Pauline Kael

Pauline Kael Brian Kellow,2012 A decade after her death, Kael remains the most important figure in film criticism today; in part due to her own inimitable style and power within the film community, and in part due to the enormous influence she has exerted over an entire subsequent generation of film critics.

For Keeps Pauline Kael,1996 We at Penguin Putnam mourn the death of Pauline Kael, a singularly unique voice in American letters. She will be sorely missed.In her decades-long career, Pauline Kael established herself as the most renowned and respected movie reviewer in the field. The breadth of her knowledge of film history and technique, her insight into the arts of acting and directing, and her unfailing wit and candor endeared her to movie lovers everywhere.*For Keeps* offers the best of Kael's reviews and other writings on movies from the collections that have marked her matchless career, starting with *I Lost it at the Movies* (1965), through *Kiss Kiss Bang Bang*, *Deeper into Movies* (a National Book Award winner), *The Citizen Kane Book* (Raising Kane, the full text on the making of the movie, is included here), and all the others in a glorious run concluding with *Movie Love* in 1991. Once Kael retired from regular reviewing, her reputation only increased, and for the inimitable real thing, readers must turn to this volume to sample her perspicacity, fluency, and style. More than 275 reviews are arranged chronologically -in effect, a history of 30 years of movies. This ultimate compendium from America's most eloquent, passionate, and provocative critic is a boon to serious moviegoers and an indispensable companion to film in the age of technological and pop culture overload.

The Age of Movies: Selected Writings of Pauline Kael Pauline Kael,2011-10-27 Film criticism is

exciting just because there is no formula to apply, Pauline Kael once observed, just because you must use everything you are and everything you know. Between 1968 and 1991, as regular film reviewer for The New Yorker, Kael used those formidable tools to shape the tastes of a generation, enthraling readers with her gift for capturing, with force and fluency, the essence of an actor's gesture or the full implication of a cinematic image. Kael called movies the most total and encompassing art form we have, and she made her reviews a platform for considering both film and the worlds it engages, crafting in the process a prose style of extraordinary wit, precision, and improvisatory grace. To read *The Age of Movies*, the first new selection in more than a generation, is to be swept up into an endlessly revealing and entertaining dialogue with Kael at her witty, exhilarating, and opinionated best. Her ability to evoke the essence of a great artist—an Orson Welles or a Robert Altman—or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self-deceptions of a corrupt movie industry. Here in this career spanning collection are her appraisals of the films that defined an era—among them *Breathless*, *Bonnie and Clyde*, *The Leopard*, *The Godfather*, *Last Tango in Paris*, *Nashville*—along with many others, some awaiting rediscovery, all providing the occasion for masterpieces of observation and insight, alive on every page.

Afterglow Francis Davis, 2003-08-21

When the Lights Go Down Pauline Kael, 1980

Sontag and Kael Craig Seligman, 2005-06-08 A witty and stylish assessment of the work of two icons of cultural criticism: Susan Sontag and Pauline Kael. Though outwardly they had some things in common--

they were both Westerners who came east, both schooled in philosophy, both secular Jews and both single mothers--they were polar opposites in temperament and approach. Seligman approaches both women through their widely discussed work. Kael practiced a kind of verbal jazz--exuberant, excessive, intimate, emotional and funny. Sontag is formal and rather icy. From the beginning it's clear where Seligman's sympathies lie: Sontag is a critic he reveres; but Kael is a critic he loves. But for all his reservations about Sontag, he considers both writers magnificent and his exploration of their differences results in this luminously written landmark of criticism.
