*The Witches of Abiquiu* Malcolm Ebright, Rick Hendricks, 2006

The little-known story of a priest's charges of witchcraft among Indians in mid-eighteenth-century New Mexico and how the Spanish government rejected the charges in the effort to achieve peace with their Native subjects.

*Valley of Shining Stone* Lesley Poling-Kempes, 1997-07-01 North by northwest from old Santa Fe is the winding road to Abiquiu (ah-be-cue'), Ghost Ranch, and el Valle de la Piedra Lumbre, the Valley of Shining Stone: mythical names in a near-mythical place, captured for the ages in the famous paintings of Georgia O'Keeffe. O'Keeffe saw the magic of sandstone cliffs and turquoise skies, but her life and death here are only part of the story. Reading almost like a novel, this book spills over with other legends buried deep in time, just as some of North America's oldest dinosaur bones lie hidden beneath the valley floor. Here are the stories of Pueblo Indians who have claimed this land for generations. Here, too, are Utes, Navajos, Jicarilla Apaches, Hispanos, and Anglos—many lives tangled together, yet also separate and distinct. Underlying these stories is the saga of Ghost Ranch itself, a last living vestige of the Old West ideal of horses, cowboys, and wide-open spaces. Readers will meet a virtual Who's Who of visitors from dude ranch days, ranging from such luminaries as Willa Cather, Ansel Adams, and Charles Lindbergh to World War II scientist J. Robert Oppenheimer and his colleagues, who were working on the top-secret atomic bomb in nearby Los Alamos. Moving on through the twentieth century, the book describes struggles to preserve the valley's wild beauty in the face of land development and increased tourism. Just as the Piedra Lumbre landscape has captivated countless wayfarers over hundreds of years, so its stories cast their own spell.

Indispensable for travelers, pure pleasure for history buffs and general readers, these pages are a magic carpet to a magic land: Abiquiu, Ghost Ranch, the Valley of Shining Stone.

O'Keeffe At Abiquiu Christine Taylor Patten,1995-04

Anyone who knows New Mexico, with its fierce light, pungent aroma of sage, and big, open skies, will understand its fascination for O'Keeffe. The landscape is direct and elemental, like her paintings; it is tough and unyielding, like her character.

*The Genízaro & the Artist* Napoleón Garcia,Analinda Dunn,2008

The village of Abiquiu, New Mexico, is easily missed by the casual traveler who might think that Abiquiu consists of only the post office

and a few stores along Highway 84, about 46 miles northwest of Santa Fe. If one were to go up the road, pass the post office, onto the above mesa, one would be stepping back into an era of early Spanish and Native American history. Abiquiu is established on the site of an old abandoned Indian Pueblo. In the mid-18th century it became a settlement of Spaniards and Genizaros. (A Genizaro claims ancestry of both the Colonial Spanish settlers and Native American Indian tribes of the area.) Like many northern New Mexico villages, Abiquiu has attracted various artists who come to this part of the world to capture the beauty of the landscape. One such artist was Georgia O'Keeffe, who first came to this area in early 1930s. She bought a home in the village of Abiquiu in the mid-1940s and lived there for over 40 years. Many journalists and authors have come to the village, interviewed some of the locals and then returned to their big city desks and written about the quaint village life, its inhabitants and its famous world-renowned artist. However, there has never been a book written from the perspective of a native from the village. Not only is Napoleon Garcia a native of Abiquiu, he knew and worked for Georgia O'Keeffe over the 40 years that she made Abiquiu her home, living around the corner from his home on the plaza in the pueblo. Napoleon has been interviewed by many of the big city journalists; but has always felt that the resulting work never truly told the story of his village and what it was like having such a famous resident as a fellow villager. With the help of his friend, Analinda, he now has that opportunity to tell his own story.

**Georgia O'Keeffe, A Private Friendship, Part II** Nancy Hopkins Reily,2014-12-01 The time is 1946. From Georgia O'Keeffe's old hacienda sitting on a bluff in Abiquiu, New Mexico, she could see my aunt and uncle, Helen and Winfield Morten's property across the

Chama River. Georgia had begun the restoration of her property. The Mortens, in the final stages of purchasing land along the Chama River, had recently completed their restoration of another old hacienda they called Rancho de Abiquiu. As one of few Anglos in the Chama River valley, Georgia ventured over to Rancho de Abiquiu to introduce herself and a private friendship resulted with the Mortens and their family. In this close family circle, Georgia revealed herself and proved that beneath her bare face there was more to her than just an artist of legendary proportions. Nancy Hopkins Reily spent many of her childhood days walking the Abiquiu and Ghost Ranch land. She explored the canyons, the White Place, Echo Amphitheater, the mountains, and the Chama River by walking the trails worn by earlier moccasined feet. In a seamless, clear, and straightforward narrative of excerpts from their lives, Reily presents Georgia in a time-window of her age. The book features Reily's youthful experiences, letters from Georgia, glimpses of the family's memorabilia and photographic snapshots—all gracefully woven into the forces of the contemporaneous scene that shaped their friendship. In addition, there are insights into the land's beauty, times, culture, history and the people who surrounded Georgia, as well as many minute details that should be remembered and which are often overlooked by others when they speak of Georgia O'Keeffe.

**A Match to the Heart** Gretel Ehrlich, 1995-06-01 A powerful chronicle of a wounded woman's exploration of nature and self After nature writer Gretel Ehrlich was struck by lightning near her Wyoming ranch and almost died, she embarked on a painstaking and visionary journey back to the land of the living. With the help of an extraordinary cardiologist and the companionship of her beloved dog Sam, she avidly explores the natural and spiritual world to make sense

of what happened to her. We follow as she combs every inch of her new home on the California coast, attends a convention of lightning-strike victims, and goes on a seal watch in Alaska. Ehrlich then turns her focus inward, exploring the tiny but equally fascinating ecosystem of the human heart, and culminated in a stunningly beautiful description of open-heart surgery.

An index of all names is included.

Love, Death and Flowing Water Oro Lynn Benson,2016-12-08 This is a book of poetry rooted in place and time. It rises from days and years spent in the high desert of northern New Mexico. Days and years spent with the living and the dying. Days and years spent in the company of friends and lovers, children and grandchildren. Days and years spent quietly watching the web of life woven by chickens, eagles, coyotes, light, water, wind, and time itself. The words are simple and the images rich. We can reach into these images to find our own history wherever we have lived that history, wherever we may be as we savor these images. For, are we not one people in our joys and our sorrows, within the web we are weaving together?
