Food and Agriculture Organization of the United Nations

*Pushing in Silence* Isabel M. Córdova,2017-12-20 As Puerto Rico rapidly industrialized from the late 1940s until the 1970s, the social, political, and economic landscape changed profoundly. In the realm of health care, the development of medical education, new medical technologies, and a new faith in science radically redefined childbirth and its practice. What had traditionally been a home-based, family-oriented process, assisted by women and midwives and accomplished by mothers, became a medicalized, hospital-based procedure, accomplished and directed by biomedical, predominantly male, practitioners, and, ultimately reconfigured, after the 1980s, into a technocratic model of childbirth, driven by doctors' fears of malpractice suits and hospitals' corporate concerns. *Pushing in Silence* charts the medicalization of childbirth in Puerto Rico and demonstrates how biomedicine is culturally constructed within regional and historical contexts. Prior to 1950, registered midwives on the island outnumbered registered doctors by two to one, and they attended well over half of all deliveries. Isabel M. Córdova traces how, over the next quarter-century, midwifery almost completely disappeared as state programs led by scientifically trained experts and organized by bureaucratic institutions restructured and formalized birthing practices. Only after cesarean rates skyrocketed in the 1980s and 1990s did midwifery make a modest return through the practices of five newly trained midwives. This history, which mirrors similar patterns in the United States and elsewhere, adds an important new chapter to the development of medicine and technology in Latin America.

**Forse che sì forse che no** Gabriele D'Annunzio,1952

**The Ocean Challenge Badge** Food and Agriculture Organization of the United Nations,2018-05-08 The ocean covers 70 percent of the Earth's surface, and is essential for life on our planet – even for those of us who live nowhere near the sea! It provides us all with food and other materials that we need, regulates our climate and provides half of the oxygen we breathe. The ocean also offers us various means of transport and opportunities for recreation. People have long thought that the ocean was so wide and bountiful that it would go on supplying our needs forever, but this is not the case: human activities are causing significant damage to life in the ocean. People are often unaware of the problems created by this heavy reliance, as few of us have the opportunity to look beneath the surface of the sea and see the damage that our actions have caused. This is where the Ocean Challenge Badge comes in: let it take you on a journey to discover the ocean! It is packed with activities to help you learn about how the ocean works, the creatures that live in it, and just how important it is in our everyday lives. You will also discover how YOU can play a role in protecting our ocean for future generations. We hope you will be inspired to take the challenge and celebrate our ocean. So dive in and begin your aquatic discoveries!

**Biomedicalization** Adele E. Clarke,Laura Mamo,Jennifer Ruth Fosket,Jennifer R. Fishman,Janet K. Shim,2010-08-31 The rise of Western scientific medicine fully established the medical sector of the U.S. political economy by the end of the Second World War, the first “social transformation of American medicine.” Then, in an ongoing process called medicalization, the jurisdiction of medicine began expanding, redefining certain areas once deemed moral, social, or legal problems (such as alcoholism, drug addiction, and obesity) as medical problems. The editors of this important collection argue that since the mid-1980s, dramatic, and especially technoscientific, changes in the constitution, organization, and practices of contemporary biomedicine have coalesced into biomedicalization, the second major transformation of American medicine. This volume offers in-depth analyses and case studies along with the groundbreaking essay in which the editors first elaborated their theory of biomedicalization. Contributors. Natalie Boero, Adele E. Clarke, Jennifer R. Fishman, Jennifer Ruth Fosket, Kelly Joyce, Jonathan Kahn, Laura Mamo, Jackie Orr, Elianne Riska, Janet K. Shim, Sara Shostak

**Coelum astronomico-poeticum** Reinhard Klockow,2018-12-17 Der Schwerpunkt des Kommentars zu Philipp von Zesens *Coelum astronomico-poeticum* (1662) liegt auf dem Nachweis der über 3000 Zitate und Verweise. Dabei werden nicht nur die Stellen dokumentiert, auf die der Text verweist, sondern auch die Quellen, aus denen Zesen jeweils schöpft. Auf diese Weise entsteht ein exemplarisches Bild der kompilatorischen Arbeitstechnik, die charakteristisch für einen großen Teil der gelehrten Literatur jener Zeit ist.

**La città, il viaggio, il turismo** Gemma Belli,Francesca Capano,Maria Ines Pascariello,2018-11-06 [English]:The city as a destination of the journey in his long evolution throughout history: a basic human need, an event aimed at knowledge, to education, to business and trade, military and religious conquests, but also related to redundancies for the achievement of mere physical or spiritual salvation. In the frame of one of the world's most celebrated historical city, the cradle of Greek antiquity, myth and beauty, travel timeless destination for culture and leisure, and today, more than ever, strongly tending to the conservation and development of their own identity, this collection of essays aims to provide, in the tradition of AISU studies, a further opportunity for reflection and exchange between the various disciplines related to urban history./ [Italiano]:La città come meta del viaggio nella sua lunga evoluzione nel corso della storia: un bisogno primario dell'uomo, un evento finalizzato alla conoscenza, all'istruzione, agli affari e agli scambi commerciali, alle conquiste militari o religiose, ma anche legato agli esodi per il conseguimento della mera salvezza fisica o spirituale. Nella cornice di una delle città storiche più celebrate al mondo, culla dell'antichità greca, del mito e della bellezza, meta intramontabile di viaggi di cultura e di piacere, e oggi, più che mai, fortemente protesa alla conservazione e alla valorizzazione della propria identità, questa raccolta di saggi intende offrire, nel solco della tradizione di studi dell'AISU, un'ulteriore occasione di riflessione e di confronto tra i più svariati ambiti disciplinari attinenti alla storia urbana.

