Implementing Online Union Lists of Serials Ruth C. Carter,James D Hooks,2019-12-06 This book, first published in 1989, is a comprehensive look at PaULS, the Pennsylvania Union List of Serials. The editors, both of whom have extensive experience with online union listing, have collected the previously published articles recording the development and implementation of PaULS; compiled new articles representing updated perspectives; provided the PaULS procedure manual; and included an annotated bibliography of literature about online union listing. Contributors to this fascinating volume describe extensive union listing activities of West Virginia University, a special library, Calgon Corporation, and a regional consortia, the Lehigh Valley Association of Independent Colleges.

Clinical Problem Lists in the Electronic Health Record Adam Wright,2014-11-24 Edited by a professor at Harvard Medical School who has extensive experience in this field, this important and timely book presents a variety of perspectives on the organization of patient medical records around patient problems, presenting a more effective problem-oriented approach rather than the traditional data-oriented approach. It is comprehensive, covering the history and importance of the electronic health record, the attitudes toward and use of problem lists, strategies to improve the problem list, and applications in practice of the problem list.

List of the Lost Morrissey,2015 'Beware the novelist . . . intimate and indiscreet . . . pompous, prophetic airs . . . here is the fact of fiction . . . an American tale where, naturally, evil conquers good, and none live happily ever after, for the complicated pangs of the empty experiences of flesh-and-blood human figures are the reason why nothing can ever be enough. To read a book is to let a root sink down. List of the lost is the reality of what is true battling against what is permitted to be true.' Morrissey Penguin Books is delighted to announce the forthcoming publication of List of the Lost, Morrissey's extraordinary novel, on 24 September. High-octane, ferociously lyrical, List of the Lost shows a side of Morrissey never seen before.
