10,000 Famous Freemasons William Denslow,2007-06 This is volume one of four. This very rare and long out of print biographical work is a must for any Mason with a desire for Masonic research. This is NOT a photocopy of the original work, but a completely new, re-type set edition. While a few editorial changes have been made the work is for the most part as it was when first published. The largest change is the addenda that was at the end of the 4th edition. The addenda was a collection of corrections and additions to the work. We have incorporated the corrections and additions into the work itself removing the need for the addenda. DON'T FORGET: This is a FOUR book set with each book sold separately. The ISBNs are: 1887560319, 1887560793, 1887560424 & 1887560068.

White Mughals William Dalrymple,2004-01-22 James Achilles Kirkpatrick landed on the shores of eighteenth-century India as an ambitious soldier of the East India Company. Although eager to make his name in the subjection of a nation, it was he who was conquered—not by an army but by a Muslim Indian princess. Kirkpatrick was the British Resident at the court of the Nizam of Hyderabad when in 1798 he glimpsed Khair un-Nissa—'Most Excellent among Women'—the great-niece of the Nizam's Prime Minister. He fell in love with Khair, and overcame many obstacles to marry her—not least of which was the fact that she was locked away in purdah and engaged to a local nobleman. Eventually, while remaining Resident, Kirkpatrick converted to Islam, and according to Indian sources even became a double-agent working for the Hyderabadis against the East India Company. Possessing all the sweep of a great nineteenth-century novel, White Mughals is a remarkable tale of harem politics, secret assignments, court intrigue, religious disputes and espionage.

The Signs and Symbols of Primordial Man Albert Churchward,1913 Albert Churchward's famous study of Ancient Egyptian myths and symbology reveals how their mythological culture evolved over thousands of years, influencing other civilizations. The author was among the first Western scholars to investigate the connection between the religious symbols, deities and traditions of Egypt, and those which emerged in later societies. By studying the hieroglyphic texts preserved in the monuments and papyrus of the Egyptian society, Churchward uncovered the origins of legendary stories, the roles of Gods like Horus and Ptah, and the emergence of important symbols such as the triangle, cross and swastika. The religious and cultural influence of this ancient society, whose dynasties stretched across millennia, is revealed to be of staggering magnitude. This book pieces together the connections between Egyptian lore and that of the Hebrews, the Freemasons, the Mayans and various tribal societies. The depth of Churchward's enquiry is enormous; hundreds of drawings, symbols, and photographs accompany the narrative, that the reader may discover the myriad connections and wide-ranging influence of the Egyptians from antiquity onward. Frequent quotations and cites of accomplished workers in the field of Egyptology, such as Dr. Wallis Budge and Gerald Massey, further support the points established.

Burke's Irish Family Records Hugh Montgomery-Massingberd,2007 For more than 170 years, Burke's Landed Gentry has been an invaluable genealogical guide to notable families and their histories throughout the British Isles. Burke's Irish Family Records details the descendents of some 500 important Irish families, whether living in Ireland or settled abroad. The book includes a free searchable PDF (on CD-ROM) of the full contents of the book along with comprehensive family records from all current Burke's Landed Gentry 19th Edition titles - The Kingdom in Scotland, The Ridings of York, The Principality of Wales and The North West. This volume is the fifth edition, a reprint of the 1976 Edition of Irish Family Records .

The Curse of Canaan Eustace Clarence Mullins,2022-07-27 Indeed, the great movement of modern history has been to disguise the presence of evil on the earth, to make light of it, to convince humanity that evil is to be "tolerated, " "treated with greater understanding, " or negotiated with, but under no circumstances should it ever be forcibly opposed. This is the principal point of what has come to be known as today's liberalism, more popularly known as secular humanism. The popular, and apparently sensible, appeal of humanism is that humanity should always place human interests first. The problem is that this very humanism can be traced in an unbroken line all the way back to the Biblical "Curse of Canaan." Humanism is the logical result of the demonology of history. Modern day events can be understood only if we can trace their implications in a direct line from the earliest records of antiquity

The Chemical Wedding of Christian Rosenkreutz Joscelyn Godwin,1991-10-01 The Chemical Wedding of Christian Rosenkreutz, often looked upon as the third Rosicrucian manifesto, has an entirely different tone from the other Rosicrucian documents. Unlike the Rosicrucian manifestoes, which address the transformation of society, The Chemical Wedding is concerned with the inner transformation of the soul. It is a deeply interior work, one which asks the reader to step into its world of symbols and walk with Christian Rosenkreutz along his path of transformation. Despite its importance as a key text of the Western esoteric traditions, this is the first ever contemporary English translation of The Chemical Wedding, made especially for this edition by Joscelyn Godwin. Also included in this edition is an introduction and commentary by Adam McLean, which illuminates the transformative symbolism.