**Chronicle of Cuban Marine Fisheries (1935-1995)** Julio A. Baisre,Food and Agriculture Organization of the United Nations,2000 Written by the Ministry of the Fishery Industry, Cuba, this paper presents an analysis of trends in Cuban marine fishery resources. An extended time series offers a comprehensive picture of Cuban fisheries over the last 60 years. There is a loss of stock, probably resulting from the combined action of overfishing and changes in the marine ecosystem. Some changes might be irreversible.

**Toxinformer** ,1994

The Farías Chronicles George Farías,1995 José Antonio Farías appears in Coahuila, Mexico in 1777. He married Catarina Rodríguez. Their son, JoséAndrés Farías, born in Coahuila in 1780, came to Laredo, Texas ca. 1798. He married Guadalupe Sanchez in 1803. Includes early history of family in Portugal. Also includes family of Juan Martinez Guajardo who was born in Mexico City or Querétaro, ca. 1580. He married Ursula Navarro Rodríguez. Descendants lived in Mexico, Texas, and elsewhere.

Patronage in the Renaissance Guy Fitch Lytle,Stephen Orgel,2014-07-14 The fourteen essays in this collection explore the dominance of patronage in Renaissance politics, religion, theatre, and artistic life. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Heart Has Its Reasons Maria Duenas,2014-11-11 Declared “a writer to watch” (Publishers Weekly, starred review), New York Times bestselling

author María Dueñas pours heart and soul into this story of a woman who discovers the power of second chances. A talented college professor in Madrid, Blanca Perea seems to have it all. But her world is suddenly shattered when her husband of twenty years leaves her for another woman. Questioning the life she once had and whether she truly knows herself, Blanca resolves to change her surroundings. She accepts what looks like a boring research grant in California involving an exiled Spanish writer who died decades ago. Anxious to leave her own troubled life behind, she is gradually drawn into his haunted world, with its poignant loves and unfulfilled ambitions. But in delving into the past, Blanca finds herself simultaneously awakened to the present by Daniel Carter, a charismatic professor with crucial knowledge about the dead writer that he has never before revealed. Amid this web of passion, conflict, and hidden feelings, including her own, Blanca advances like an avid detective, refusing to quit, and ultimately discovers startling answers that resonate deeply in her own life. Evocative, lyrical, and humorous, *The Heart Has Its Reasons* is a journey of the soul from the pangs of the past to the vibrant present. It is a story about the thrill of creating one’s life anew.

El Cinco de Mayo David Hayes-Bautista,2012-05-05 Why is Cinco de Mayo—a holiday commemorating a Mexican victory over the French at Puebla in 1862—so widely celebrated in California and across the United States, when it is scarcely observed in Mexico? As David E. Hayes-Bautista explains, the holiday is not Mexican at all, but rather an American one, created by Latinos in California during the mid-nineteenth century. Hayes-Bautista shows how the meaning of Cinco de Mayo has shifted over time—it embodied immigrant nostalgia in the 1930s, U.S. patriotism during World War II, Chicano Power in the 1960s and 1970s, and commercial intentions in the 1980s and 1990s. Today, it continues to reflect the aspirations of a community that is engaged, empowered, and expanding.

**The Language of Service Encounters** J. César Félix-Brasdefer,2015-04-30 A comprehensive account of face-to-face interactions in commercial and non-commercial service encounter settings.

*The Spanish Army in North America 1700–1793* René Chartrand,2011-11-20 Long before England established a serious presence in the New World, Spain had already established an overseas Empire. In North America, this included vast tracts of territory including most of what today comprises the states of Florida, Arizona, Nevada, New Mexico, Texas, Alabama, Illinois and California. In later years, as the British and the French came to expand their claims, they often came into conflict with the Spanish. The Spanish also played a significant part during the American Revolution, fighting against the British and drawing off forces needed to fight the Americans. This book covers all of the North American Spanish forces that fought in the campaigns of the 18th century.

**The Eight** Katherine Neville,2015-07-21 The “fascinating” #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly “Game” still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

**Latin American Poetry** Gordon Brotherston,1975-11-13 This study considers the ways Spanish American and Brazilian poets differ from their European counterparts by considering 'Latin American' as more than a perfunctory epithet. It sets the orthodox Latin tradition of the subcontinent against others that have survived or grown up after the conquest then pays attention to those poets who, from Independence, have striven to express a specifically American moral and geographical identity. Dr Brotherston focuses on Modernismo, or the 'coming of age' of poetry in Spanish America and Brazil, and the importance of the movements associated with it. He considers César Vallejo and Pablo Neruda, probably the greatest of the selection, Octavio Paz, and modern poets who have reacted differently to the idea that Latin America might now be thought to have not just a geographical but a nascent political identity of its own. Poems are liberally quoted, and treated as entities in their own right.

Marinasu.htm Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Marinasu.htm free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Marinasu.htm free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Marinasu.htm free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Marinasu.htm. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Marinasu.htm any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Marinasu.htm Books

- 1. Where can I buy Marinasu.htm books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Marinasu.htm book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
- 4. How do I take care of Marinasu.htm books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
- 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
- 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
- 7. What are Marinasu.htm audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
- 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
- 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
- 10. Can I read Marinasu.htm books for free? Public Domain Books: Many classic books are available for free as theyre in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
