The Letter of Pero Vaz de Caminha Pero Vaz de Caminha,Ana Maria Plant,Timothy Plant,2011-02-05 When Pedro Álvares Cabral sailed west of the doldrums on his way to India, he discovered Brazil. The year was 1500.

Travelling with him on his flagship was one Pero Vaz de Caminha, a Portuguese civil servant on his way to run a business in Calcutta. His famous letter to the King of Portugal, describing in great detail their brief stay on the Brazilian coastline, was the first report sent back to Europe from the Lusitanian New World. It is thus the living testimony of a remarkable moment in a truly remarkable age ... the Age of Discovery.

Motivational Interviewing with Adolescents and Young Adults Sylvie Naar,Mariann Suarez,2021-08-16 The significantly revised second edition of this unique practitioner guide features 65% new material and a new organizing structure. The authors show how to use motivational interviewing (MI) to have productive conversations about behavior change with adolescents and young adults in any clinical context. Noted for its clarity, the book includes extended case examples, sample dialogues, quick-reference tables, and dos and don'ts. It provides vital tools for helping young people open up about their struggles, explore alternatives, and make healthier choices around such concerns as substance use, smoking, anxiety, medication adherence, and obesity. New to This Edition *More integrative and cohesive: every chapter weaves in diverse clinical issues, replacing the prior edition's population-specific chapters. *Chapters on MI in groups and involving caregivers in treatment. *Restructured around the current four-process model of MI, and proposes maintenance of change as a fifth process. *Incorporates the rapidly growing research base on MI with youth. *Reflects the ongoing refinement of the authors' training approach; includes skill-building activities at the end of each chapter. This book is in the Applications of Motivational Interviewing series, edited by Stephen Rollnick, William R. Miller, and Theresa B. Moyers.

Czas polityczny po rewolucji Piotr Borowiec, Podstawowym celem książki jest opisanie czasu politycznego w świadomości społecznej, jego cech oraz różnych orientacji temporalnych wytworzonych i wykorzystywanych w dyskursie politycznym przez polskie elity symboliczne po 1989 roku. Zadaniem autora było także wyjaśnienie sposobów „wykorzystania” kategorii czasowych do tworzenia ówczesnej rzeczywistości politycznej czy też funkcjonowania społeczeństwa z wykorzystaniem kategorii temporalnych. (...) Główna tematyka pracy koncentruje się wokół kilku podstawowych pojęć, które określają badaną rzeczywistość: zmiany społecznej, czasu społecznego, elit symbolicznych oraz wykorzystania przez nie kategorii temporalnych do zbudowania uprzywilejowanych w dyskursie politycznym reprezentacji społecznych. Wynika z tego podstawowa teza niniejszej pracy. Głosi ona, że kategorie temporalne służyły polskim elitom symbolicznym do „kontrolowania” rzeczywistości poprzez instrumentalne działania zmniejszania lub zwiększania w społeczeństwie poczucia społecznego lęku. Manipulacje były niekiedy najbardziej skuteczną metodą tworzenia dominacji politycznej poprzez narzucanie ówczesnej sytuacji politycznej własnej definicji temporalnej. Z Wprowadzenia Opublikowanie tej pracy będzie wydarzeniem w polskiej literaturze politologicznej, która jak dotąd prawie całkowicie pomijała analizę temporalną i z tego powodu była uboższa zarówno pod względem merytorycznym, jak i warsztatowym. Na tym polu polska politologia ustępowała nie tylko nauce filozoficznej, ale także socjologii, która znacznie wcześniej zastosowała metodę temporalną do wyjaśnienia czy chociażby zrozumienia zjawisk i procesów społecznych, w tym także politycznych. Autor ukazuje istotę i rolę czasu w ujęciu filozoficznym i socjologicznym, jak również wskazuje – głównie na konkretnym przykładzie analizy „zmiany społecznej” – na rolę kategorii temporalnych w tym procesie, a ponadto na sposoby wykorzystania „czasu społecznego” przez elity symboliczne do kontrolowania społeczeństwa. Uczynienie „zmiany społecznej” głównym przedmiotem analizy było przedsięwzięciem ze wszech miar uzasadnionym, bowiem „zmiana” zawsze następuje w czasie i nie można tego elementu z niej wykluczyć. Z recenzji prof. zw. dr. hab. Zbigniewa Bloka

Chronographia Michael Psellus,E. R. A. Sewter,2023-03 It is a history of the Byzantine emperors during the century leading up to Psellos' own time. It covers the reigns of fourteen emperors and empresses, beginning with the almost 50-year-long reign of Basil II, the Bulgar-Slayer (976-1025), and ending some time during the reign of Michael VII Doukas (1071-1078).

