Dylan David Potter

Afro-Igbo Mmadu? and Thomas Aquinas's Imago Dei Venatius Chukwudum Oforka, 2016-06-25 In our modern and globalised world, the concept of human dignity has gained a haloed status and plays a decisive role in assessing the moral integrity of every human being. It provides a necessary foundation for the on-going human rights struggles. For the idea of human dignity ensures that our ever-growing complicated world wears a human face and that human beings are respected as absolute values in themselves. Afro-Igbo Mmadu? and Thomas Aquinas' Imago Dei: An Inter-cultural Dialogue on Human Dignity attempts to expand the discourse on the concept of human dignity, which appears to have been parochially founded on the principles of Western cultures and ideologies. To deparochialise this discourse, it proposes an inter-cultural dialogue towards establishing common principles that define the foundation of human dignity, even when the approaches of diverse cultures to this foundation differ. The Afro-Igbo Mmadu and Thomas Aquinas' Imago Dei is, therefore, a model of such inter-cultural dialogue. It hosts a profound dialogue between the concept of Mmadu? among the Igbo people of eastern Nigeria (Africa) and the concept of Imago Dei according to Thomas Aquinas of western European culture. The study discusses the rich values in these cultural concepts and acknowledges them as veritable tools for establishing human dignity as a universal and inalienable character of human beings. It, nonetheless, highlights the low points in these cultures that are discordant with this universal and inalienable character. The dialogue establishes that these two cultures could complementarily enrich one another and in this way mutually augment their shortcomings towards a more globalised and reinforced foundation of human dignity and the defence of the dignity of every individual human being.

The Imago Dei Lucy Peppiatt, 2022-04-08 The doctrine of the imago Dei, that human beings are created in the image and likeness of God, is an endlessly fascinating topic. Not only is it a central doctrine to Christian life and practice but also touches, perhaps even helps to form, every other doctrine of the Christian faith in one way or another. We do not think about God, in a Christian sense, as any other than the God who creates humanity in God's image. However, many of the details of this claim and what it means for human beings are left undefined by Hebrew and Christian Scriptures and it is not even mentioned in the creeds. This space leaves room for exploration. So the quest for what it means for human beings to be made in the image and likeness of God has never ceased to occupy theologians, clerics, and the laity alike. In this Companion, Peppiatt charts the developments of the doctrine through the ages, summarizing each position and perspective up to the modern day. This volume offers a compact but rich overview of the various ways in which this doctrine has been and is understood as well as pointing readers to further questions for consideration.

Imago Dei Steven Yong, 2021-01-07 The question of what it means to be human is a perplexing one. Indeed, one of the most cited and referred concept to shed light on the meaning of becoming human is the notion of צלם אלהים divine image. However, the history of interpretation shows that the three major views, such as structural, functional, and relational, on the concept yielded some discrepancies, both biblical and practical. The purpose of this study is to give an alternative solution consistent with the biblical witness. This writing comes with strategies. It starts with the effort to reread the locus classicus of the divine image text to find some neglected aspects. It yielded to comparable elements between messengers and humans as a representative agent of God in the physical world since humans are created in the image of אלהים, i.e., God and his heavenly court. Observation of the texts of Hagar, Moses, and Jacob narrative show that humans, mimicking messengers, represent God's presence both by their actions and their very beings. The term פנים, which is closely representing the notion of presence, then will be observed concerning the concept of צלם. It will be argued that אלהים, thus, humans represent God's פנים presence in the visible world.

Imago Dei Thomas Albert Howard, 2013-06-24 Imago Dei will serve as an indispensable resource for those wishing to deepen their grasp of the theological bases for Christian views of human dignity, as well as for those who believe that Christ's words that they be one (John 17:21) remain a theological imperative today

Imago Dei and the Uniqueness of Man Philip P. Eapen, 2014-04-01 What does it mean when Christians say that man was created in the image of God? What are its implications for us? How is man different from animals and other life forms? Was both Adam and Eve made in the image of God? Is there any biblical basis for male headship in family and male leadership in the Church? Imago Dei and the Uniqueness of Man seeks to answer these questions through a thorough examination of Biblical teaching and by drawing upon relevant scholarship.

