As I Wake (2nd Edition) Michael Faraday, 2015-03-21 As I wake in the wee hours of the morning my chest is pounding with sweat dripping from my body from the nightmares of my childhood that still to this day does haunt me! Everyone has skeletons in their closets from secret's, but mine have bothered me so much after all these years my wife said with all the books you write today, maybe if you write of these experiences it will bring you peace? As I thought over the idea for many months I decided to do just that, & the following story is based on those memories as I had lived them & became what you will read within the bindings of this book. Warning there is strong graphic violence, language, & adult content as this book could very well be highly controversial! Some might even say it is extremely negative on issues. However; this depends on the point of view. The one thing that I can say is it is 100% true & this is my life no holds barred! By: Michael P. Faraday
