James Francis Rochlin

Subcomandante Marcos Nick Henck,2019-10-15 The unexpected insurrection of the Zapatista Army of National Liberation in 1994 toppled the notion that the triumph of neoliberalism represented the end of history. In the clamor that followed, a masked, pipe-smoking horseman appeared as the spokesperson for the indigenous rebels. In this book, Nick Henck provides a concise and accessible overview of the life, thought, and achievements of the professor-turned-guerrilla Subcomandante Marcos. Through his academic exodus and immersion in the indigenous communities of the Lacandon jungle, to his participation in a guerilla army, to his eloquent articulation of the struggles of oppressed peoples around the world, Marcos became a revered and inspiring enigma. Henck explores Marcos's considerable accomplishments in four main fields: his role as spokesperson for the Zapatistas; his contribution to Latin American literature and a new political language for the left; his work in making Mexico a more democratic, inclusive, and just nation; and his role as an inspirational international political icon. Published for the twenty-fifth anniversary of the Zapatista uprising, this book is not just a biography but also a reminder that there are alternative ways of doing politics: that another world is possible.

Subcommander Marcos Nick Henck,2007-07-09 Subcommander Marcos made his debut on the world stage on January 1, 1994, the day the North American Free Trade Agreement took effect. At dawn, from a town-hall balcony he announced that the Zapatista Army of National Liberation had seized several towns in the Mexican state of Chiapas in rebellion against the government; by sunset Marcos was on his way to becoming the most famous guerrilla leader since Che Guevara. Subsequently, through a succession of interviews, communiqués, and public spectacles, the Subcommander emerged as a charismatic spokesperson for the indigenous Zapatista uprising and a rallying figure in the international anti-globalization movement. In this, the first English-language biography of Subcommander Marcos, Nick Henck describes the thought, leadership, and personality of this charismatic rebel spokesperson. He traces Marcos's development from his provincial middle-class upbringing, through his academic career and immersion in the clandestine world of armed guerrillas, to his emergence as the iconic Subcommander. Henck reflects on what motivated an urbane university professor to reject a life of comfort in Mexico City in favor of one of hardship as a guerrilla in the mountainous jungles of Chiapas, and he examines how Marcos became a conduit through which impoverished indigenous Mexicans could communicate with the world. Henck fully explores both the rebel leader's renowned media savvy and his equally important flexibility of mind. He shows how Marcos's speeches and extensive writings demonstrate not only the Subcommander's erudition but also his rejection of Marxist dogmatism. Finally, Henck contextualizes Marcos, locating him firmly within the Latin American guerrilla tradition.

Encyclopedia of the World's Minorities Carl Skutsch,2013-11-07 This study of minorities involves the difficult issues of rights, justice, equality, dignity, identity, autonomy, political liberties, and cultural freedoms. The A-Z Encyclopedia presents the facts, arguments, and areas of contention in over 560 entries in a clear, objective manner. For a full list of entries, contributors, and more, visit the Encyclopedia of the World's Minorities website.

The Debate over Corporate Social Responsibility Steven K. May,George Cheney,Juliet Roper,2007-04-19 Should business strive to be socially responsible, and if so, how? The Debate over Corporate Social Responsibility updates and broadens the discussion of these questions by bringing together in one volume a variety of practical and theoretical perspectives on corporate social responsibility. It is perhaps the single most comprehensive volume available on the question of just how social business ought to be. The volume includes contributions from the fields of communication, business, law, sociology, political science, economics, accounting, and environmental studies. Moreover, it draws from experiences and examples from around the world, including but not limited to recent corporate scandals and controversies in the U.S. and Europe. A number of the chapters examine closely the basic assumptions underlying the philosophy of socially responsible business. Other chapters speak to the practical challenges and possibilities for corporate social responsibility in the twenty-first century. One of the most distinctive features of the book is its coverage of the very ways that the issue of corporate social responsibility has been defined, shaped, and discussed in the past four decades. That is, the editors and many of the authors are attuned to the persuasive strategies and formulations used to talk about socially responsible business, and demonstrate why the talk matters. For example, the book offers a careful analysis of how certain values have become associated with the business enterprise and how particular economic and political positions have been established by and for business. This book will be of great interest to scholars, business leaders, graduate students, and others interested in the contours of the debate over what role large-scale corporate commerce should take in the future of the industrialized world.

