*Dispatches from the Fort Apache Scout* Lori Davisson,Edgar Perry,The Original Staff of the White Mountain Apache Cultural Center,2016-05-05 In the 1970s, the White Mountain Apache Tribe and the Arizona Historical Society began working together on a series of innovative projects aimed at preserving, perpetuating, and sharing Apache history. Underneath it all was a group of people dedicated to this important goal. *Dispatches from the Fort Apache Scout* is the latest outcome of that ongoing commitment. The book showcases and annotates dispatches published between June 1973 and October 1977, in the tribe's Fort Apache Scout newspaper. This twenty-eight-part series of articles shared Western Apache culture and history through 1881 and the Battle of Cibecue, emphasizing early encounters with Spanish, Mexican, and American outsiders. Along the way, rich descriptions of Ndee ties to the land, subsistence, leadership, and values emerge. The articles were the result of the dogged work of journalist, librarian, and historian Lori Davisson along with Edgar Perry, a charismatic leader of White Mountain Apache culture and history programs, and his staff who prepared these summaries of historical information for the local readership of the Scout. Davisson helped to pioneer a mutually beneficial partnership with the White Mountain Apache Tribe. Pursuing the same goal, Welch's edited book of the dispatches stakes out common ground for understanding the earliest relations between the groups contesting Southwest lands, powerfully illustrating how, as elder Cline Griggs, Sr., writes in the prologue, "the past is present." *Dispatches from the Fort Apache Scout* is both a tribute to and continuation of Davisson's and her colleagues' work to share the broad outlines and unique details of the early history of Ndee and Ndee lands.

*Verbrechen von nebenan* Philipp Fleiter,2021-10-18 Die schlimmsten Verbrechen passieren meist nicht in der Großstadt, sondern direkt nebenan. Wenn die nette Nachbarin angeblich im Urlaub ist, in Wirklichkeit aber einbetoniert unter der Garage liegt oder wenn ein kleines Mädchen plötzlich spurlos vom elterlichen Bauernhof verschwindet, sind das Fälle, die man nicht vergisst. Radiojournalist Philipp Fleiter berichtet schon seit Jahren über Verbrechen und ihre Hintergründe. In seinem Nr.-1-True-Crime-Podcast »Verbrechen von nebenan« spricht er mit verschiedenen Gästen über die spannendsten Kriminalfälle im deutschsprachigen Raum. Das Besondere: Viele dieser Fälle werden zum ersten Mal überhaupt in einem Podcast besprochen. Seine Hörer lieben vor allem seine Stimme und seine gründliche Recherche. Jetzt erscheinen seine spektakulärsten Folgen plus zehn bisher unveröffentlichte Kriminalfälle und zahlreiche Experteninterviews erstmals als Buch.

**Hawkeye Greats, by the Numbers** L. Hammes,N. Rozendaal,K. Hammes,2010 Hawkeye Greats, By the Numbers features prominent Hawkeye football and men's basketball players by their jersey numbers, and it's bound to be a hit with Hawkeye fans as they recall all the fine players in Iowa football and men's basketball history who wore those numbers. - Ron GonderI think it's marvelous how you are arranging Hawkeye Greats, By the Numbers. So often books in this genre are arranged by a ranking with no historical significance, and I'm glad to see a book with a truly unique approach. - University of Iowa Press

*Ronnie* Ronnie Drew,2009-01-27 Though he was a gifted storyteller, it was only in 2006 that Ronnie Drew agreed that maybe he should put down his own story. But only if he could do it by himself, in his own words: there was no attempt to make his writing sound grand or high falutin'. Typical Ronnie. Ronnie started at the beginning, with a lively account of his pre-Dubliners life, and then wrote a sketch depicting the madness of life within the group. These were warm, witty and insightful chapters that made it clear that Ronnie Drew was a wonderful writer as well as a great singer and storyteller. Six months into the project, Ronnie was diagnosed with cancer. With the encouragement of his wife Deirdre and his family, he continued to think about the book and conducted a number of interviews to keep things ticking over until he was well enough to resume work on it. But sadly, much as he wanted to, Ronnie did not get to finish his story. However, with the whole-hearted co-operation of his daughter and son, Cliodhna and Phelim, it has been possible to put together Ronnie's work on his memoir along with his other writings, interviews with Cliodhna and Phelim, a wealth of photographs and other material from the family archive, and contributions from close friends, to create a book that is a wonderful portrait of, and a fitting and loving tribute to, the man Bono called 'the king of Ireland'.

**Poverty and Water** David Hemson,Kassim Kulindwa,Haakon Lein,Adolfo Mascarenhas,2008-09-15 Rarely has such a contentious and complex issue emerged in twenty-first century development as that of water. In this book, co-editors David Hemson, Kassim Kulindwa, Haakon Lein, and Adolfo Mascarenhas use a global spread of case studies to illustrate that water is not simply an issue of physical scarcity, but rather a complex and politically-driven issue with profound future implications, both in the developing world and outside it. The book argues that for the international community to achieve the Millennium Development Goals, governments must step in to protect the rights of the poor. Here, the links between poverty and access to clean water are explored with an eye to political reform that can end the exploitative policies of big business and help to shape a more equitable world for all.

*Undaunted* Melissa Marr,Ronnie Douglas,2015-09-15 Following in the tradition of Kristen Ashley, Joanna Wilde, and Jay Crownover, this first novel in a sexy, dark New Adult series tells the thrilling story of a young woman who finds herself drawn to a Southern motorcycle club's inner circle--and a dangerously hot biker. Aubrey Evans needs to get her life back on track after her father is indicted for embezzlement. She'll save college tuition money,

hightail it out of small-town Tennessee, and steer clear of hard-muscled boys on motorcycles. Yet there's no ignoring someone like Zion. A knight in black leather, Zion looks like every bad idea she's been told to avoid, but she can't resist him. Whenever she's in trouble, he's there. Appealing as his rough exterior may be, it's the protective, principled man beneath that tempts her like crazy. Zion knows Aubrey doesn't intend to stick around. She claims to want only friendship, but he senses there's a naughty girl hiding on the inside—one whose intense desires match his own. For now, he'll be patient and play by her rules. Though he knows it's just a matter of time before he weakens her resolve. As they join forces to figure out who's behind a local crime spree, it's clear that the danger goes deeper than Aubrey guessed. And when she needs someone tall, dark, and undaunted to keep her safe, Zion intends to be there—now and always.

**The Way We Played** Ronnie Howard,2022-12-12 At only nine weeks old, Johnnie Johnson's parents were informed that their son was diagnosed with pyloric stenosis. Due to Johnnie's weakened and emaciated condition, the doctor felt certain Johnnie would not survive corrective surgery. However, the doctor felt there was no other choice and did say, If Johnnie survives this, he'll live to be one hundred.Fortunately, the operation proved successful, and Johnnie was once again united with his siblings. The Johnson household eventually was filled with five rambunctious kids that were constantly up to some sort of shenanigans. From roller-skating on the roof to putting the smaller kids in the clothes dryer, this household of kids tested everyone's patience. Whether it be Mom, the live-in maid, or Aunt Betty (affectionately labeled The Old Sow), they were all eventually at their wits' end.One Saturday morning, Mom simply walked out the door, stepped into a motor home, and drove away. The maid simply disappeared. Aunt Betty, well she decided to move to Arizona! Though somewhat perplexed at all these departures, the kids knew they didn't need supervision!
