Jessica's Twisted Moments Whitney Jay,2012-06 This work is the first of many to come. It contains events in my life made of a little of this--and a little of that--and mostly me. Also it is in part fictional. It is derived from a true story. I thank God for giving me an open heart to let in forgiveness. Forgiveness is saying I will forgive you especially when I am asked to do so. Not being able to forgive brings unnecessary grief upon others as well as on each other. I no longer see you as an adversary or a rival. I love you even if you cannot love me back. So here's to love and a better life. God grant me the serenity to accept the things I cannot change; courage to change the things I can; and the wisdom to know the difference.

Jessica's Will Kent R. Brown,2005 It is the end of summer and Jessica is going in for tests. Michelle, in her 20s, has come to assist in putting her high-spirited grandmother's affairs in order. In unravelling a complex tapestry of lifelong dreams and deceptions, Jessica and Michelle bequeath to each other intimate, and sometimes painful, gifts of love. Intertwined throughout the scenes is a young girl who, both real and imagined, enters their world and revitalizes their mutual love of life.

A Million Reasons Why Jessica Strawser,2021-03-23 Heartbreaking yet hopeful, this astute exploration of the bonds and limitations of family is a perfect book club pick.” – New York Times bestselling author Joshilyn Jackson A Most Anticipated by Goodreads * SheReads * E! News * Frolic Jessica Strawser's *A Million Reasons Why* is a fascinating foray into the questions we are most afraid to ask (Jodi Picoult, #1 New York Times bestselling author)--the story of two women who discover a bond between them that will change both their lives forever. When two strangers are linked by a mail-in DNA test, it's an answered prayer—that is, for one half sister. For the other, it will dismantle everything she knows to be true. But as they step into the unfamiliar realm of sisterhood, the roles will reverse in ways no one could have foreseen. Caroline lives a full, happy life—thriving career, three feisty children, enviable marriage, and a close-knit extended family. She couldn't have scripted it better. Except for one thing: She's about to discover her fundamental beliefs about them all are wrong. Sela lives a life in shades of gray, suffering from irreversible kidney failure. Her marriage crumbled in the wake of her illness. Her beloved mother, always her closest friend, unexpectedly passed away. She refuses to be defined by her grief, but still, she worries what will happen to her two-year-old son if she doesn't find a donor match in time. She's the only one who knows Caroline is her half sister and may also be her best hope for a future. But Sela's world isn't as clear-cut as it appears—and one misstep could destroy it all. A thrilling story of what happens when a long-held family secret comes to light...[Strawser] shows that no one is ever truly a villain or a hero, but instead, we are all a beautiful and messy mix of both. - Associated Press review