Storia della Chiesa Ortodossa Tawāhedo d'Etiopia Alberto Elli,2017-11-10T00:00:00+01:00 L'Etiopia, uno degli Stati più antichi al mondo, è l'unico dell'Africa subsahariana senza una significativa storia coloniale e nel quale la religione cristiana sia riuscita a conservarsi indipendente dal dominio musulmano. La sua Chiesa è la prima che si instaura e diffonde il messaggio di Cristo in una terra dell'Africa nera. Non solo, essa non è il risultato dell'opera missionaria europea, ma nasce e fiorisce ben prima di tante cristianità “occidentali”. Pur essendo una delle maggiori tra le Chiese ortodosse orientali, la Chiesa etiopica è ben poco conosciuta in Italia. Quest'opera monumentale in 2 tomi, frutto di anni di ricerca e di studio, vuole essere pertanto un contributo a far conoscere a un pubblico più vasto la ricchezza della storia e della spiritualità della Chiesa etiopica, dalle sue origini nella prima metà del IV secolo fino ai primi anni di questo XXI secolo. E non si tratta soltanto della storia della Chiesa, ma anche della storia dell'Etiopia, come Stato e come civiltà, visto il legame inscindibile che, fino a pochi decenni fa, ha sempre unito Chiesa e Stato in quel remoto angolo del Corno d'Africa, sì da fare del cristianesimo l'anima del popolo e il motore della sua storia.

Wpływ kobiet na politykę państwa Emilia Drewniak,2015-12-01 Obecność kobiet w polityce demokratycznego państwa odgrywa kluczową rolę w kształtowaniu świadomości społeczno-narodowej, idiomu kulturowego oraz legislacji zapewniającej pełną jedność i równość obywateli, w tym przede wszystkim spychanych na margines kobiet. W ostatnich latach, Polska i Hiszpania przeszły szereg znaczących zmian w zakresie zwiększenia i utrzymania odpowiedniej obecności kobiet w obszarze polityki, która obejmuje wiele istotnych kwestii. Ogromna część tych zmian wynika z członkostwa w Unii Europejskiej, która prowadzi politykę równości płci mającą na celu wdrożenie i rozwinięcie polityki krajowej każdego państwa członkowskiego o aspekty równouprawnienia oraz antydyskryminacji. Mimo negatywnych opinii wobec europejskiej polityki równości płci, różnic pomiędzy danymi państwami oraz oporu w realizacji jej prawa, zamierzam udowodnić, iż polityka ta niewątpliwie wpłynęła na pozycję i sytuację kobiet w omawianych krajach. Udowadniając powyższą tezę, przedstawiłam proces oraz wydarzenia historyczno-społeczne Polski i Hiszpanii zmierzające ku demokracji oraz scharakteryzowałam wybrane postaci kobiece, ich działania i walkę w dążeniu do osiągnięcia pełni praw i wolności. Przedstawiłam i zanalizowałam również założenia polityki równości kobiet i mężczyzn prowadzonej przez Unię Europejską. W pierwszym rozdziale została opisana i zanalizowana sytuacja kobiet w demokratycznej Polsce. Opisując poszczególne wydarzenia historyczne, począwszy od okresu międzywojennego, a skończywszy na czasach obecnych, przedstawiłam rolę i udział zasłużonych postaci kobiecych w działaniach oraz dążeniach do ustanowienia państwa demokratycznego. Ponadto, rozdział ten zawiera dokładną charakterystykę oraz chronologiczny opis poszczególnych kwestii kobiecych, o jakie od lat zabiegały kobiety. Należą do nich: prawo do aborcji, wykorzenienie zjawiska przemocy wobec kobiet oraz równość w obszarze polityki państwa i ekonomii. W drugim rozdziale została opisana i zanalizowana sytuacja kobiet w demokratycznej Hiszpanii. Struktura tego rozdziału jest analogiczna do poprzedniego. Rozważania dotyczące Hiszpanii zaczęłam od scharakteryzowania przebiegu jej historii, opisując sytuację kraju we wczesnych latach XX wieku, kończąc na czasach obecnych.