The Encyclopedia of God Constance Victoria Briggs, 2003-04-01 Now That God Is Popular Again, What Do People Say About Him? Interest in the nature of the Supreme Being is growing again, especially among people who had turned away from conventional religious approaches. God is in again, but what do we know about him? In this remarkable reference work, Constance Victoria Briggs, author of the popular The Encyclopedia of Angels, offers a stimulating and inspiring review of the thoughts of hundreds of scholars, religious authorities, mystics, writers, saints, prophets, philosophers, poets--even celebrities--on the nature of God. Although we can't question God, we can evaluate the information contained in these sources and draw our own conclusions about who and what God is, she says. It's my desire to portray God as a multi-faceted spiritual entity whose characteristics have shaped our lives since the dawn of mankind. In a highly accessible A-Z format, Briggs presents hundreds of short informative entries from diverse traditions and beliefs. From Arabot, the Seventh Heaven in Judaic lore, to Thomas Jefferson's beliefs in God, from Brahma, Hinduism's chief deity, to Mulungu, the Supreme Being in some East African beliefs--you'll find it all in this revealing tour through the world's beliefs. Among the riches in The Encyclopedia of God, you'll find a chronicle of the acts of God, past and future; God's relationship with the saints, prophets, and other holy men and women; God's relationship with the angels; the beliefs about God of world religions and ancient cultures; and new age thoughts on God. All entries are meticulously cross-referenced to give you quick access to related topics.

Understanding the 'Imago Dei' Fr Dominic Robinson, 2013-06-28 As theologians across confessional divides try to say something significant about human dignity in our contemporary society, there is fresh interest in the ancient Christian doctrine that the human being is created in the 'imago Dei'. Theology is grounding responsibility for others and for the world around us in this common vision that the human being's infinite horizon lies in a divine calling and destiny. Robinson examines the 'imago Dei' debate through three giants of twentieth century theology - Karl Barth, Hans Urs von Balthasar, and Jürgen Moltmann. This is placed against a survey of the principle developments and distinctions relating to the doctrine in the history of Christian thought, which in itself will be valuable for all students of Theology. A fresh analysis of ecumenical contributions places the development of the doctrine in the context of the ongoing process of ecumenical dialogue on the dignity of the human person, with special reference to this theme in the first encyclical of Pope Benedict XVI, Deus Caritas Est. Whilst 'imago Dei' is the focus of this book, Robinson invites the reader to see its relevance to theology as a whole on a specifically ecumenical canvas, and relates directly to more general areas of theological anthropology, grace, salvation, and the relationship between God and the world.

The Wiley Blackwell Companion to Latinox Theology Orlando O. Espin, 2023-06-06 The new edition of the standard resource for those teaching or learning Latinox theology Now in its second edition, The Wiley Blackwell Companion to Latinox Theology remains the most up-to-date, fully ecumenical collection of scholarship in the field. Bringing together contributions by a diverse panel of established scholars and newer voices within various theological disciplines, this comprehensive volume challenges Western readings of Christianity and offers fresh insights into theological truth from varied cultural and ethnic perspectives. The Companion addresses a wide range of Latinox contexts while highlighting the thought of female, male, and LGBTQ+ Latinox scholars in theology, introducing readers to this significant movement. Each chapter provides the historical background of a particular topic, explores its treatment by Latinox theologians, discusses the current state of the topic, and offers the unique perspective of internationally recognized authors. The revised second edition incorporates recent developments within Latinox studies, featuring new and expanded chapters that reflect numerous traditions of thought, up-to-date sources and methodologies, diverse intra-Latinox communities, and contemporary Latinox theologies and theologians. This invaluable and unique companion: Provides a systematic account of the past, present, and future of Latinox theology Features new essays by the most influential voices in the field, incorporating recent research from Catholic, Protestant, and Evangelical scholars Addresses the Latinox experience of alienation and marginalization Represents the wide range of ecclesial and theological traditions Discusses Latinox in timely contexts such as politics, immigration, feminism, gender, queer theory, and social and economic justice Edited by one of the world's leading Latino theologians, The Wiley Blackwell Companion to Latinox Theology, Second Edition is an indispensable resource for academic scholars, undergraduate and graduate students, and instructors in universities and seminaries covering courses in theology, political thought, Latinox

studies, religion in the United States, and related topics.

Abortion and the Christian Tradition Margaret D. Kamitsuka, 2019-10-29 Abortion remains the most contested political issue in American life. Poll results have remained surprisingly constant over the years, with roughly equal numbers supporting and opposing it. A common perception is that abortion is contrary to Christian teaching and values. While some have challenged that perception, few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds. Margaret Kamitsuka begins with a careful examination of the church's biblical and historical record, refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception. She then offers carefully crafted ethical arguments about the pregnant woman's authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin.

