A Complete History of American Comic Books Shirrel Rhoades,2008 This book is an updated history of the American comic book by an industry insider. You'll follow the development of comics from the first appearance of the comic book format in the Platinum Age of the 1930s to the creation of the superhero genre in the Golden Age, to the current period, where comics flourish as graphic novels and blockbuster movies. Along the way you will meet the hustlers, hucksters, hacks, and visionaries who made the American comic book what it is today. It's an exciting journey, filled with mutants, changelings, atomized scientists, gamma-ray accidents, and supernaturally empowered heroes and villains who challenge the imagination and spark the secret identities lurking within us.

Canby's Legion Bill Baldwin,2000-10 Commander Gordon Canby and Kapitan Nikolai Kobir - space warriors on either side of a military victory - each wind up on the losing end of the resulting peace. As the victors sink farther and farther into a miasma of corruption, the two old enemies find themselves struggling for their very existence, and Gordon Canby discovers that when you fight for traitors, your enemies may be your only friends.

Directory of Web Sites Graham Bennett,1999 Overloaded with the mass of information on the Internet? Frustrated by how difficult it is to find what you really want? Now you don't need to spend hours browsing around the Internet or grappling with the huge number of hits from an Internet search engine: the Directory of Web Sites will take you straight to the best educational sites on the Internet. From archaeology to zoology, from dance to technology, the Directory provides information more than 5,500 carefully selected Web sites that represent the best of what the Internet has to offer. The sites are grouped by subject; each one features a full description; and the text is complemented throughout by screenshots and fact boxes. As well, sites have been selected purely on educational merit: all sites with overtly commercial content and influence from Internet providers have been excluded.

First Strike Chris Nuttall,2014-09-24 The best defense... Starting a war with an enemy a hundred times stronger is insane. It's desperate. And it's Earth's only hope. A massive alien power looms over humanity, claiming Earth as its territory and humanity as its slaves. The Hegemony has already taken over one colony, yoking hundreds of thousands under their brutal rule. Every tactical exercise, every wargame and every simulation gives humanity zero chance in a defensive campaign. Earth's only chance to win the coming war - is by striking first. "It's honestly brilliant - a space opera tour de force I want to see the next book of." -Glynn Stewart, author of Starship's Mage "A story of alien threats and human resourcefulness that isn't simply a contest of gadgets and ray guns. Nuttall knows the real ingredients of war are from within, greed, treachery, arrogant disdain, devious double crossing and misdirection. Both human and alien." -Mackey Chandler, author of the Family Law and April series

French Foreign Legion Handbook: Strategic and Practical Information IBP USA,2009-03-03

America's "Foreign Legion" Dennis A. Connole,2018-12-28 Immigrant American soldiers played an important, often underrated role in World War I. Those who were non-citizens had no obligation to participate in the war, though many volunteered. Due to language barriers that prevented them from receiving proper training, they were often given the most dangerous and dirty jobs. The impetus for this book was the story of Matthew Guerra (the author's great-uncle). He immigrated to America from Italy around age 12. He was drafted into the U.S. Army in 1918 and shipped to France, where he joined the 58th Infantry Regiment of the 4th Ivy Division and participated in the St. Mihiel and Meuse-Argonne offensives. Wounded in the Bois de Fays, the 22-year-old Guerra died in a field hospital.

Poles Together Don Binkowski,2002-03 Leo Krzycki (1881-1966) was one of the most talented speakers in the union movement, and only John L. Lewis (1880-1969), considered the most skillful orator in the union movement, could surpass him. While he was described as one of the most dramatic men in the American Labor movement, Krzycki has generally been ignored by historians and writers. Today, no one in the labor movement remembers him. There was no one like him, exclaimed Mrs. Mildred Jeffrey. He was a real orator; a very effective speaker who could make rousing speeches bringing people to their feet. Whenever they needed a speaker, they called on Leo. Accordingly, Krzycki has been recognized in every labor who's who since 1925. No labor organizer has made such large contributions to the formation of the Amalgamated Clothing Workers of America (ACWA), the steel workers, the rubber workers, and the auto workers as Krzycki. For over five decades he dedicated himself to securing social justice for the American worker through the union movement as well as the Socialist Party. Krzycki proved to be a premier organizer who met regularly with workers; walked the picket lines; and was arrested on several occasions. Unlike other union leaders who directed strategy from their offices safely ensconced from the battle lines, Krzycki struggled in the trenches, in the front lines, personally leading rank and file workers. A product of Polonia (Latin describing the Polish American community), Krzycki was molded by his Polish American environment. Born in Milwaukee, Krzycki learned early of the brutality inflicted upon striking workers. The story of Grandpa Martin Krzycki's association with the steel workers at the Bay View rolling mills was told many times, of workers beaten and bloodied strikers gathering at Martin's saloon during the strike in 1886 and of 'matkas (mothers)' coming there tearfully seeking word of their sons and husbands, recalled Gene Krzycki. Fired at the age of fifteen while leading a lithographers walkout of teen-age press tenders in Milwaukee, Krzycki was blacklisted two years. Later he began his organizing career on behalf of unions. Initially, he was a member of the Lithographers Union becoming a vice president in the International President Lithographer Press Feeders Union. A founding member of the Amalgamated Clothing Workers of America in 1914, Krzycki enjoyed a life-long, collegial relationship with President Sidney Hillman. Promoted from chief labor organizer to the Executive Board of the Amalgamated in 1922, Krzycki became a vice-president eleven years later. Naming his first son, Eugene, for Eugene Debs and his second son, Victor, for Congressman and socialist leader, Victor Berger, Krzycki joined the Socialist Party in 1908.

