The Tiger Prince Chen Jiang Hong,2018-10-23 A magnificently illustrated Chinese folklore tale about a tigress, a seer, a King, and the prince, who must leave his family and learn the ways of the tigers so that the war between man and animal can end. Deep in the Great Forest, a tigress is mourning the death of her tiger babies who have been killed by hunters. Seeking revenge, she attacks the villages, destroying houses and prompting the king to gather his army. But a seer named Lao Lao warns the king that if he angers the tigress further she will destroy the kingdom. Lao Lao counsels the king to give his own son to the tigress and promises that no harm will come to the boy. The next morning, the king brings the prince to the edge of the Great Forest and tells him, “Now you must go on alone.” To end the war between man and animal, the prince must forget his human ways and begin to learn what tigers know. The Tiger Prince was inspired by The Tigress, a late Shang dynasty bronze vessel in the Cernuschi Museum in Paris depicting a scene from the Chinese folktale of a baby raised by a tigress.

Hazelnut Days Emmanuel Bourdier,2018-05-01 It’s visiting day, and Dad smells like peppermint—yuck! If only he would wear that nice, breezy cologne that smells like hazelnut... So begins one boy’s brief weekly visit with his father in prison. Here’s a man who gets angry, but beneath that peppermint surface is much to admire, if only you take the time to look. This richly imagined picture book explores the inner life of a boy who struggles to love a father who can be difficult to love at times. Though they may only have brief visits together, it’s clear they love each other. This story bravely explores the all-too-hidden world of incarcerated parents. It’s also a beautiful testament to the power of love to bridge the walls that divide us.

Now We Are Cool Susan Opel-Gotz,2015-12-20 Two brothers decide to change their lives. They will become cool. But how? With sunglasses? By watching monster and vampire movies and not being scared? By drinking as much soda pop as they can? By listening to loud music with headphones? By being rude to relatives? By having bad table manners? Or maybe not. Perhaps being cool is something else altogether. This engaging picture book marks the North American debut of Susan Opel-Gotz, the bestselling picture book author/illustrator. She lives in Munich, Germany.
