*Volunteer with Elephants Bucket List Goals* Ish List Publishing, 2019-07-18 No Holes In This Bucket What Writing Your Bucket List Can Be Fun If you're chasing after the bucket list idea, you're going to ask yourself what's the point? A bucket shouldn't be full of impulsive stuff that we pick up as we go along through life. It shouldn't be filled with stuff that others talk and dream about unless it genuinely resonates with your dreams. Chasing others dreams would be similar to having a hole in your bucket. This bucket list journal was designed by me for my adventurous friend who got tired of not having a place to keep all this information. Great idea to help keep track of trips to take and things to see on those trips I've included this information so that you can keep this with you and write down your fun times on trips and travels: Bucket List, Date Completed, What I Want to Do and Thoughts and Reflections to write for each trip This bucket list journal is the one that will match your needs. so go now fill the pages and patch up those bucket list holes Features: 120 prompted fill in your own note pages The perfect journal for your adventures Measures 8.5X11 inches matte

*The Kilroys List, Volume Two* Annah Feinberg and Gina Young for The Kilroys,2020-05-19 The Kilroys: We Make Trouble. And Plays. When I look at the list of women and nonbinary writers included in this volume, many of whom I have mentored or taught, it is a beautiful reminder that we are a community to be reckoned with, and that there is an abundance of vital narratives awaiting a larger audience. While there remains a great deal of work to be done to reach racial and gender equity in the theater, the powerful and provocative writing presented here is part of the inciting incident that will no doubt shake up the status quo. —Lynn Nottage, from her Foreword The Kilroys are back with a new collection of 67 monologues and scenes by women and nonbinary playwrights. This collection includes a monologue or scene from each play from the 2016 and 2017 editions of The List.
