Clinical Problem Lists in the Electronic Health Record Adam Wright, 2014-11-24 Edited by a professor at Harvard Medical School who has extensive experience in this field, this important and timely book presents a variety of perspectives on the organization of patient medical records around patient problems, presenting a more effective problem-oriented approach rather than the traditional data-oriented approach. It is comprehensive, covering the history and importance of the electronic health record, the attitudes toward and use of problem lists, strategies to improve the problem list, and applications in practice of the problem list.

DIY Bucket List Molly Burford, 2021-01-12 Do everything you've ever dreamed of-big or small-and start living your best life today with this personalized bucket list planner so you never miss out on the important things in life again. Life is short-and we never know what's going to happen tomorrow, next month, or next year. Now is the perfect time to identify and plan for all the things you've been meaning to do-whether it's spending more time with your grandmother, attending a concert by your favorite band, or climbing Mount Everest. But many of us press the pause button on our dreams because we don't know where to start when it comes to accomplishing them. DIY Bucket List is here to help! DIY Bucket List helps you determine which experiences you don't want to miss in your life and gives you the prompts and tools to plan your adventures, however modest or grand. Inside the planning journal you will find: -Brainstorming prompts to help you discover your values and interests -Checklists for movies, plays, books, achievements, and experiences you don't want to miss -Planning pages to help you plot your own big life adventures with space to reflect on your experiences afterwards turning this book into a keepsake of all you have accomplished So don't spend another minute dreaming about what you're going to "someday" and start working on a plan to make those dreams into reality!
