Russia in the Shadows H G Wells,2021-01-02 In January 1914 I visited Petersburg and Moscow for a couple of weeks; in September 1920 I was asked to repeat this visit by Mr. Kameney, of the Russian Trade Delegation in London. I snatched at this suggestion, and went to Russia at the end of September with

my son, who speaks a little Russian. We spent a fortnight and a day in Russia, passing most of our time in Petersburg, where we went about freely by ourselves, and were shown nearly everything we asked to see. We visited Moscow, and I had a long conversation with Mr. Lenin, which I shall relate. In Petersburg I did not stay at the Hotel International, to which foreign visitors are usually sent, but with my old friend, Maxim Gorky. The guide and interpreter assigned to assist us was a lady I had met in Russia in 1914, the niece of a former Russian Ambassador to London. She was educated at Newnham, she has been imprisoned five times by the Bolshevik Government, she is not allowed to leave Petersburg because of an attempt to cross the frontier to her children in Estonia, and she was, therefore, the last person likely to lend herself to any attempt to hoodwink me. I mention this because on every hand at home and in Russia I had been told that the most elaborate camouflage of realities would go on, and that I should be kept in blinkers throughout my visit. As a matter of fact, the harsh and terrible realities of the situation in Russia cannot be camouflaged. In the case of special delegations, perhaps, a certain distracting tumult of receptions, bands, and speeches may be possible, and may be attempted. But it is hardly possible to dress up two large cities for the benefit of two stray visitors, wandering observantly often in different directions. Naturally, when one demands to see a school or a prison one is not shown the worst. Any country would in the circumstances show the best it had, and Soviet Russia is no exception. One can allow for

that. Our dominan

A Russian in the American Army - WWII Karl Thomson, 2020-06-23 Read this fascinating novel about a Russian boy brought to the U.S.A. as a ten year old. Alexander Vetov, born and educated in Russia, then Holland and finally in New York City, he came to love and embrace the U.S. as his home. As soon as he could, he joined the Mighty Fighting 4th U.S. infantry. Alexander almost married in England before D-Day. He was still a teenager when he made sergeant. As a sergeant, he landed on Utah Beach on D-day and continued fighting across France, rising steadily in rank, he led his men until the war's end. Alex did get into big trouble at times for bypassing the chain of command when he studied the battlefields and instinctively acted. Understanding the enemy, he did not always wait for orders from above and made daring advances against German troops. But more and more throughout the war and beyond, Alex proved himself to be one of the smartest and most thorough fighters and intelligence figures among U.S. specialists. This is a big book but worth the tome to read.

Russian Amerika Stoney Compton, Alaska, 1987. In a world where Alaska is still a Russian possession, charter captain Grigoriy Grigorievich has a stained past—as a major in the Czar's Troika Guard he was cashiered for disobeying a direct order. Now, ten years later, Grisha charters out to a Cossack and discovers his past has not only caught up with him, but is about to violently change his future, and the future of all nine of the nations of

North America as well. Revolution against an oppressor, continent-wide alliances, and an epic struggle of a people to be free-spanning Alaska from the Southeastern Inside Passage to the frozen Yukon river, this is an epic tale of one man's journey of redemption and courage to face old fears, new challenges, and help birth a new nation.

With the "Die-hards" in Siberia John Ward, 1920 Originally written for the private use of my sons in case I did not return this narrative of events connected with the expedition to Siberia must of necessity lack many of the necessary elements which go to make a history.

A Russian in the U. S. Army Artyom Borovik, 1990-04-01 A Soviet journalist relates his experiences as a temporary member of the United States Army, offering a unique view of a new recruit's life at Fort Benning, Georgia

A Russian Prince in the Soviet State Vladimir Sergeevich Trubetskoi, 2006-02-06 Of a noble and distinguished family disenfranchised by the Bolshevik revolution, Vladimir Trubetskoi (1892-1937) alone remained in Russia, and suffered the consequences. His life and experiences are well documented in this remarkable volume, a selection of his writings that reflects his comfortable prewar existence and his post-revolutionary poverty, uncertainty, and displacement, all conveyed with humor and ironic detachment. Including selections from Trubetskoi's memoirs, his letters from exile in Uzbekistan, and his hunting stories, the chapters of this volume offer autobiographical narratives of the self, creative reflections, ethnography,

and, most of all, uniquely evocative and informative instances of history lived and recorded with quiet power and irrepressible character. In his letters from exile, Trubetskoi describes his grim situation in Central Asia—how he snatched moments to write between mornings playing piano in a ballet studio and late nights in a restaurant band, struggling with the heat, the insect-borne illness, and the problems of a large, uprooted family. His memoirs of 1911-12, Notes of a Cuirassier, are the culmination of his efforts and they convey in vivid detail the glittering prewar world of an elite Russian Guards regiment. These reminiscences as well as his stories offer a glimpse of what life was like for a citizen of Imperial Russia who tried to make a life for himself in the new Soviet state. Instructive, amusing, moving, Trubetskoi's stories are also an inspiring example of how a person of grace and true nobility meets large-scale social and political upheaval.

The Russian Army From Within W. Barnes Steveni, 2015-06-02 Excerpt from The Russian Army From Within Owing to the unusual interest now taken in Russian military matters, I have been induced to write the following account of the Russian Army from within. This little work, written in less than a fortnight, does not profess to be of a technical nature, but is simply an account of the Russian commanders and soldiers and the impression they made upon me during the twenty-seven years I resided in various parts of the Empire, more

especially in Cronstadt, Finland, Pctrograd, Krasno Selo, Little Russia and the Caucasus. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
