Irving Mansfield, Jean Libman Block

Beyond Area 51 Mack Maloney,2013-07-02 The truth can't be hidden forever. Unlock the secrets of Earth's top secret destinations—including Area 51 and more. Few have ventured into the many heavily guarded, top-secret locations scattered across the earth. Even fewer have emerged with stories to tell. Yet every now and then the common man is given an illicit glimpse of something extraordinary... In *Beyond Area 51*, Mack Maloney explores the truths behind the many myths and legends surrounding some of the world's most mysterious locales. From the Homestead Air Force base in Miami, Florida to Russia's Kapustin Yar, Maloney investigates incredible reports of extraterrestrial experimentation on animals, UFOs with road rage, and other unbelievable tales beyond our wildest imaginings. Filled with fascinating, true accounts, *Beyond Area 51* will convince any skeptic of the infinite possibilities of what exists on, and beyond, our tiny planet. Includes 8 pages of rare pictures

The 1960s Timothy P. Maga,2014-05-14 Traces the history of the United States during the 1960s through such primary sources as memoirs, letters, contemporary journalism, and official documents.

The Future of Post-Human Martial Arts Peter Baofu,2009-10-02 Is it really true that martial arts, in spite of their popularity in this day and age of ours, have, at their deepest level, the promised land of "self-knowledge," "the expression of beauty," or something highly spiritual to be pursued for the human soul? Or, to put it in a different way, what exactly makes martial

arts so amazing that, somehow, they will eventually lead the practitioners to the spiritual realm of self-cultivation in its highest depth? Contrary to the conventional wisdom about martial arts as held by many over the ages, this popular view about martial arts has become so legendary that their dark sides have yet to be systematically explored and that the lofty aims of martial arts are neither possible nor desirable to the extent that their proponents would like us to believe. Of course, this is not to say that the very tradition of martial arts is absolutely useless, or that the literature on martial arts hitherto existing in history is spiritually unworthy to be appreciated. Instead, this book constructively offers an alternative (better) way to understand the nature of martial arts, in special relation to the body and spirit of warriors—while learning from different views in the literature, without favoring any one of them (nor integrating them, as they are not necessarily compatible with each other), and, in the end, transcending them towards a new horizon not conceived before. This seminal view, if proven valid, will fundamentally change the legendary way that people have thought about martial arts—from the combined perspectives of the mind, nature, society, and culture, with enormous implications for the human future and what I originally called its “post-human” fate. _____

The Boston Red Sox Killer B's Jim Prime,Bill Nowlin,2019-08-06 Learn about the 2018 World Series-winning Red Sox outfield! Andrew Benintendi, Jackie Bradley Jr., and Mookie Betts, three superb outfielders who are known

collectively as the Killer B's, have set Major League Baseball abuzz. Most notably, they made up the Red Sox World Series-winning outfield in 2018, a season in which Betts was voted the American League MVP and received a Gold Glove, Bradley earned ALCS MVP accolades and also a Gold Glove, and Benintendi featured one of the smoothest swings since Ted Williams to complement his defensive prowess. In *The Boston Red Sox Killer B's*, veteran authors Jim Prime and Bill Nowlin team up once again to cover the young careers of all three players, with special emphasis on the 2018 season. Along the way, Prime and Nowlin incorporate on- and off-field stories and interviews with teammates to offer fans a better understanding of how this trio has transformed into New England folk heroes and how they have developed a chemistry unmatched by any other outfield around the league. This book serves as the perfect gift for any Red Sox fan!

Women's Letters Lisa Grunwald, Stephen J. Adler, 2009-01-21 Historical events of the last three centuries come alive through these women's singular correspondences—often their only form of public expression. In 1775, Rachel Revere tries to send financial aid to her husband, Paul, in a note that is confiscated by the British; First Lady Dolley Madison tells her sister about rescuing George Washington's portrait during the War of 1812; one week after JFK's assassination, Jacqueline Kennedy pens a heartfelt letter to Nikita Khrushchev; and on September 12, 2001, a schoolgirl writes a note of thanks to a New York City firefighter, asking him, "Were you afraid?" The letters

gathered here also offer fresh insight into the personal milestones in women's lives. Here is a mid-nineteenth-century missionary describing a mastectomy performed without anesthesia; Marilyn Monroe asking her doctor to spare her ovaries in a handwritten note she taped to her stomach before appendix surgery; an eighteen-year-old telling her mother about her decision to have an abortion the year after Roe v. Wade; and a woman writing to her parents and in-laws about adopting a Chinese baby. With more than 400 letters and over 100 stunning photographs, *Women's Letters* is a work of astonishing breadth and scope, and a remarkable testament to the women who lived—and made—history. From the Hardcover edition.

