Who Is Mary Smith? Brian Stafford, 2019 What's in a name? Maria McCliver of Irish descent changes her name to Mary Smith to advance in her chosen profession. She is a resident of Weingarten in the Barossa Valley, residing alongside the Schultz family, descendants of German pioneers. An argument between them five generations back sparked a dispute whose fires still fume. Mary has never met them until she encounters Benjamin Schultz, and a love affair between them blossoms. Weingarten is an exclusive community, mostly Lutheran with just a few Roman Catholics; therefore, a wedding between the couple meets vigorous opposition. Grip your heartstrings as you tread the cactus-path of young love, and try to predict, without peeping, how the warlords sheath their swords, shake hands and a joyful marriage is celebrated.

Smith Marriages , 1993

Marriage by Bond in Colonial Texas Bennett L. Smith, 1972

One Hundred Years of Marriage Louise Farmer Smith, 2014 ONE HUNDRED YEARS OF MARRIAGE by LOUISE FARMER SMITH Note To Reader: What was your father thinking the night he proposed to your mother? Why did she say yes? By the time we ask, all the compelling details have cooled into whatever myths they've chosen to tell us. Our grandparents' stories are even more frozen, and the

truths of our great-grandparents' unions have perished in the airless memories of the dead. In a series of interlocked stories Louise Farmer Smith, the author of *ONE HUNDRED YEARS OF MARRIAGE*, pierces the myths through four generations of one American family's mismatched marriages-the teenage girl lifted out of the hunger and chaos that followed the Civil War; the suicidal wife isolated on the Oklahoma prairie; the struggling milliner bound to a cheerful husband whose improvidence is destroying the family. Dark? Yes, but full of humor too. Each of the six stories is told from the point of view of the child who observes his or her parent's marriage and tries with only a child's insufficient experience to interpret the veiled mysteries of their union. The novel moves backward in time to search out the influences on each generation's children-the standards, prejudices, and overheard conversations that they carry with them when they choose a spouse. With a Family Tree for the reader to refer to, Smith embeds a deep sense of family relationship throughout the generational stories while drawing each character as a vivid, unique individual. The mother in each new story is aware of the stories of her grandmother, usually in a mythologized form. Victoria, whose husband fed them only by selling off pieces of the beloved family homestead, causing her infinite suffering, is mythologized in future generations as the exemplary loving wife who stood by her man and not as the victim that another, truer history would make her. Victoria's own mother died, leaving her to be raised by a cold, remote, and stingy businessman who ultimately drove her into the arms of his opposite-the warm but hapless and improvident man. Why do women marry as they do? Louise Farmer Smith tells stories of marriages women make for survival, for emotional fulfillment, to satisfy a sense of duty or social expectation. All the women in this book marry with secrets and sacrifices at the hearts of their unions, bidding the reader to wonder about the nature of love and marriage. As one reader asked, What about the role of women in marriage? Has the institution of marriage changed? If so, how? Do

the readers think that these women acted as the products of their times, or in a universal way? ONE HUNDRED YEARS OF MARRIAGE can also be read as a pre-history of the women's movement and as a substantial addition to the social history of American women. Thoroughly researched stories compellingly paint daily life for Great Plains pioneers, for turn-of-the-century women fearing spinsterhood, and for wives in 40s, living in a feminine world the men have left for faraway war.

Raccoon John Smith John Sparks,2005-12-23 Lexington, Kentucky, has the honor of being the birthplace of one of the first genuinely homegrown American Christian faiths: the Disciples of Christ. Established in 1832 by the union of two Christian groups led by Alexander Campbell and Barton W. Stone, their descendent churches are now referred to by religious scholars as the Stone-Campbell movement. In the state's best tradition, this historic movement soon acquired its own larger-than-life legend: Raccoon John Smith, the flamboyant frontier preacher of the southern Kentucky mountains. Smith moved to the lowland Bluegrass and braved considerable odds to preach and establish the self-described "pure, nondenominational" Christianity of Stone and Campbell throughout the state and beyond. The 1832 union of Stone and Campbell's churches was in fact formalized not by Stone and

Campbell, but by Stone together with Smith, who represented Campbell's constituency in Kentucky. Raccoon John Smith occupies a well-deserved place both in Kentucky and Stone-Campbell history. All previous biographical studies have been colored by the religious faith he embraced and the legends that evolved around him, however, rather than giving an accurate account of Smith's life. In Raccoon John Smith, Elder John Sparks fills this void in the literature about Smith, using historical sources to present a faithful portrait of a seminal frontier preacher and colorful figure in early Kentucky history.

A New World Through Old Eyes Mary Smith Ware,1923

The Doctor's Bride Patty Smith Hall,2013-11-01 DR. JOSHUA McCLAIN IS HEADED WEST First stop: Hillsdale, Michigan, to break the marriage contract his late mother arranged between him and Katie Clark. When Josh shows up in town, claiming they're betrothed, Katie refuses to consider an arranged marriage. She'll marry for love or not at all. Besides, he's headed for Kansas Territory; her practice is here in Hillsdale. So why are they both finding it hard to break their betrothal and say goodbye?

A Burnt Child Jason Draper,2021-11-10 Conspiring men have, do, and will continue to take advantage of each other because of our humanity, and history shows the worst offenders are not

those who claim to do us any harm, but those who claim they are trying to do us good. The solution is not to cancel our goodness. The cure is not to have less of any of these good things. The cure is to balance it with more knowledge and more truth. Whatever “truth” is given by our churches, governments, and the media, can be measured by passing it through the fire. If it survives, we can accept it. If it doesn't, we can choose not to be burned again. It doesn't deserve our humanity and can and ought to perish.

Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women, this is not, at all, a reflection of the paucity of work done by these women, as this publication demonstrates. This monograph is a compendium of notable American women with Czechoslovak roots, who distinguished themselves in a particular field or area, from the time they first immigrated to America to date. Included are, not only individuals born on the territory of former Czechoslovakia, but also their descendants. This project has been approached strictly geographically, irrespective of the language or ethnicity. Because of the lack of bibliographical information, most of the monograph comprises biobibliographical information, in which area a plethora of information exists. As the reader will discover, these women have been involved, practically, in every field of human endeavor, in numbers that surprise. On the whole, they have been noted for their independent spirit and nonconforming role.

The Broken Marriage Mary Smith,2020-02-14 Shade and Jenessa Wooten experienced a tragedy no parent should ever have to endure.For the past three years, Shade has done everything

he could think of to help his wife heal and keep their marriage together. However, Jenessa kept pushing him further and further away. Not able to bear any more pain from her shutting him out, when she told him to get out, he did. He hoped leaving would bring her the happiness he knew she deserved. Jenessa has felt unbearable pain every day since that day three years ago. Burying herself in her work and barely speaking to her husband seemed to be the only way she knew how to cope with the pain. But when one argument went too far and she told him to leave and he did, it sent her into a tailspin. One she was not sure she could ever recover from. Can their broken marriage ever be repaired or is it too late?
