Effortless Attention Brian Bruya, 2010-04-09 The phenomena of effortless attention and action and the challenges they pose to current cognitive models of attention and action.

Effortless Action Edward Slingerland, 2007-05-24 This book presents a systematic account of the role of the personal spiritual ideal of wu-wei--literally no doing, but better rendered as effortless action--in early Chinese thought. Edward Slingerland's analysis shows that wu-wei represents the most general of a set of conceptual metaphors having to do with a state of effortless ease and unself-consciousness. This concept of effortlessness, he contends, serves as a common ideal for both Daoist and Confucian thinkers. He also argues that this concept contains within itself a conceptual tension that motivates the development of early Chinese thought: the so-called paradox of wu-wei, or the question of how one can consciously try not to try. Methodologically, this book represents a preliminary attempt to apply the contemporary theory of conceptual metaphor to the study of early Chinese thought. Although the focus is upon early China, both the subject matter and methodology have wider implications. The subject of wu-wei is relevant to anyone interested in later East Asian religious thought or in the so-called virtue-ethics tradition in the West. Moreover, the technique of conceptual metaphor analysis--along with the principle of embodied realism upon which it is based--provides an exciting new theoretical framework and methodological tool for the study of comparative thought, comparative religion, intellectual history, and even the humanities in general. Part of the purpose of this work is thus to help introduce scholars in the humanities and social sciences to this methodology, and provide an example of how it may be applied to a particular sub-field.

Gone to Ground John Harvey, 2008 Will's first thought when he saw the man's face: it was like a glove that had been pulled inside out. When police detective, Will Grayson and his partner, Helen Walker, are called upon to investigate the violent death of Stephen Bryan, a gay Cambridge academic, their first thoughts are off an ill-judged sexual encounter, of rough trade gone wrong. But as their investigation widens, their attention focuses on the biography Bryan was writing about the life and death of fifties film star, Stella Leonard, whose death from drowning, when the car she was driving skidded mysteriously off a lonely Fenland road, uncannily echoed the climax of her most notorious film, Shattered Glass. With Bryan's journalist sister egging them on, and bringing herself into mortal danger as she conducts her own investigation, Will and Helen gradually peel away the secrets of a family blighted by a lust for wealth and power and its own perverted sexuality.

Ever So Slightly : the Professional Card Technique of Martin A. Nash Minch, Stephen, Martin A. Nash, 1971

Cold in Hand John Harvey, 2008 Valentine's Day, and a dispute between rival gangs escalates into bloody violence. One teenage girl dead is left dead, another injured, and a police officer is caught in the crossfire. Detective Inspector Charlie Resnick, nearing retirement, is hauled back to the front line to help deal with the fallout.

Cold Light John Harvey, 2002 On the first day of Christmas, a cabbie was bludgeoned by a skinhead, a woman went missing, and a police inspector named Resnick opened a present to himself--the complete works of Billie Holiday. On the second day of Christmas, Lady Day's voice turned even bluer, the missing woman was still missing, and her time was running out.

Easy Meat John Harvey, 2012-02-14 A teenage thug's apparent suicide reveals a vicious cycle of violence: "No one does the British police procedural better" (Manchester Evening News). Nicky Snape likes robbing old people. The fifteen-year-old snatches shirts from stores, purses from his teachers, and as much money as he can lift from his mother. But for an easy score he knows no better target than the elderly. When he sneaks into the home of Eric and Doris Netherfield, his footsteps wake the old couple. With a piece of steel railing he keeps by the bed for protection, Eric attempts to defend his home. He fails. Nicky fights back, battering them both to within an inch of their lives. Nottingham police inspector Charlie Resnick knows Nicky Snape, and doesn't hesitate to arrest him. But what should be the end of the crime is only the beginning, as Snape's arrest sparks a chain reaction of rape, suicide, and murder.