Day Trips® from Orlando John Kumiski, 2009-12-22 Rediscover the simple pleasures of a day trip with *Day Trips from Orlando*. For local travelers seeking new adventures in their own backyards, as well as vacationers, it offers hundreds of exciting things to do, see, and discover within a two-hour drive.

The Complete Book of Raw Food, Volume 1 Julie Rodwell, 2010-05-25 This masterful collection of over 400 raw food recipes is a must-have for anyone who enjoys vegetarian cuisine. Whether you are curious about adding raw foods to your diet, or have been eating raw for years, *The Complete Book of Raw Food, Second Edition* contains over 400 mouth-watering-recipes produced by more than 50 of the world's top raw food chefs, and is your essential resource on choosing ingredients, eating right and creating delicious dishes

to satisfy any palate. From soups and salads to main dishes and desserts, The Complete Book of Raw Food, Second Edition is the largest published collection of raw food recipes. This new edition features more than 50 new recipes from up-and-coming chefs. Among these inspired raw dishes are unexpected delights such as Lasagna, Easy Pad Thai, Zucchini Bread, and Granola--all delicious--all made with live ingredients. The Complete Book of Raw Food, Second Edition also includes advice on choosing ingredients, resources to buy the tools you need to create raw dishes, and a comprehensive Raw Food Glossary. The second edition is expanded to include prep times for all recipes an all-new color insert, and contains updated information on kitchen equipment, techniques, and raw food festivals. The Complete Book of Raw Food, Second Edition includes a detailed preparation for all categories of dishes including Salad Dressings, Entrees, and Delicious Desserts. Here are just a few examples of the delicious recipes available in The Complete Book of Raw Food, Second Edition: ■ Spinach Pesto ■ Raw Ravioli ■ Walnut Stuffed Peppers ■ Tomato Wild Rice Soup ■ Chocolate Smoothie ■ Watermelon Mountains Whether you're a raw food devotee, a seasoned vegetarian, or just want to prepare delicious, healthy recipes in your own home, The Complete Book of Raw Food, Second Edition is a kitchen essential.

Jackie By Josie Caroline Preston, 1998-03-19 Josie, a literature student, is offered a well-paid job researching the life of Jackie Onassis for a writer working on an intimate biography. She takes the assignment and discovers that

Jackie's stormy marriage to President Kennedy strangely resembled her own.

Work: A Very Short Introduction Stephen Fineman, 2012-11-29 The image of a job captures our imagination from an early age, usually prompted by the question 'What do you want to be when you grow up?'. Work – paid, unpaid, voluntary, or obligatory – is woven into the fabric of all human societies. For many of us, it becomes part of our identity. For others it is a tedious necessity. Living is problematic without paid work, and for many it is catastrophic. Steve Fineman tells the fascinating story of work - how we strive for security, reward, and often, meaning. Looking at how we classify 'work'; the cultural and social factors that influence the way we work; the ethics of certain types of work; and the factors that will affect the future of work, from globalization to technology, this Very Short Introduction considers work as a concept and as a practical experience, drawing upon ideas from psychology, sociology, management, and social history. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

My Name Is Not Alexander Jennifer Fosberry, 2011-03-08 A New York Times Bestseller! Just How Big Can a Little Boy Dream? Who is your hero? Alexander takes a rip-roaring historical adventure! Through his imaginative journey,

Alexander discovers how great men become heroes: the roughest rider can be surprisingly gentle, a strong leader is also the most peaceful, and sometimes, being brave about what makes you different will not only help you break records, but inspire others. Join Alexander as he learns how these remarkable men changed the world and encouraged him to find the hero within himself. Clever text and exuberant illustrations makes this book a perfect way to introduce kids to historical figures.—Deborah Underwood, New York Times bestselling author of *The Quiet Book* Recognition for *My Name Is Not Isabella*: National Parenting Publications Gold Award Gold Moonbeam Children's Book Award Silver ForeWord Book of the Year Award for Picture Boo

Jackie Robinson Tony De Marco, 2001-08 Simple biography of sports hero Jackie Robinson.