Elected twice on the socialist ticket, he served as a Milwaukee alderman and then under sheriff. Running for Congress with Berger, he too was arrested in 1918. He ran again for Congress and also the U.S. Senate on the Socialist ticket. Working with all of the celebrated Socialist leaders of the XXth century, like Debs, Morris Hillquit, Berger, Norman Thomas, Hoan, Oscar Ameringer, Powers Hapgood, Krzycki became a member of the Executive Board and then its national chairman. Gene Krzycki revealed that the closeness of Berger must have felt to my Dad and his family was expressed in the token of gifts like the silver commemorative cup (see photo), a wooden play pen on casters, and tricycle bestowed upon Victor Krzycki. As testimonial of his rhetorical skills, Krzycki joined Thomas and Theodore Debs in a Debs Commemoration Dinner. Using his Polish language skills, Krzycki traveled to the various Polonian centers of clothing workers organizing and resolving strikes. Polish Professor Adam Walaszek documented the many Polish locals of the Amalgamated, which also included Ukrainians and Russians. Often, Krzycki

Alien Legion: Uncivil War Potts Carl, 2015-02-10 They are the scum of the galaxy; the worst of the worst & criminal, killers, the lost, the angry, the desperate. They are the misfits and monsters of Alien Legion, the toughest rammers in the galaxy! And it's their job to put themselves in the line of fire, fight wars for those too weak or too scared to protect themselves. This time, the battle-hardened veterans of the Legion have been dispatched to the Harkilon system, where war has erupted. Their job: to keep the peace and protect the innocent & the great space convoys of civilian ships packed with civilians and refugees. But many of these erstwhile civilians are not what they seem. Some are smugglers and criminals using the civilians to disguise their nefarious activities, and they aren't constrained by rules of engagement that prevent them from using lethal force & unlike the Legionnaires. Very soon, a straightforward peacekeeping mission is a battle for survival for the members of Alien Legion!

The Stellar Legion Leigh Brackett, 2011-11-05 MacIan was a man with a secret, and it had followed him to Venus and the Legion, escape was impossible...ExcerptSilence was on the barracks like a lid clamped over tight-coiled springs. Men in rumpled uniforms-outlanders of the Stellar Legion, space-rats, the scrapings of the Solar System-sweated in the sullen heat of the Venusian swamplands before the rains. Sweated and listened.The metal door clanged open to admit Lehn, the young Venusian Commandant, and every man jerked tautly to his feet. Ian MacIan, the white-haired, space-burned Earthman, alone and hungrily poised for action; Thekla, the swart Martian low-canaler, grinning like a weasel beside Bhak, the hulking strangler from Titan. Every quick nervous glance was riveted on Lehn.The young officer stood silent in the open door, tugging at his fair mustache; to MacIan, watching, he was a trim, clean incongruity in this brutal wilderness of savagery and iron men. Behind him, the eternal mists writhed in a thin curtain over the swamp, stretching for miles beyond the soggy earthworks; through it came the sound every ear had listened to for days, a low, monotonous piping that seemed to ring from the ends of the earth. The Nahali, the six-foot, scarlet-eyed swamp-dwellers, whose touch was weapon enough, praying to their gods for rain. When it came, the hot, torrential downpour of southern Venus, the Nahali would burst in a

scaly tide over the fort. Only a moat of charged water and four electro-cannons stood between the Legion and the horde. If those things failed, it meant two hundred lives burned out, the circle of protective forts broken, the fertile uplands plundered and laid waste. MacIan looked at Lehn's clean, university-bred young face, and wondered cynically if he was strong enough to do his job. Lehn spoke, so abruptly that the men started. I'm calling for volunteers. A reconnaissance in Nahali territory; you know well enough what that means. Three men. Well? Ian MacIan stepped forward, followed instantly by the Martian Thekla. Bhak the Titan hesitated, his queerly bright, blank eyes darting from Thekla to Lehn, and back to MacIan. Then he stepped up, his hairy face twisted in a sly grin. Lehn eyed them, his mouth hard with distaste under his fair mustache. Then he nodded, and said; Report in an hour, light equipment. Turning to go, he added almost as an afterthought, Report to my quarters, MacIan. Immediately. MacIan's bony Celtic face tightened and his blue eyes narrowed with wary distrust. But he followed Lehn, his gaunt, powerful body as ramrod-straight as the Venusian's own, and no eye that watched him go held any friendship.

Legionary: Dark Eagle (Legionary #8) Gordon Doherty, 2020-02-05 What hope has one forgotten soldier of bringing an emperor to justice? Winter, 382 AD. The Gothic War is over. After years of bloodshed, the Eastern Roman Empire and the Goths have struck a deal for peace. Imperial heralds crow about the treaty as if it were a triumph. Feasts and celebrations take place across the Eastern provinces. Every hero of the war is honoured and acclaimed... except one. Tribunus Pavo languishes in exile, haunted by a dark truth: that it was Gratian, Emperor of the West – the most powerful man alive – who caused the war and manipulated its every turn. Tormented by memories of loved ones lost during the great conflict, one word tolls endlessly through Pavo's mind: Justice! But in this great game of empire, justice rarely comes without a grave cost...

Emerging Infectious Diseases Felissa R. Lashley, Jerry D. Durham, 2002 Overuse of antibiotics, ease of global travel and now terrorism are some of the reasons for the alarming increase in new, antibiotic resistant or conquered infectious diseases.

Legion of the Damned William C. Dietz, 1993-08-01 The first novel in William C. Dietz's acclaimed Legion of the Damned series... There is one final choice for the hopeless—the terminally ill, the condemned criminals, the victims who cannot be saved: becoming cyborg soldiers in the Legion. Their human bodies are destroyed and they are reborn as living weapons. But when aliens attack the Empire, the Legion must choose sides.