And You Welcomed Me Donald Kerwin, Jill Marie Gerschutz, 2009-10-08 Human beings leave their homelands for many reasons and they are called by many names: illegal aliens, strangers, asylum-seekers, displaced persons, economic migrants, lawful permanent residents, refugees, temporary workers, and victims of trafficking. Some are forced to flee because of violence, persecution, natural disaster, or intense economic privation. Most migrate in search of a better life, many as part of a family survival strategy. The movement of people from one place to another has remained a constant feature of human history. In an era characterized by the fast and cheaper movement of goods and services around the globe, migrants are the face of globalization. The world's two hundred million migrants often find themselves at the center of economic, social, and political debates. This book describes the distinctive way in which Catholic social teaching looks at migrants. It analyzes migration from the legal, social science, and cultural perspectives, and gives special consideration to the lived experience of immigrants themselves and their host communities. The book identifies gaps and opportunities to improve government and non-governmental responses to migration on a local, national, and international level. *And You Welcomed Me* aims to reframe perspectives on migration by focusing on the human beings at the heart of this phenomenon. It analyzes trade, immigration, labor, national security, and integration policies in light of the core Catholic commitment to the common good, human dignity, authentic development, and solidarity.

The Pearl of Great Worth! Dr. Ian Traill, Have you ever been made to feel worthless or you just feel that way? You may say yes and you may say no, but I want to show that the heart and the vibe of the Bible is a love letter coming from God to us. The Bible may be read and understood by the head but it is the vibe of the WORD that strikes the heart.

Catechism of the Catholic Church U.S. Catholic Church, 2012-11-28 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means instruction - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Word-Reader, Light-Bringer Adelynn Spiecker, 2021-11-25 Genesis 1 opens with, "In the beginning, God" All life starts with Him. He wants total access to our souls, to dwell near us, to meet with us. And until we come face-to-face with Him, we can't experience a saving relationship with the Lord. Once we gaze upon Jesus, we will automatically stop, drop, and shine—bringing the light to others, as Paul says in Philippians 2:15. As believers become readers of the Word of God, the Bible, they also become bringers of the light of Christ in their daily lives. Are you ready to get fire-hosed with living water? As that water washes your heart, the world will see you shining like the stars in the universe. Steeped in Scripture, overflowing with life application, and written with passion, *Word-Reader, Light-Bringer* will challenge Christ-followers to seize the power that comes to them through the Holy Spirit and shine the light of Christ to a watching world.

Angelology Dylan David Potter, 2017-02-23 Angels have fascinated people for millennia because they point to an invisible dimension that parallels our own. This book examines the different ways that angels have been portrayed at certain key points in biblical and theological history. By tracing patterns in the appearance of higher-order beings from their ancient Near Eastern origins, the Hebrew Scriptures, the writings of Pseudo-Dionysius, Thomas Aquinas, Karl Barth, and even modern New Age writers, *Angelology* demonstrates that angels allow various authors to emphasise divine transcendence, immanence, and creativity. Identifying the theological purpose underlying the depiction of angels at certain key points in the history of their use raises new questions about how angels are to be understood by people today.

The Generations of Heaven and Earth Jon Garvey, 2020-01-21 New science has surprised many by showing, contrary to received wisdom, that a real Adam and Eve could have lived amongst other humans in historical times and yet be the ancestors of every living person, as traditional Christianity has always taught. This theory was first published in book form in 2019, but Jon Garvey, familiar with it from its early days, believes it helps confirm the Christian account of reality by giving it a solid foundation in science and history. In this book he argues that the long existence of other people before and alongside Adam was in all likelihood known to the Bible's original authors. This conclusion helps build a compelling biblical big story of a new kind of created order initially frustrated by Adam's failure, but finally accomplished in Christ. This new creation theme complements that of the old creation covered in his first book, *God's Good Earth*. The two together contribute to a unified, and fully orthodox, understanding of the overall message of the Bible.

The Sacredness of Human Life David P. Gushee, 2013-01-14 A comprehensive examination of the sacredness of human life, encompassing biblical roots, theological elaborations, historical cases, and contemporary ethical perspectives. Gushee argues that viewing human life as sacred is one of the most precious legacies of biblical faith-- albeit one that the church has too often failed to uphold.