The Zapatistas' Dignified Rage Subcomandante Insurgente Marcos,2018-02-06 Zapatista spokesman Subcommander Marcos decreased his public appearances between 2007 and 2014, but simultaneously increased the depth of his analysis. Collected here in English translation for the first time, these talks include some of his most explicit, detailed, and inspiring criticisms of capitalism, political parties, electoral democracy, disingenuous solidarity, and much more. Subcommander Marcos was the leading spokesperson for the Zapatista Army of National Liberation (EZLN) until 2014. Nick Henck is Associate Professor at Keio University and the author of *Subcommander Marcos: The Man and the Mask*. Henry Gales is a freelance translator living in Mexico City.

A Bibliography for Juan Ruiz's LIBRO DE BUEN AMOR: Second Edition Mary-Anne Vetterling,2018-04-30 This is an extensive listing of almost everything published about the fourteenth century Spanish Libro de buen amor by Juan Ruiz, Archpriest of Hita. It is essentially the same as the online bibliography at <http://my-lba.com> but it also contains a history of this project starting in the 1970's and a listing of other bibliographies on this work of literature. In addition, it can be used in conjunction with the e-book version (which has a search engine) *A Bibliography for the Book of Good Love, Third Edition* found at Lulu.com.

At Home on an Unruly Planet Madeline Ostrander,2022-08-02 One of Kirkus Reviews' 100 Best Nonfiction Books of 2022 A gold Nautilus Book Award winner, Ecology & Environment From rural Alaska to coastal Florida, a vivid account of Americans working to protect the places they call home in an era of climate crisis How do we find a sense of home and rootedness in a time of unprecedented upheaval? What happens when the seasons and rhythms in which we have built our lives go off-kilter? Once a distant forecast, climate change is now reaching into the familiar, threatening our basic safety and forcing us to reexamine who we are and how we live. In *At Home on an Unruly Planet*, science journalist Madeline Ostrander reflects on this crisis not as an abstract scientific or political problem but as a palpable force that is now affecting all of us at home. She offers vivid accounts of people fighting to protect places they love from increasingly dangerous circumstances. A firefighter works to rebuild her town after catastrophic western wildfires. A Florida preservationist strives to protect one of North America's most historic cities from rising seas. An urban farmer struggles to transform a California city plagued by fossil fuel disasters. An Alaskan community heads for higher ground as its land erodes. Ostrander pairs deeply reported stories of hard-won optimism with lyrical essays on the strengths we need in an era of crisis. The book is required reading for anyone who wants to make a home in the twenty-first century.

The Realist Tradition in International Relations Barry Scott Zellen,2011-08-19 This comprehensive foundation for the study of realism will introduce students in disciplines as varied as philosophy, international relations, and strategic studies to the majestic breadth of the realist tradition that unifies them all. *The Realist Tradition in International Relations: The Foundations of Western Order* introduces the principal theorists who have shaped and defined the realist tradition. This once-dominant theory of international politics has reemerged to provide a shared foundation for understanding political theory, international relations theory, and strategic studies. The work is comprised of four volumes, each focusing upon a distinct period and the pivotal contributors writing in that era. Volume 1, *State of Hope*, looks at the classical era when chaos reigned supreme. Volume 2, *State of Fear*, goes through the early-modern period and the emergence of the modern state. Volume 3, *State of Awe*, explores the age of total war with its unprecedented dangers. Volume

4, *State of Siege*, examines the present era of insurgency and asymmetrical conflict. A truly monumental work, this sweeping study will surely foster a new appreciation of the rich tapestry of realist thought and its continuing relevance to the study of world politics.

The Postcolonial and the Global Revathi Krishnaswamy, John Charles Hawley, This interdisciplinary work brings the humanities and social sciences into dialogue by examining issues such as globalized capital, discourses of antiterrorism, and identity politics. Essayists from the fields of postcolonial studies and globalization theory address the ethical and pragmatic ramifications of opposing interpretations of these issues and, for the first time, seek common ground. Contributors: Pal Ahluwalia, U of California, San Diego; Arjun Appadurai, New School U; Geoffrey Bowker, Santa Clara U; Timothy Brennan, U of Minnesota; Ruth Buchanan, U of British Columbia; Verity Burgmann, U of Melbourne; Pheng Cheah, U of California, Berkeley; Inderpal Grewal, U of California, Irvine; Ramon Grosfoguel, U of California, Berkeley; Barbara Harlow, U of Texas, Austin; Anouar Majid, U of New England; John McMurtry, U of Guelph; Walter D. Mignolo, Duke U; Sundhya Pahuja, U of Melbourne; R. Radhakrishnan, U of California, Irvine; Ileana Rodriguez, Ohio State U; E. San Juan, Philippine Forum, New York; Saskia Sassen, U of Chicago; Ella Shohat, New York U; Leslie Sklair, London School of Economics; Robert Stam, New York U; Madina Tlostanova, Russian Peoples' Friendship U; Harish Trivedi, U of Delhi. Revathi Krishnaswamy is associate professor of English at San Jose State University. John C. Hawley is professor and chair of English at Santa Clara University.