Amphetamines and Pearls John Harvey, 2016-09-13 A private investigator stumbles upon the body of a female singer in this mystery from an author praised by Elmore Leonard for his "clean and simple" prose. When Scott Mitchell loved Candi Carter, her name was just plain Ann. Back then she was a hippie, playing tambourine in some no-name band. Now she's the most famous singer in Britain, and she has plans to conquer America next—but first she needs her old friend's help. And when the famed songbird asks Mitchell to come down to her house in Nottingham, he can't refuse, even though the sound of her voice makes him feel like his heart is breaking all over again. He pulls himself out of an alcoholic haze, takes the train from London, and stumbles right into a murder scene. Mitchell finds Carter dead in her living room, a trickle of blood coming from her mouth and a bullet in her chest. Her body is still warm. But before he can get out of there, he's blackjacked, and when he comes to, he's picked up by a pair of cops who beat him senseless and drag him to the nearest cell. Mitchell is having a hell of a day—and things will only get worse from here. First published in 1976, this is the debut novel of John Harvey, who would go on to create the legendary hardboiled Charlie Resnick Mysteries. Harvey's first crack at transplanting the kind of tough-talking American PI of Raymond Chandler and John D. MacDonald to the United Kingdom works beautifully. Scott Mitchell isn't just the toughest detective in Britain—he's also the best. Amphetamines and Pearls is the 1st book in the Scott Mitchell Mysteries, but you may enjoy reading the series in any order.

Ash & Bone John Harvey, 2006-12-04 In the depths of his Cornish hideaway, retired Detective Inspector Frank Elder's solitary life is disturbed by a call from his ex-wife, telling him his seventeen-year-old daughter, Katherine, is running wild, unbalanced by the abduction and rape he feels he should have prevented. Meanwhile, in the heart of London, the takedown of a violent criminal goes badly, and Detective Sergeant Maddy Birch is uneasy about the reasons why, an uneasiness that is compounded when she starts to believe she is being stalked. Maddy and Frank had a brief and clumsy encounter years before. In Ash & Bone their lives connect again when a second phone call persuades Elder out of retirement, only to find that a cold case has a devastating present-day impact.

The loss is more than they - or their marriage - can bear. But time does heal and slowly Ruth builds a new life for herself. A new husband, Andrew - even a second daughter, Beatrice. The chances that history could repeat itself are next-to-impossible - that is until, years later, a desperate phone call launches DI Will Grayson and his partner, DS Helen Walker, into an investigation which will test their professional and emotional resources to the very limit. Yet as Grayson becomes increasingly obsessed with a recently released child-abuser and Helen is drawn deeper into a destructive love affair with a married colleague, there is a real danger that their most demanding investigation yet will slip fatefully through their hands...

Darkness and Light John Harvey, 2013 A phone call intrudes on retired Detective Inspector Frank Elder's solitary life in Cornwall. It's his estranged wife and she needs a favour. A friend's sister, Claire Meecham, an unassuming widow in her fifties, has gone missing. Elder agrees to return to Nottingham to try and track her down. Then Claire is found, dead. The killer has arranged her body meticulously, almost lovingly, forcing Elder to remember another dead woman, arranged in an almost identical way. It was his first case with the Serious Crimes Unit. His first case and never solved. It's clear to Elder that this is the work of the same unbalanced individual and, to find the killer, Elder must shine a light into the darkest recesses of human behaviour, the dark and twisted recesses of a disturbed human mind.

On her death bed she tells him that years ago she gave birth to a daughter-his daughter-Connie, from whom she has since become estranged. She implores Sloane to find her and make peace between them. Sloane agrees-but when eventually he finds Connie she is locked into a highly charged relationship with Vincent Delaney, a man whom the police believe has killed once and will not hesitate to kill again. Initially rebuffed by Connie, Sloane has to decide whether to walk away or stay and fight for her. As the police dig deeper into Delaney's business affairs and begin to uncover underworld associations, so Sloane comes to understand the depths of violence which bind Connie and Delaney together. And the more Delaney feels cornered and under pressure, the more unpredictable and dangerous he becomes.

Rough Treatment John Harvey,2013 A series of house break-ins that are too neat to be anything but inside jobs; a missing kilo of coke; a thief with some very nasty habits and another with too tender a heart . . . all add up to John Harvey's second complex and fast-paced police procedural featuring Charlie Resnick.

Nick's Blues John Harvey,2009 Four days after Nick Harman's seventh birthday, his father climbed onto a bridge high above four lanes of traffic and threw himself to this death. That was a little over nine years ago. On his sixteenth birthday, his mother gives him a box of things left by his father all those years ago. The contents lead Nick to try and discover what led his father from being a successful blues singer to the point where he took his own life.
