My To Do List Journal

List of the Lost Morrissey,2015 'Beware the novelist . . . intimate and indiscreet . . . pompous, prophetic airs . . . here is the fact of fiction . . . an American tale where, naturally, evil conquers good, and none live happily ever after, for the complicated pangs of the empty experiences of flesh-and-blood human figures are the reason why nothing can ever be enough. To read a book is to let a root sink down. List of the lost is the reality of what is true battling against what is permitted to be true.' Morrissey Penguin Books is delighted to announce the forthcoming publication of List of the Lost, Morrissey's extraordinary novel, on 24 September. High-octane, ferociously lyrical, List of the Lost shows a side of Morrissey never seen before.

The List Patricia Forde,2018-02-01 ‘You are the Wordsmith now. Are you ready for the challenge?’ The city of Ark is the last safe place on Earth. To make sure humans avoid the mistakes of their past and are able to survive, everyone in Ark must speak List, a language of only 500 words. Everyone, that is, except Letta. As apprentice to the Wordsmith, Letta can read all the words that have ever existed. Words like freedom, music, and even pineapple tell her about a world she’s never known. One day her master disappears and the leaders of Ark tell Letta she is the new Wordsmith and must shorten List to fewer and fewer words. When Letta meets a mysterious boy who somehow knows all the words that have been banned, she’s faced with a dangerous choice: sit idly by and watch language slowly slip away or follow a stranger on a path to freedom ... or banishment.

My Bucket List Journal My Bucket List Journal,2015-07-06 What are you gonna do with your life? Ever had someone say that to you only to have absolutely no response. Do you really know what you want to do before you die? Not many of us do and that is because we have never taken the time to think about it. We are too busy living it. A bucket list journal, diary, notebook or whatever you want to call it forces you to think

about it. What do you want to do before you die? You could climb to the top of a mountain, swim with some sea creature, ride a unicorn (o.k. let's keep it realistic) or pretty much anything else you can think of. Just start thinking of 100 things you want on your bucket list. If you get to 101 just buy another one of these books! If you need inspiration watch The Bucket List movie. By writing down your goals of what you want to achieve, it allows you to visualize it and make it happen. Saying you want to travel to the Amazon jungle someday is a lot less powerful than writing down an exact date you plan on going. Write down what you plan on doing in as much detail as you can. Some bucket list items might be easy to achieve and others will take more planning. As long as what you want to accomplish makes you feel just a bit more whole inside you have nailed it. Let your imagination run wild with what you want to do. Spend some time reflecting on the what if's. What if you got told you were going to die in one year? What are those things you absolutely have to experience before you kick the bucket? If you are ready to take your life in a new direction with the simple act of writing out your goals then scroll up and hit the orange buy button today.
