**The Making of a London Suburb** Martin Spence,2007 The transformation of the London suburb of Penge from a quiet, rural hamlet into a bustling railway hub over the course of a century is the focus of this engaging historical study. London's rapid development as a center of international capitalism in the 19th century and the social, economic, and political ramifications of this transformation on surrounding areas is examined. Attention is also given to the ways in which land was used and exploited. More than a quaint local history, this is a dynamic case study that unveils the grassroots impact of urban development.

*Rumpole and the Penge Bungalow Murders* John Mortimer,2005-10-25 The Rumpole renaissance

continues to build, and now the beloved barrister's many followers have a special reason to rejoice: a sensational full-length Rumpole novel that at last relates the oft-mentioned but never revealed story of Rumpole's first case, the Penge Bungalow affair. Looking back half a century into a very different world, Rumpole recalls a man accused of murdering his father and his father's friend with a pistol taken from a dead German pilot. It was this trial and its outcome that put Rumpole on the map and shaped him into the cantankerous defender of justice that readers know and love. This is a must-read for every Rumpole fan and a compelling invitation to new readers.