Vanguard Revolutionaries in Latin America James Francis Rochlin, 2003 Mostly sidestepping the issues of why people rebel, Rochlin (political science, Okanagan U. College, Canada) here focuses on how people rebel, examining how strategy and power condition successes, failures, and longevity of Latin American guerilla groups. Four case studies examine Peru's Sendero Luminoso, Colombia's FARC and ELN, and Mexico's Zapatista movement. Two chapters are provided for each group, with the first examining origins, ideologies, and support bases, while the second looks at the rebels in relation to power, strategy, and national security (presumably from the viewpoint of government elites). The Great American Mosaic [4 volumes] Gary Y. Okihiro, Lionel C. Bascom, James E. Seelye Jr., Emily Moberg Robinson, Guadalupe Compeán, 2014-09-30 Firsthand sources are brought together to illuminate the diversity of American history in a unique way—by sharing the perspectives of people of color who participated in landmark events. This invaluable, four-volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic, illustrating the experiences of racial and ethnic minorities in the United States. Each volume focuses on a major racial/ethnic group: African Americans, American Indians, Asian Americans and Pacific Islanders, and Latinos. Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary. The collection includes eyewitness accounts, legislation, speeches, and interviews. Together, they tell the story of America's diverse population and enable readers to explore historical concepts and contexts from multiple viewpoints. Introductions for each volume and primary document provide background and history that help students understand and critique the material. The work also features a useful primary document guide, bibliographies, and indices to aid teachers, librarians, and students in class work and research.

The Life and Times of Marco Polo Susan Zannos, 2005-03 Marco Polo, the first European to travel to China and return to write about his adventures, was born in Venice in 1254. Marco's father had left on a journey to Asia before the boy was born. Marco did not see his father and uncle, Niccolo and Maffeo Polo, until fifteen years later. In 1271 the three Polos left Venice and headed for the court of Kublai Khan in eastern China. The journey took them more than three years—they arrived in 1275. Marco Polo became a favorite of the Great Khan, and was sent on important missions all over the Mongol Empire. Marco and his father and uncle served Kublai Khan for 17 years. When they returned to Venice in 1295, Marco became the captain of a merchant ship and was captured and imprisoned in Genoa. While in prison he and another prisoner who was a writer of romances wrote the story of Marco Polo's adventures.

Advances in Financial Machine Learning Marcos Lopez de Prado, 2018-01-23 Machine learning (ML) is changing virtually every aspect of our lives. Today ML algorithms accomplish tasks that until recently only expert humans could perform. As it relates to finance, this is the most exciting time to adopt a disruptive technology that will transform how everyone invests for generations. Readers will learn how to structure Big data in a way that is amenable to ML algorithms; how to conduct research with ML algorithms on that data; how to use supercomputing methods; how to backtest your discoveries while avoiding false positives. The book addresses real-life problems faced by practitioners on a daily basis, and explains scientifically sound solutions using math, supported by code and examples. Readers become active users who can test the proposed solutions in their particular setting. Written by a recognized expert and portfolio manager, this book will equip investment professionals with the groundbreaking tools needed to succeed in modern finance.

Resisting Ethics S. Schaffer, 2004-09-03 Resisting Ethics is a new contribution to an ongoing debate on how the world can be improved. Starting with the notion that resistance and ethics are theoretically and practically intertwined, Schaffer develops a new socially oriented ethics based on the practical experience of resistance and ethics. Borrowing from and extending the ideas of Sartre, Merleau-Ponty and Bourdieu, and using case studies of the Algerian Revolution and the Zapatista rebellion, Schaffer argues that existentialism can give us new insights into how we can and should act ethically in the world. Resisting Ethics is a wide-ranging work and represents a new kind of intervention into issues of social justice and resistance.

USA Trade World, 1995

Regulatory Governance in the Pesticide Sector in Mexico OECD, 2021-09-22 A clear, efficient, and modern regulatory framework for pesticides is essential for addressing their impacts on human health and the environment, supporting a life-cycle approach to their management, and ensuring crop protection and a sustainable agricultural industry. This report identifies the gaps, barriers, implementation flaws and inefficiencies that affect the regulatory framework of pesticides in Mexico.

