Busby,2009-08-26 Images of political leaders as everyday figures, involved in commonplace activities, now form an increasingly important aspect of electoral presentation. Prophet of Purpose Jeffery L. Sheler,2009-11-03 Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, *The Purpose-Driven Life*, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? *Prophet of Purpose: The Life of Rick Warren* traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a "church for people who hate church" in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles-a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. *Prophet of Purpose* brings Warren and his mission to life

and provides a provocative glimpse into the potential future of Christianity in America.

Its as if he is paralyzed. Perhaps he just wants to be gone? Not deadjust not living right now. Its no secret that pain from a divorce can create intense feelings of shame and confusion. It can feel as though youre trapped, scared and alone. Too quickly in our relationships we run for the hills rather than sticking with our partner - till death truly do us part. Motivated By Pain is a raw and emotionally-charged book in which Patrick Moore examines common personality differences between men and women, the raging battle of testosterone versus estrogen and the insurmountable damage stress can place on our relationships. Moores story will make you laugh, it will make you cry, but most of all it will make you think twice about the choices you are about to make...