Opisując poszczególne wydarzenia historyczne, przedstawiłam rolę i udział kobiet hiszpańskich w walce o demokrację i o należne im prawa z niej wynikające. Rozdział ten zawiera także dokładną charakterystykę oraz chronologiczny opis sytuacji oraz walki Hiszpanek o prawo do aborcji, wyeliminowanie zjawiska przemocy wobec kobiet oraz równości kobiet i mężczyzn na płaszczyźnie polityki państwa oraz ekonomii. Trzeci i ostatni rozdział został poświęcony analizie porównawczej obu krajów. Zawiera on krótką charakterystykę oraz zestawienie Polski i Hiszpanii pod względem różnic oraz podobieństw. Porównanie obu państw przebiegało pod kątem historycznym, społecznym, politycznym oraz kulturowym.

Dam and Levee Safety and Community Resilience National Research Council, Division on Earth and Life Studies, Board on Earth Sciences and Resources, Committee on Geological and Geotechnical Engineering, Committee on Integrating Dam and Levee Safety and Community Resilience, 2012-09-11 Although advances in engineering can reduce the risk of dam and levee failure, some failures will still occur. Such events cause impacts on social and physical infrastructure that extend far beyond the flood zone. Broadening dam and levee safety programs to consider community- and regional-level priorities in decision making can help reduce the risk of, and increase community resilience to, potential dam and levee failures. Collaboration between dam and levee safety professionals at all levels, persons and property owners at direct risk, members of the wider economy, and the social and environmental networks in a community would allow all stakeholders to understand risks, shared needs, and opportunities, and make more informed decisions related to dam and levee infrastructure and community resilience. *Dam and Levee Safety and Community Resilience: A Vision for Future Practice* explains that fundamental shifts in safety culture will be necessary to integrate the concepts of resilience into dam and levee safety programs.

Acta philologica ,2009

O poeta do exílio Marisa Lajolo, 2011 Pedro e Júlia estavam animados. Sua banda era finalista do festival estudantil Vozes de Classe. O regulamento exigia que as músicas se inspirassem em poetas brasileiros. Cada banda interpretou essa exigência à sua maneira. Precisavam agora animar a torcida. Os jovens criam cartazes, lançam torpedos, folhetos, entre outros. E precisam também reunir informações sobre Gonçalves Dias, o autor do poema que deu origem à música classificada. Então, Pedro teve a ideia de criar um blog especial. Nasceu assim o BlogDoDias. Ali cabia tudo o que se relacionasse a Gonçalves Dias - poemas, cartas, artigos de jornal, documentos da época do poeta. O blog agitou a galera e acabou se transformando em um completo dossiê sobre o poeta. No meio de todo esse agito, Pedro e Júlia pensam em namoro. (FTD Educação)

Building Motivational Interviewing Skills David B. Rosengren, 2012-09-26 Developing expertise in motivational interviewing (MI) takes practice, which is exactly the point of this engaging, user-friendly workbook. The volume is packed with real-world examples from a range of clinical settings, as well as sample interactions and hands-on learning activities. The author is an experienced MI researcher, clinician, and trainer who facilitates learning with quizzes, experiential exercises, and reproducible worksheets. The reader learns step by step how to practice core MI skills: raising the importance of behavior change, fostering the client's confidence, resolving ambivalence, solidifying commitment to change, and negotiating a change plan. The utility of the book is enhanced by the large-size format and lay-flat binding. The book shows how to navigate each session using microskills that many clinicians already know: open-ended questions, affirmations, reflective listening, and summaries, or OARS for short. This book is in the Applications of Motivational Interviewing series.

Ignite the flame of optimism with *Crafted by is motivational masterpiece*, Find Positivity in **Manuelem.htm** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
