmas Words - Santa Claus and Norwegian Folklore - Converting from Norse to Christianity - Advent, Advent Traditions and Rituals - Norwegian Christmas - New Year's Eve - Christmas Songs PART 2: Norwegian Christmas Dishes, Cookies and Desserts - This book is meant to be used as an implementation tool for the reader, especially for the recipes presented. - The book goes in detail on how the reader can implement the traditions into his or her own family, or serve a Classy Traditional full dinner to friends or family. PART 2: Norwegian Christmas Dishes, Cookies and Desserts Part 2.1 Norwegian Christmas Cookies - German Sandwiches - Sand Cookies - Deer Antlers Doughnut - Christmas Bread - Fat White Cookie Men - Crisp, Thin Oat Flarn - Serina Cookie Part 2.2 Norwegian Christmas Dinners - Christmas Rib, Pork Belly - Stick Meat, Cured Salted Lamb Ribs - Lutefisk, Lyefish Part 2.3 Recipes for Sides Garnishes - Mashed Rutabaga Stew - Potatoes - Bacon bits, Melted Butter, Lingon Berries, Sourkraut, Dijon Mustard Part 2.4 Christmas Desserts - Cloudberry Whipped Cream - Rice Pudding with sauce Make it Your Own The book focuses on telling, showing and explaining how you can implement or try these Traditions, Christmas Meals and Christmas Cookies for yourself. Conversion and Facilitation You will find in the beginning of the food section, a whole page of all the recipes needed. In addition, American adaptation and facilitation to be able to find and buy ingredients in a regular American Grocery Store. Even a whole page of ingredients for all the Christmas Cookies are given. All of the units and content in this book has been converted from the Metric system to the American, so you can easily create delicious Traditional Norwegian Christmas Dinners and Christmas Cookies for you and your family. Common Norwegian Christmas Words and Songs The book also has a section of Norwegian common Christmas words, translated and shown from Norwegian to English. It also has a selection of Norwegian American Christmas songs, and Music Notes. The book is also richly illustrated throughout. This book is also great if you want to give it to someone that might be interested in the Scandinavian and Norwegian tradition. Henrik H. Koch Author & Editor

Nature, Environment and Culture in East Asia, 2013-07-15 Nature, Environment and Culture in East Asia. The Challenge of Climate Change explores East Asian cultural variations in approaching and solving environmental challenges in the past, present, and future—important

perspectives from cultural studies to the current global environmental and climate crisis.

Risks of Hazardous Wastes Paul E. Rosenfeld, Lydia Feng, 2011-03-22 Hazardous waste in the environment is one of the most difficult challenges facing our society. The purpose of this book is to provide a background of the many aspects of hazardous waste, from its sources to its consequences, focusing on the risks posed to human health and the environment. It explains the legislation and regulations surrounding hazardous waste; however, the scope of the book is much broader, discussing agents that are released into the environment that might not be classified as hazardous waste under the regulatory system, but nonetheless pose substantial hazards to human health and the environment. It provides a background of some of the major generators of hazardous wastes, explains the pathways by which humans and wildlife are exposed, and includes discussion of the adverse health effects linked to these pollutants. It provides numerous case studies of hazardous waste mismanagement that have led to disastrous consequences, and highlights the deficiencies in science and regulation that have allowed the public to be subjected to myriad potentially hazardous agents. Finally, it provides a discussion of measures that will need to be taken to control society's hazardous waste problem. This book was designed to appeal to a wide range of audiences, including students, professionals, and general readers interested in the topic. Provides information about sources of and health risks posed by hazardous waste Explains the legislation and regulations surrounding hazardous waste Includes numerous case studies of mismanagement, highlights deficiencies in science and regulation and discusses measures to tackle society's hazardous waste problems

Esoteric Buddhism and the Tantras in East Asia Charles Orzech, Henrik Sørensen, Richard Payne, 2011 This volume, the result of an international collaboration of forty scholars, provides a comprehensive resource on Esoteric Buddhism and the Tantras in their Chinese, Korean, and Japanese contexts from the first few centuries of the common era to the present.

Transforming the Void , 2016-05-02 Transforming the Void: Embryological Discourse and Reproductive Imagery in East Asian Religions provides new insight into how the body's generative processes are harnessed as powerful metaphors for spiritual attainment in the religious traditions of China and Japan.

Language in the Buddhist Tantra of Japan Richard K. Payne, 2018-08-09 Language in the Buddhist Tantra of Japan dismantles the preconception that Buddhism is a religion of mystical silence, arguing that language is in fact central to the Buddhist tradition. By examining the use of 'extraordinary language'-evocations calling on the power of the Buddha-in Japanese Buddhist Tantra, Richard K. Payne shows that such language was not simply cultural baggage carried by Buddhist practitioners from South to East Asia. Rather, such language was a key element in the propagation of new forms of belief and practice. In contrast to Western approaches to the philosophy of language, which are grounded in viewing language as a form of communication, this book argues that it is the Indian and East Asian philosophies of language that shed light on the use of language in meditative and ritual practices in Japan. It also illuminates why language was conceived as an effective means of progress on the path from delusion to awakening.
