Lone Wolf # 14: Philadelphia Blowup Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. The warpath of Burt Wulff had begun in New York City, taken him cross-country to San Francisco, then in an ever-increasing ring of fire and brutal vengeance to Cuba, Peru and back to the USA for a killing run across the entire nation. But now Wulff's string was finally running out. Both the syndicate and the official police were gunning The Lone Wolf—and now it was just a matter of time . . .

Lone Wolf #6: Chicago Slaughter Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. There was nothing you could do, the policeman thought. You just had to seal off your mind. Unless you were that crazy bastard Wulff. He thought for a moment of his ex-partner, ex-cop, ex-combat soldier, ex-narco, who was going to clean up the international drug trade singlehandedly and on the street. Wulff was crazy, he thought that you could really make a difference. The policeman could have laughed but then he thought of what Wulff had accomplished in

just a couple of months of single-handed action and he was not so sure. Moving out on his own he had done more damage than a hundred agencies in twenty years. The policeman was still busy with these reflections when the knife entered him, between two ribs, neatly and almost painlessly at first.

Lone Wolf #4: Desert Stalker Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Memo To: Network Subject: Burt Wulff This man must be killed on sight. Details of the bounty will be distributed in a further memo. Subject is a veteran of combat and displays an extremely sophisticated knowledge of explosives, incendiary devices, armaments of all kinds and hand-to-hand combat. He is responsible for at least on hundred and fifty deaths and it appears that his ''war'' is now accelerating. In the twelve years of the interlocking organization and the important supply pact of 1963, no such danger had appeared. Wulff is only one man but for that precise reason retains a great freedom of action. He is a cold, remorseless killer and the danger he represents is not to be ignored.

Lone Wolf #9: Miami Marauder Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or

vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Burt Wulff was the target, and the way to Wulff was through an old friend named Tamara. Calabrese's men came for her in broad daylight, abducted her from her home and shot her full of drugs so that she didn't know a thing until she woke up in Miami. Miami - famous resort town, place in the sun and all that - but not now, not for Tamara and not for Wulff. The trouble was that Wulff was dead set against heroin, and went around breaking up the neat little trade routes that drug runners had set up around the globe. Now Calabrese decided he'd had enough of Wulff. Now he had Tamara, the bait by which to lure Wulff to Miami. In the shadow of those fine hotels and fancy shops, there was something going on along surfside. And that something was called murder.

Lone Wolf #10: Harlem Showdown Mike

Barry, 2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Now Calabrese the Kingpin was dead . . . Tamara was dead . . . and the world faced him like a burnt-out fuse. But the war was not over - it could never be over for Wulff. Calabrese's henchmen were after him, the taste of bloody vendetta in their mouths, their guns aimed and poised to shoot. So Wulff fled to his home turf, holed up in a filthy rooming house on the upper West Side of New York, and began the battle

against two fronts - the dog soldiers of the Mob set on bringing his head home as a bounty, and the drug-crazed junkies struggling to feed their habits.

Lone Wolf #12: Phoenix Inferno Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Wulff left Detroit with flames in his wake, and a shipment of coke in his trunk. He didn't know where he'd be going next. Probably New York, although it had so many black memories for him of his fiancée Marie, OD's in a cheap rooming house where he found her while he was on a police call . . . Now all he wanted was rest as he drove south out of the motor city. But there was no rest for Wulff, not as long as the mob wanted him and not as long as the cops wanted him. Driving down the Interstate, he sidewipes a motorcyclist and stops to help with a politeness that he knows will be a mistake. Soon he finds himself held hostage by two henchmen sent on a mission to bring Burt Wulff to Phoenix . . . dead or alive!

Lone Wolf #13: The Killing Run Mike

Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't

live much longer. After Wulff killed Carlin in Mexico City and watched his dynamited house burn down, he decided he deserved a rest. He knew that his work wasn't nearly over. But a lot of the top men were down . . . bullet-riddled, blown up or cremated, and the organization was beginning to feel the effect. Wulff could relax . . . a day or two at least. What he didn't know was that little vacation in Mexico city would touch off the most violent, far-ranging hunt of his life, a Killing Run that would take him across two countries, his mad fury for vengeance almost consuming him as well.

Lone Wolf #1: Night Raider Mike Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Burt Wulff was a nice guy, once. A New York cop, narcotics division. But he's seen too much destruction done by the poison in America's veins - heroin. Too much corrupted and made foul, and finally one life too many - and too close - destroyed. Burt Wulff has gone beyond fear, beyond love, even beyond hate. He's simply beyond giving the slightest damn whether he lives or dies, so long as he can kill the killers - thousands of them, all over America and all over the world.

Lone Wolf #7: Peruvian Nightmare Mike Barry,2012-04-01 When a wolf leaves the pack, he lives only as long as he can kill by himself quicker and surer than any pack he runs up

against. Meet a man beyond either forgiveness or vengeance. Meet the Man they Call The Lone Wolf. Better meet him now. The way he lives, he can't live much longer. Burt Wulff found himself in something called the Hotel Crillon in Lima. It was steel and glass, looked like a Hilton, and had beggars living in the eaves. In Wulff's room there was a small man who wanted you to think he was Peruvian, but Wulff figured he was German if he was anything at all. He wanted Wulff to deliver several million dollars worth of heroin to the States. Several of the most efficient man-hunting organizations in the world—a few of them legal—desperately wanted Wulff dead, and knew where he was. Wulff said, "I don't think you understand ..." One of the other two men in the room both sprawled on the floor, shook, limbs flailing like and insect's, in his coma. The small man flinched, and said, "Your work is well known. But you will never get out of Peru without my help ..."

The Lone Wolf Mike Barry, 1974

Pattern Storm Mike Kennedy, 2004-09-07 For over a year, Itto and Daisy have managed to stay one jump ahead of the assassins on their trail. But now the agents of Cygnat Owari have captured Itto, hoping to extract from him through torture -- both physical and psychological -- Daisy's hiding place. Only Itto's captors have not reckoned with the fallout of their own actions: an operative whom they fired has located Daisy, and is setting the stage for Itto to take his revenge on his former employers...