The Great Gold Swindle: Yamashita's Gold Phoenix Powers,

e-Research y español LE/L2 Mar Cruz Piñol, 2021-05-03 e-Research y español LE/L2: Investigar en la era digital es el primer volumen que aborda de manera conjunta las aportaciones al español LE/L2 de la lingüística de corpus, la biblioteconomía y la edición digital. Es excelente para mejorar las técnicas de investigación a la vez que se toma conciencia sobre el uso de las tecnologías en los estudios sobre el español LE/L2. Características principales: visión interdisciplinar e internacional a partir del trabajo de expertos que ejercen su actividad docente, investigadora y profesional en diferentes ámbitos y en distintos países; planteamiento teórico-práctico mediante la exposición de una reflexión teórica y la descripción de casos prácticos; sólido marco teórico que se presenta en los dos primeros capítulos; estructura homogénea dividida en útiles apartados (necesidades, cómo ayudan las tecnologías y casos concretos) para que el lector pueda localizar los contenidos con facilidad; lectura del volumen que puede ser lineal (capítulo tras capítulo) o transversal (por ejemplo, los casos prácticos que se presentan en cada capítulo); materiales complementarios en línea, como, por ejemplo, glosario hipertextual y enlaces a los corpus y programas mencionados en los capítulos. Escrito en español, de manera clara y accesible, y con abundantes ejemplos e ilustraciones, e-Research y español LE/L2: Investigar en la era digital es ideal para todas aquellas personas vinculadas con la investigación en torno al español LE/L2: estudiantes de máster y doctorado, directores de tesis (PhD o máster) y profesores. e-Research y español LE/L2: Investigar en la era digital is the first volume that jointly addresses the contributions of corpus linguistics, librarianship and digital publishing to Spanish as a second or foreign language (LE/L2). It is excellent for improving research techniques while raising awareness about the use of technologies in studies of Spanish LE/L2. Main features: interdisciplinary and international vision based on the work of experts who carry out their teaching, research and professional activities in different fields and in different countries; theoretical-practical approach through the presentation of a theoretical reflection and the

description of practical cases; solid theoretical framework which is presented in the first two chapters; each chapter is divided into three useful sections (needs, how technologies help, and specific cases) so that the reader can easily locate the contents; reading can be linear (chapter by chapter) or transversal (for example, the practical cases presented in each chapter); supplementary online materials include a hypertext glossary and links to the corpus and programs mentioned in the chapters. Written in Spanish, in a clear and accessible way, and with abundant examples and illustrations, e-Research y español LE/L2: Investigar en la era digital is ideal for all those involved in research on Spanish LE/L2, master's and doctoral students, thesis supervisors and professors.

Handbook of Philosophical Logic Dov M. Gabbay, Franz Guenther, 2007-08-28 The fourteenth volume of the Second Edition covers central topics in philosophical logic that have been studied for thousands of years, since Aristotle: Inconsistency, Causality, Conditionals, and Quantifiers. These topics are central in many applications of logic in central disciplines and this book is indispensable to any advanced student or researcher using logic in these areas. The chapters are comprehensive and written by major figures in the field.

The Politics of Legislative Debates Hanna Back, Marc Debus, Jorge M. Fernandes, 2021-10-07 Legislative debates make democracy and representation work. Political actors engage in legislative debates to make their voice heard to voters. Parties use debates to shore up their brand. This book makes the most comprehensive study of legislative debates thus far, looking at the politics of legislative debates in 33 liberal democracies in Europe, North America and Latin America, Africa, Asia, and Oceania. The book begins with theoretical chapters focused on the key concepts in the study of legislative debates. Michael Laver, Slapin and Proksch, and Taylor examine the politics of legislative debates in parliamentary and presidential democracies. Subsequently, Goplerud makes a critical review of the methodological challenges in the study of legislative debates. Schwalbach and Rauh further discuss the difficulties in the comparative empirical study of debates. Country-chapters offer a wealth of original material organized around structured sections. Each chapter begins with a details discussion of the institutional design, focusing on the electoral system, legislative organization, and party parties, to which a section on the formal and informal rules of legislative debates ensues. Next, each country chapter focuses on analyzing the determinants of floor access, with a particular emphasis on the role of gender, seniority, legislative party positions, among others. In the concluding chapter, the editors explore comparative patterns and point out to multiple research avenues opened by this edited volume. The Oxford Politics of Institutions series is designed to provide in-depth coverage of research on a specific political institution. Each volume includes a mix of theoretical contributions, state-of-the-art research review chapters, comparative empirical chapters, country case study chapters, and chapters aimed at practitioners. Typically, the majority of chapters in each volume comprises of country studies written by country experts. Volumes in the series are aimed at political scientists, students in political science programmes, social scientists more generally, and policy practitioners. Series editors: Shane Martin, Anthony King Chair in Comparative Government and Head of the Department of Government, University of Essex; and Sona N. Golder, Professor of Politics, Department of Political Science, Pennsylvania State University.