Who Killed God? (alias Cock Robin) Ian Traill, 2010 The book you hold in your hands is an ambitious attempt to draw a contrast between the simplicity and certainty of the gospel and the complexity and obscurity of secular philosophies. Some readers may find the sections on philosophy difficult, especially if they have no prior knowledge of the various schools of philosophy. Yet Ian Traill has given a succinct outline of each brand of philosophy, and recourse, say, to the online Wikipedia, will enable any reader to clarify what may at first seem obscure. The apostle Paul boldly declares that philosophers are unable to find God through their arguing because God himself has decreed their failure! (1 Cor 1:19-20) That is why even the most brilliant minds have been unable to penetrate the truth by thought alone. It is why, as the 19th century English jurist, Lord Charles Bowen, once said, philosophers are "like a blind man in a dark room feeling for a black hat - that isn't there!" But he was preceded, fifty years before Jesus was born, by the Roman orator Cicero: "There is nothing so ridiculous but some philosopher has said it." Likewise, the intellectual 20th century philosopher and mathematician, Lord Bertrand Russell, talking about the seeming certainties of mathematics, had to confess that "mathematics may be defined as the subject in which we never know what we are talking about, nor whether what we are saying is true." Human philosophy, despite its fascination and genius, must be included with those uncertainties. In the end, absolute truth rests only in the glorious gospel of Christ. Ian's book offers a fine explanation of this marvellous reality. Rev Dr Ken Chant (M.R.E., Ph.D) Principal Emeritus, Vision Christian College Inc, Australia.

Heart of the Living God Michael G. Maness, 2004-06-23 Maness asks us to tie up our sneakers, for we are going to have some fun as we hike into the Grand Canyon of Love. Love is the treasure of life. It is Love all the way. Nothing else really matters outside of Love. Best of all, our Love will only get better in heaven. The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share. Likewise, what we know of Love this side of heaven is but a dusty image of what God experiences. I want to get personally involved, says Maness. Can we have a free-will relationship with anyone, even God, if all of what we do and think is settled? I don't think so. Love is greater than that, and I shall prove that, and that is indeed a Grand Canyon. Manes brings some of the brain-splitting complexities of this to light with good humor, introduces dynamic foreknowledge, and challenges Classical Theism's avoidance of Love. And he exposes some foul play in the process. That's the first half of the book. For those wanting to strike out on their own (wanting to see more of the depth and diversity of the Grand Canyon), the second half contains reviews of

about 60 major authors, a 4,000+ Abysmal Bibliography, and a huge index to just about everything in the book. Maness has thrown a gauntlet before the Classical Theists. So tie up your sneakers and take a hike with Michael G. Maness as he walks with you into the Grand Canyon. see more at www.PreciousHeart.net

Exploring Psychology and Christian Faith Paul Moes,Donald J. Tellinghuisen,2014-09-02 Introductory psychology courses can raise significant questions about the nature of being human. Christianity, with its emphasis on humans made in the image of God, has a clear perspective. Psychology offers answers too, but they are often subtly implied. This introductory guide, drawn from more than fifty years of classroom experience, provides students with a coherent framework for considering psychology from a Christian perspective. The authors explore biblical themes of human nature in relation to all major areas of psychology, showing how a Christian understanding of humans can inform the study of psychology. Brief, accessible chapters correspond to standard introductory psychology textbooks, making this an excellent supplemental text. End-of-chapter questions are included. A test bank for professors is available through Baker Academic's Textbook eSources.

Religion and Technology in the 21st Century: Faith in the E-World George, Susan Ella,2006-05-31 This book examines the unique synergy between religion and technology, and explores the many ways that technology is shaping religious expression, as well as ways that religion is coming to influence technology--Provided by publisher.

Imagodei.htm Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Imagodei.htm free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Imagodei.htm free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Imagodei.htm free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Imagodei.htm. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide

access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Imagodei.htm any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Imagodei.htm Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Imagodei.htm is one of the best book in our library for free trial. We provide copy of Imagodei.htm in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Imagodei.htm. Where to download Imagodei.htm online for free? Are you looking for Imagodei.htm PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Imagodei.htm. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Imagodei.htm are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Imagodei.htm. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Imagodei.htm To get started finding Imagodei.htm, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Imagodei.htm So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Imagodei.htm. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Imagodei.htm, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Imagodei.htm is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Imagodei.htm is universally compatible with any devices to read.
