Jaden Dale Mayer,2020-05-29 Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Jaden Hancock is blessed to still have two arms and two legs, but the one leg is so badly damaged as to be virtually useless. Until he came to Hathaway House, he'd never expected that it might become a vital part of his future. He's willing to work for it, it's just hard to see the lack of progress even after weeks. He knows he needs to accept his current state, but that feels like giving up. And that's something he's not prepared to do. But as defeat, and hope, and depression and final triumph he sees a future he'd never been able to envision before. Brianna Kole slowly adjusted to Hathaway House. She'd crossed the country to get away from her old life. As the newest staff member, she was polite but not overly friendly. She'd built walls to protect herself from getting hurt again. Only she'd arrived close to the same time as Jaden and in spite of her reservations they'd hit it off instinctively gravitating to the other new guy. But it wasn't long before she was questioning her feelings... and his. It seems one step forward, then one step backwards. Will these two figure out what's really important? Before it's too late? heartwarming; wholesome; broken hero; clean and sweet; animals; military; Healing; Small town; small town romance; Heroes for Hire; Romance; sanctuary; Recovery; Healing SEAL's; Dogs; Horses; Heartwarming sweet romance

Jaden's Chance Ashlynn Ally,2016-11-14 Fresh out of the foster care system and on her own for the first time, eighteen-year-old Jaden Macklemore plays by her own rules, but when she is caught stealing a wallet her life is suddenly turned upside down. Instead of calling the cops on her, the stern, handsome man who thwarted her attempted theft offers her a place to stay and a chance to start a new life, but there will be conditions. As long as she is under his roof, Jaden will be expected to follow his rules, and failure to do so will earn her a sound spanking on her bare bottom. Since he is familiar with the foster system himself, Justin Owens understands what Jaden has gone through, but he also knows that if she is going to get back on the right track it will require strict rules which are enforced consistently. He quickly makes it clear to his beautiful, defiant new ward that from now on, smoking, swearing, and stealing will all result in painful, embarrassing punishments that will leave her a very sore, very sorry young lady. Though at first Jaden is shocked and dismayed to be treated in such a childish and humiliating way, soon enough she finds herself appreciating Justin's guidance and even, grudgingly, his firm-handed discipline. Yet while she feels safer in his care than she ever has before, she can't help wondering if he might one day see her as more than just a little girl in need of his help or if he will eventually cast her aside the way so many others have before. Can Justin win her trust and claim her properly before her fears tear apart everything they have built together? Publisher's Note: Jaden's Chance includes spankings, sexual scenes, and elements of age play. If such material offends you, please don't buy this book.
