Constitution of the State of Hawaii Government of Hawaii,2022-07-21 The Constitution of the State of Hawaii refers to various legal documents throughout the history of the Hawaiian Islands that defined the fundamental principles of authority and governance within its sphere of jurisdiction. Numerous constitutional documents have been promulgated for the Kingdom of Hawai'i, Republic of Hawai'i, Territory of Hawai'i and State of Hawai'i. The first constitution was drafted by Kamehameha III. Chemical Youth Anita Hardon, 2020-10-13 This open access book explores how young people engage with chemical substances in their everyday lives. It builds upon and supplements a large body of literature on young people's use of drugs and alcohol to highlight the subjectivities and socialities that chemical use enables across diverse socio-cultural settings, illustrating how young people seek to avoid harm, while harnessing the beneficial effects of chemical use. The book is based on multi-sited anthropological research in Southeast Asia, Europe and the US, and presents insights from collaborative and contrasting analysis. Hardon brings new perspectives to debates across drug policy studies, pharmaceutical cultures and regulation, science and technology studies, and youth and precarity in post-industrial societies.
