Personas 111 Tomihiro Kono,2020-03-15 Exploring the possibility of wigs by portraying 111 transformations of Cameron Lee Phan in 111 handmade wigs made by Tomihiro Kono. Hairstyles are closely related to our identity; They create both our inner and outer self. This can reflect our personality or, in some way, can hide our true selves. We can suddenly make ourselves look like a different person by wearing a wig. A wig is a kind of mask, designed on the one hand to make a definite impression upon others, and on the other to conceal the true nature of the individual. Changing how we look is an act of self-reflection, self-assertion, and self-defense.?We live in the spirals of the world by defining ourselves and being defined by others.In Latin times a persona was a mask; today our digital masks have turned into persons that amplify our individual digital essence, letting our fake and intangible identities take over.

Tomihiro Kono's wigs are a reaction to our digital society and a way to reclaim our physicality: with his creations the artist and designer invites us indeed to go over a physical, rather than digital, transformation. A wig by Tomihiro Kono is therefore a mask-thrix - a mask for the hair (thrix meaning hair in Greek), a symbol of an existential drama and the possibility of taking up not just one role, but multiple ones. By wearing a wig by Tomihiro Kono you can be anything and anyone but yourself. The promise is alluring. Enter the Mask-Thrix.

ULYSSES (Modern Classics Series) James Joyce, 2024-01-10 This carefully crafted ebook: ULYSSES (Modern Classics Series) is formatted for your eReader with a functional and detailed table of contents. Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called a demonstration and summation of the entire movement. Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or episodes. At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant, which would earn the novel immortality. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known

for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake.
