Battle of Big Bethel J. Michael Cobb, Edward B. Hicks, Wythe Holt, 2013-10-19
"A comprehensive study of the Civil War's first major battle . . . well leavened with strategic and political context" (Robert E. L. Krick, author of *Staff Officers in Gray*). *Battle of Big Bethel* is the first full-length treatment of the small but consequential June 1861 Virginia battle that reshaped perceptions about what lay in store for the divided nation. The successful Confederate defense reinforced the belief most Southerners held that their martial invincibility and protection of home and hearth were divinely inspired. After initial disbelief and shame, the defeat hardened Northern resolution to preserve their sacred Union. The notion began to take hold that, contrary to popular belief, the war would be difficult and protracted—a belief that was cemented in reality the following month on the plains of Manassas. Years in the making, *Battle of Big Bethel* relies upon letters, diaries, newspapers, reminiscences, official records, and period images—some used for the first time. The authors detail the events leading up to the encounter, survey the personalities as well as the contributions of the participants, set forth a nuanced description of the confusion-ridden field of battle, and elaborate upon its consequences. Here, finally, the story of Big Bethel is colorfully and compellingly brought to life through the words and deeds of a fascinating array of soldiers, civilians, contraband slaves, and politicians whose lives intersected on that fateful day in the early summer of 1861. "The authors do a wonderful job of describing the motivations and mindsets of both the U.S. and Confederate soldiers at the outset of the conflict and handle slavery very effectively throughout."
—Edward L. Ayers, author of *The Thin Light of*

History of the Town of Hampton, New Hampshire Joseph Dow, Lucy Ellen Dow, 2017-10-27 History of the Town of Hampton, New Hampshire - From its settlement in 1638, to the autumn of 1892 is an unchanged, high-quality reprint of the original edition of 1893. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Deconstructing Dr. Strangelove Sean M. Maloney, 2020-07-01 King of the Cold War crisis film, Dr. Strangelove became a cultural touchstone from the moment of its release in 1964. The duck-and-cover generation saw it as a satire on nuclear issues and Cold War thinking. Subsequent generations, removed from the film's historical moment, came to view it as a quasi-documentary about an unfathomable secret world. Sean M. Maloney uses Dr. Strangelove and other genre classics like Fail Safe and The Bedford Incident to investigate a curious pop cultural contradiction. Nuclear crisis films repeatedly portrayed the failures of the Cold War's deterrent system. Yet the system worked. What does this inconsistency tell us about the genre? What does it tell us about the deterrent system, for that matter? Blending film analysis with Cold War history, Maloney looks at how the celluloid crises stack up against reality—or at least as much of reality as we can reconstruct from these films with confidence. The result is a daring intellectual foray that casts new light on Dr. Strangelove, one of the Cold War era's defining films.

Headquarters USA Omnigraphics, 2007-10

Biblical Studies on the Internet Roland H. Worth, 2002-01-01 With this handbook of currently available internet resources (for use online or to be downloaded to one's personal computer), the users can locate the exact spot on the internet to find the materials they want. And they will save countless hours of frustration and work. Over 3,300 websites provide information on a range of topics: English language Bible translations that can be used online or downloaded, sites to listen to hymns on the Internet, Bible translations into 57 non-English languages, non-English commentaries, dictionaries, and other resource materials, Hebrew, Greek, and other ancient language texts and resource materials, numerous commentaries on any one single biblical book or on the entire scriptural canon, supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation, and pseudo-authoritative writings related to the two testaments. Multiple sites are given for each resource cited whenever possible.

Kay Thompson Sam Irvin, 2011-11-15 Presents a tribute to the Hollywood entertainer-turned-author. Covers her close friendship with Judy Garland, contributions as a celebrity trainer, and creation of the mischievous six-year-old Plaza mascot, Eloise.

Reliable and Religious Kenneth E. Lawson, 2012 Chapter numbers in the Table of Contents do not match page numbers due to a printing error.

Autobiography of Samuel S. Hildebrand Samuel S. Hildebrand, 1870

Pure Grit Mary Cronk Farrell, 2014-02-25 "Farrell chronicles the harrowing story of U.S. Army and Navy nurses based in the Philippines during WWII . . . a memorable portrayal." -Booklist (starred review) In the early 1940s, young women enlisted for peacetime duty as U.S. Army nurses. But when the Japanese

attack on Pearl Harbor in 1941 blasted the United States into World War II, 101 American Army and Navy nurses serving in the Philippines were suddenly treating wounded and dying soldiers while bombs exploded all around them. The women served in jerry-rigged jungle hospitals on the Bataan Peninsula and in underground tunnels on Corregidor Island. Later, when most of them were captured by the Japanese as prisoners of war, they suffered disease and near-starvation for three years. *Pure Grit* is a story of sisterhood and suffering, of tragedy and betrayal, of death and life. The women cared for one another, maintained discipline, and honored their vocation to nurse anyone in need—all 101 coming home alive. The book is illustrated with archival photographs and includes an index, glossary, and timeline. “Farrell doesn’t spare her young readers any grim details . . . She includes the challenges these women faced and the joy they felt on returning home. As awful as history can be, now might be the right time to introduce the next generation to this important period.” —The Washington Post “Young readers who enjoyed Tanya Lee Stone’s *Almost Astronauts: 13 Women Who Dared to Dream* will also appreciate this story of courageous women whose story was nearly forgotten.” —School Library Journal

Vernacular Insurrections Carmen Kynard, 2013-04-02 Relates Black Freedom Movements to literacy education. Winner of the 2015 James M. Britton Award presented by the Conference on English Education, a constituent organization within the National Council of Teachers of English Carmen Kynard locates literacy in the twenty-first century at the onset of new thematic and disciplinary imperatives brought into effect by Black Freedom Movements. Kynard argues that we must begin to see how a series of vernacular insurrections—protests and new ideologies developed in relation to the work

of Black Freedom Movements—have shaped our imaginations, practices, and research of how literacy works in our lives and schools. Utilizing many styles and registers, the book borrows from educational history, critical race theory, first-year writing studies, Africana studies, African American cultural theory, cultural materialism, narrative inquiry, and basic writing scholarship. Connections between social justice, language rights, and new literacies are uncovered from the vantage point of a multiracial, multiethnic Civil Rights Movement. Carmen Kynard is Associate Professor of English at St. John's University.

