The editors, both of whom have extensive experience with online union listing, have collected the previously published articles recording the development and implementation of PaULS; compiled new articles representing updated perspectives; provided the PaULS procedure manual; and included an annotated bibliography of literature about online union listing. Contributors to this fascinating volume describe extensive union listing activities of West Virginia University, a special library, Calgon Corporation, and a regional consortia, the Lehigh Valley Association of Independent Colleges.

To read a book is to let a root sink down. List of the lost is the reality of what is true battling against what is permitted to be true.' Morrissey Penguin Books is delighted to announce the forthcoming publication of List of the Lost, Morrissey's extraordinary novel, on 24 September. High-octane, ferociously lyrical, List of the Lost shows a side of Morrissey never seen before.
