*Volunteer with Elephants Bucket List Goals* Ish List Publishing,2019-07-18 No Holes In This Bucket What Writing Your Bucket List Can Be Fun If you're chasing after the bucket list idea, you're going to ask yourself what's the point? A bucket shouldn't be full of impulsive stuff that we pick up as we go along through life. It shouldn't be filled with stuff that others talk and dream about unless it genuinely resonates with your dreams. Chasing others dreams would be similar to having a hole in your bucket. **The F It List** Alexis Winter, 2021-01-28 It started when my hot-as-hell coworker offered to give me my first O. Let me back-up. It actually started when I got dumped at the altar. If I have to see one more sympathetic head tilt from someone asking me how I'm holding up... I might lose it. After some serious self-reflection (and momentarily swearing off men forever) I decided the only way to figure out what I want in life is to make a list. My F It List--A journey to self-discovery and kicking ass! But when Grayson AKA, temptation wrapped in a three-piece-suit, offers to help me cross a few items off the list my plan goes a little... off the rails. Teach me golf? Yes, please. Go camping? Sure! Kiss me in the rain? I would have said no but the moment his soft, full lips melted against mine the word ceased to exist. So here I am trying to keep myself in the friend zone, but with each new memory we make, I feel myself falling and I'm not sure I want to be caught. One thing that wasn't on my list? Having Grayson's baby. Knocking out the big O. Just turned into me getting knocked up. The F It List is a fun, delicious, and steamy friends to lovers romantic comedy that will have you rooting for Cora and Grayson's happily ever after page after page. Filled with some hilarious and heartfelt moments this rom-com won't disappoint. This is book 6 in the Love You Forever Series but can be read completely on its own as a stand-alone.

*My Bucket List Journal* My Bucket List Journal, 2015-07-06 What are you gonna do with your life? Ever had someone say that to you only to have absolutely no response. Do you really know what you want to do before you die? Not many of us do and that is because we have never taken the time to think about it. We are too busy living it. A bucket list journal, diary, notebook or whatever you want to call it forces you to think about it. What do you want to do before you die? You could climb to the top of a mountain, swim with some sea creature, ride a unicorn (o.k. let's keep it realistic) or pretty much anything else you can think of. Just start thinking of 100 things you want on your bucket list. If you get to 101 just buy another one of these books! If you need inspiration watch The Bucket List movie. By writing down your goals of what you want to achieve, it allows you to visualize it and make

it happen. Saying you want to travel to the Amazon jungle someday is a lot less powerful than writing down an exact date you plan on going. Write down what you plan on doing in as much detail as you can. Some bucket list items might be easy to achieve and others will take more planning. As long as what you want to accomplish makes you feel just a bit more whole inside you have nailed it. Let your imagination run wild with what you want to do. Spend some time reflecting on the what if's. What if you got told you were going to die in one year? What are those things you absolutely have to experience before you kick the bucket? If you are ready to take your life in a new direction with the simple act of writing out your goals then scroll up and hit the orange buy button today.

The Kilroys List, Volume Two Annah Feinberg and Gina Young for The Kilroys, 2020-05-19 The Kilroys: We Make Trouble. And Plays. When I look at the list of women and nonbinary writers included in this volume, many of whom I have mentored or taught, it is a beautiful reminder that we are a community to be reckoned with, and that there is an abundance of vital narratives awaiting a larger audience. While there remains a great deal of work to be done to reach racial and gender equity in the theater, the powerful and provocative writing presented here is part of the inciting incident that will no doubt shake up the status quo. —Lynn Nottage, from her Foreword The Kilroys are back with a new collection of 67 monologues and scenes by women and nonbinary playwrights. This collection includes a monologue or scene from each play from the 2016 and 2017 editions of The List.