The Incredible Internet Guide to Howard Stern James R. Flowers, 2000 Whether on-the-air or online, Howard Stern entertains millions!

Diana and Jackie Jay Mulvaney, 2002-08-21 Compares two female icons of the twentieth century--Diana, Princess of Wales, and Jacqueline Kennedy Onassis--in a study of myth and femininity in the modern world.

The Negro Leagues, 1869–1960 Leslie A. Heaphy, 2015-03-13 At his induction into the Baseball Hall of Fame, former Negro League player Buck Leonard said, “Now, we in the Negro Leagues felt like we were contributing something to baseball, too, when we were playing.... We loved the game.... But we thought that we should have and could have made the major leagues.” The Negro Leagues

had some of the best talent in baseball but from their earliest days the players were segregated from those leagues that received all the recognition. This history of the Negro Leagues begins with the second half of the 19th century and the early attempts by African American players to be allowed to play with white teammates, and progresses through the "Gentleman's Agreement" in the 1890s which kept baseball segregated. The establishment of the first successful Negro League in 1920 is covered and various aspects of the game for the players discussed (lodgings, travel accommodations, families, difficulties because of race, off-season jobs, play and life in Latin America). In 1960, the Birmingham Black Barons went out of business and took the Negro Leagues with them. There are many stories of individual players, owners, umpires, and others involved with the Negro Leagues in the U.S. and Latin America, along with photos, appendices, notes, bibliography and index.

Life with Jackie Irving Mansfield, Jean Libman Block, 1983 Mansfield reminisces about his thirty-five year marriage to Jacqueline Susann, discussing their personal relationship, autistic son, friends, careers, and her long battle with cancer

Jackie Robinson Lola M. Schaefer, 2003 A brief biography of the man who was the first African American baseball player on a major league team, as well as the first African American elected to the Baseball Hall of Fame.

The Green Umbrella Jackie Azúa Kramer, 2022-10-18 A comical story of imagination and friendship—now available as a paperback! Elephant is enjoying

a peaceful walk with his green umbrella, when suddenly a Hedgehog says: I believe you have my boat. Elephant listens patiently as Hedgehog insists: I crossed deep oceans . . . tasted the salty spray of whales [in that umbrella-boat]. Cat, Bear, and Rabbit soon interrupt Elephant—each claiming that his umbrella is really their tent, flying machine, and cane. Elephant is flabbergasted—after all, it's an umbrella, and it certainly hasn't been on any adventures more exciting than a walk in the rain. Or has it? Jackie Azúa Kramer and illustrator Maral Sassouni have created a gem in this fun read-aloud! Praise for *The Green Umbrella*, hardcover edition A 2017 Bank Street Best Children's Book of the Year Mom's Choice Award - Gold A 2017 Parents' Choice Silver Honor The lesson about sharing and generosity is elegantly wrapped around lovely language.—Kirkus Reviews

Reading Jackie William Kuhn, 2011-11-29 Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations, or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work: commissioning books and nurturing authors, helping to shape stories that spoke to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals

the serious and the mischievous woman underneath the glamorous public image.

Passing Through the Jackie Hopper Story Jackie Hopper, 2006-12-20

A Healthier You Deepak Chopra, Billy Blanks, Sherri J. Tenpenny, Stuart Marmorstein, Carolyn Strauss, Johnny Burns, Lynn Shaw, Cathy Burnham Martin, Donna Collins, Richard Bunch, Eileen Silva, Mel Abraham, Helene B Leonetti, Dallas Humble, Pat McGill, Lee McLemore, Gwen Herb, Vidushi Babber, 2005-09 Dr. Tenpenny discusses the important role of integrative medicine in this exciting book covering many important health topics as discussed by her, as well as by many leading experts in their field; including Dr. Deepak Chopra and Billy Blanks.