Radical Origins Val Dean Rust, 2004 Val D. Rust's *Radical Origins* investigates whether the unconventional religious beliefs of their colonial ancestors predisposed early Mormon converts to embrace the (radical) message of Joseph Smith Jr. and his new church. Utilizing a unique set of meticulously compiled genealogical data, Rust uncovers the ancestors of early church members throughout what we understand as the radical segment of the Protestant Reformation. Coming from backgrounds in the Antinomians, Seekers, Anabaptists, Quakers, and the Family of Love, many colonial ancestors of the church(s) early members had been ostracized from their communities. Expelled from the Massachusetts Bay Colony, some were whipped, mutilated, or even hanged for their beliefs. Rust shows how family traditions can be passed down through the generations, and can ultimately shape the outlook of future generations. This, he argues, extends the historical role of Mormons by giving their early story significant implications for understanding the larger context of American colonial history. Featuring a provocative thesis and stunning original research, *Radical Origins* is a remarkable contribution to our understanding of religion in the development of American culture and

the field of Mormon history.

Journey to Freedom Gail Shaffer Blankenau, 2014 With her fourth solo album, Michelle Williams takes listeners on a faith-filled journey. It also includes the single Say Yes, which features her fellow Destiny's Child members Kelly Rowland and Beyonce.

Racial Uplift and American Music, 1878-1943 Lawrence Schenbeck, 2012-02-03 Racial Uplift and American Music, 1878-1943 traces the career of racial uplift ideology as a factor in elite African Americans' embrace of classical music around the turn of the previous century, from the collapse of Reconstruction to the death of composer/conductor R. Nathaniel Dett, whose music epitomized "uplift." After Reconstruction many black leaders had retreated from emphasizing "inalienable rights" to a narrower rationale for equality and inclusion: they now sought to rehabilitate the race's image by stressing class distinctions, respectable middle-class behavior, and service to the masses. Musically, the black intelligentsia resorted to European models as vehicles for cultural vindication. Their response to racism was to create and promote morally positive, politically inoffensive art that idealized the race. By incorporating black folk elements into the dignified genres of art song, symphony, and opera, "uplifters" demonstrated worthiness through high achievement in acknowledged arenas. Their efforts were variously opposed, tolerated, or supported by a range of white elites with their own notions about African American culture. The resulting conversation—more a stew of arguments than a dialogue—occupied the pages of black newspapers and informed the work of white philanthropists. Women also played crucial roles. Racial Uplift and American Music, 1878-1943 examines the lives and thought of personalities central to musical uplift—Dett, Sears CEO Julius Rosenwald,

author James Monroe Trotter, sociologist W. E. B. Du Bois, journalist Nora Douglas Holt, and others—with an eye to recognizing their contributions and restoring their stature.

Directory of Geoscience Departments 2015 Carolyn Wilson, 2015-02-27 The Directory of Geoscience Departments 50th Edition is the most comprehensive directory and source of information about geosciences departments and researchers available. It is an invaluable resource for individuals working in the geosciences or must identify or work with specialists on the issues of Earth, Environmental, and related sciences and engineering fields. The Directory of Geoscience Departments 50th Edition provides a state/country-sorted listing of nearly 2300 geoscience departments, research departments, institutes, and their faculty and staff. Information on contact information for departments and individuals is provided, as well as details on department enrollments, faculty specialties, and the date and source of faculty and staff's highest degree. New in the 50th edition: Listing of all US and Canadian geoscience theses and dissertations accepted in 2012 that have been reported to GeoRef Information Services, as well as a listing of faculty by their research specialty.

The Folly of Revolution S. Scott Rohrer, 2023-03-20 In this penetrating biography of Thomas Bradbury Chandler, S. Scott Rohrer takes readers deep into the intellectual world of a leading loyalist who defended monarchy, rejected rebellion and democracy, and opposed the American Revolution. Talented, hardworking, and erudite, this Anglican minister from New Jersey possessed one of the Church of England's most outstanding minds. Chandler was an Anglican leader in the 1760s and a key strategist in the effort to strengthen the American church in the years preceding the Revolution. He headed the campaign to create an Anglican bishopric in America—a cause that helped inflame tensions with American radicals unhappy with British policies. And, in the 1770s, his writings provided some of the most trenchant criticisms of the American revolutionary movement, raising fundamental questions about obedience, subordination, and rebellion that undercut Whig assertions about republicanism and popular control. Working from Chandler's library catalog and other primary sources, Rohrer digs into Chandler's political and religious beliefs, exploring their origins and the events in British history that shaped them. An intriguing and thoughtful reappraisal of a consequential figure in early American history, this biography will captivate students, scholars, and lay readers interested in politics and religion in Revolutionary-era America.

Right here, we have countless books **[Sam Hampton.htm](#)** and collections to check out. We additionally give variant types and with type of the books to browse.

The agreeable book, fiction, history, novel, scientific research, as competently as various extra sorts of books are readily affable here.

As this Sam Hampton.htm, it ends stirring innate one of the favored book Sam Hampton.htm collections that we have. This is why you remain in the best website to look the incredible book to have.
