The History of the Mercer University School of Medicine, 1965-2007 Martin L. Dalton, 2009 The story of the Mercer University School of Medicine is both inspiring and compelling. Rarely in the annals of higher education has a dream so remote and an idea so right come to fruition because of the resolute commitment of individuals who, for differing reasons, devoted themselves to the realization of an unlikely dream. While this story includes drama, intrigue, and uncertainty, it is mostly a story fueled by hope and vision. This book is a compilation of first-person accounts and narrative histories that combine to tell the story of a most remarkable school that trains physicians to provide health care to Georgia and the South.

**Midnight in the Garden of Good and Evil** John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag

queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

Gridiron Glory Days Robert E. Wilder, 2011 ¿The ball was round, the equipment was homemade, and the rules were uncertain, but that game the boys were playing on the lawn at Mercer University in 1892 was football....¿ Thus begins this colorful history of football at Mercer University, 1892-1942. Mercer had only 179 registered students in 1892 when the first Mercer eleven met the first Georgia eleven on the gridiron in Athens in January 1892, the FIRST college football game in the state of Georgia, and one of the first in the Southeast. College football in 1892 was a far cry from the organized splendor it is today. Uniforms were makeshift, with little or no padding. Players begin growing their ¿helmets¿ or ¿head pads¿ in early summer, and rumor has it that those long, bushy manes prompted Mercer's nickname--the Bears. It was a rough-and-tumble, disorganized free-for-all on the 110x53 yard field. Touchdowns counted four points; extra points, two; field goals, five; and safeties, two. But all those interesting facts--and many more--are included in this exciting chronicle. For fifty years Mercer played against the the great (Alabama, Army, Georgia, Florida, and others) and the nearly great (Savannah Library Association, Locust Grove Institute, North Georgia Aggies). Alas, college football eventually became a big (and expensive) business, and with the US facing world war, the last Mercer team was fielded in 1941. But, beginning in Fall 2013, the Mercer Bears will once again take the field following a seventy-year hiatus. This time, however, the helmets are much improved.
