Everybody Loves Polar Bears LoLo Paige,2023-12-19 In the frosty mayhem of the Alaskan film set for *Everybody Loves Polar Bears*, accident-prone Macy Applegate catapults herself into a hilarious array of mishaps better suited for a blooper reel. As Macy dreams of stardom, she reluctantly works with Nick Westwood, the grumpiest and most arrogant assistant director this side of the Arctic Circle—a man who irritates her more than a stuck zipper in a sub-zero wind chill. Beneath Nick's stoic exterior lies a mysterious secret, and the only thing more challenging than Alaska's winter is these two trying to get along for longer than a commercial break. Macy is a walking disaster in matters of the heart, and Nick is fed up with shallow relationships. But fate has a penchant for mischief when Nick transforms from Macy's nemesis to her off-screen hero, chipping away at the permafrost around her heart. Should she give this guy a chance or continue wishing on the magical aurora borealis for perfect love? In this hilarious romantic comedy, where polar bears play supporting roles and love takes center stage, Macy and Nick navigate a situation as unpredictable as Macy's on-set blunders. If you swooned through *The Proposal* and chuckled at *The Hating Game*...and if you have a soft spot for polar bears...get ready for laughter in this heartwarming tale of unexpected love.

Living Our Cultures, Sharing Our Heritage Aron A. Crowell,Rosita Worl,Paul C. Ongtooguk,Dawn D. Biddison,2010-05-18 *Living Our Cultures, Sharing Our Heritage: The First Peoples of Alaska* features more than 200 objects representing the masterful artistry and design traditions of twenty Alaska Native peoples. Based on a collaborative exhibition created by Alaska Native communities, the Smithsonian's National Museum of Natural History, the Smithsonian's National Museum of the American Indian, and the Anchorage Museum at Rasmuson Center, this richly illustrated volume celebrates both the long-awaited return of ancestral treasures to their native homeland and the diverse cultures in which they were created. Despite the North's transformation through globalizing change, the objects shown in these pages are interpretable within ongoing cultural frames, articulated in languages still spoken. They were made for a way of life on the land that is carried on today throughout Alaska. Dialogue with the region's First Peoples evokes past meanings but focuses equally on contemporary values, practices, and identities. Objects and narratives show how each Alaska Native nation is unique—and how all are connected. After introductions to the history of the land and its people, universal themes of “Sea, Land, Rivers,” “Family and Community,” and “Ceremony and Celebration” are explored referencing exquisite masks, parkas, beaded garments, basketry, weapons, and carvings that embody the diverse environments and practices of their makers. Accompanied by traditional stories and personal accounts by Alaska Native elders, artists, and scholars, each piece featured in *Living Our Cultures, Sharing Our Heritage* evokes both

historical and contemporary meaning, and breathes the life of its people.

The biggest surprise, though, is a dead and frozen woman's body in the trapper's shed. No one knows who she is, but the man who runs the mercantile, Randy, seems to be in the middle of all the mysteries. Unable to escape her journalistic roots, Beth is determined to answer the questions that keep arising: Are the mysterious girls and the frozen body connected? Can Randy possibly be involved? And—most importantly—can she solve this mystery before the cold wind sweeping over the town and the townspeople descends for good?

The dreaded census man, seemingly innocuous, is an unwelcome presence to those members of this secretive community who would prefer to keep their business to themselves. Meanwhile, thriller writer Beth Rivers has received her own unexpected company: her mother. The last Beth heard, Mill Rivers had gone underground in search of Beth's kidnapper, and Beth can't help but be a little alarmed at her appearance: If Mill was able to track down her daughter, who knows who else might be able to? Beth doesn't have time to ponder this for long, after a battered woman stumbles into the town bar one night, and her husband is found dead the next morning.
