Lake Monster Mysteries Benjamin Radford, Joe Nickell, 2006-05-05 Winner of the 2007 Gray's Lake FCBC Book Award For centuries, eyewitnesses around the world—from America to Africa, Argentina to Scotland—have reported sightings of dark, mysterious creatures in area lakes that surface briefly, only to quickly disappear. While the most famous lake monsters of Loch Ness and Lake Champlain have gained international notoriety, hundreds of lakes around the world are said to shelter these shadowy creatures. Lake Monster Mysteries is the first book to examine these widespread mysteries from a scientific perspective. By using exhaustive research and results from firsthand investigations to help separate truth from myth, the authors foster our understanding of what really lurks in the cold, murky depths. Benjamin Radford and Joe Nickell are considered to be among the top lake monster authorities in the world. Here they share unique insights into many of the world's best-known lake monsters. They interview witnesses and local experts and discuss the different types of lake monster sightings, delve into possible explanations for those sightings, and examine hoaxes, evidence claims, and legends surrounding the monsters. The authors have also conducted groundbreaking fieldwork and experiments at the lakes and have examined recent photographic and sonar evidence. Incorporating newly-revealed information and up-to-date developments in the cases they present, professional monster hunters Radford and Nickell plunge into both the cultural histories of these creatures and the scientific inquiries that may hold the key to these mysteries.

Closing the Digital Divide Stewart Marshall, Wallace J. Taylor, Xinghuo Yu, 2003-07-30 Successful strategies and principles for using information technology to transform regional and community economies exist, and they are presented here with clarity and insight in a way that is useful to both practitioners and researchers. Although the communities discussed here range far and wide, from those in Russia to Australia and to Kenya, any community can benefit from enhanced utilization of information and communication technologies. The ways in which technology can help improve economic, social, cultural, and political conditions are as numerous and various as the communities themselves. In Central Queensland, Australia, community leaders have brought in a high-tech expert advisory system to help them control weed infestation. New Zealand and Australia have pioneered telehealth, the exchange of health care information and the delivery of some services across great distances. In Russia, wiring a community was found to be about more than mere hardware and software; vital to the process was understanding how communities provide access to information technology, how authorities and volunteers can improve computer literacy among citizens, and how connectivity can be extended to greater numbers of people. In some areas of south Asia, nongovernmental organizations have teamed up with local governments to increase access, empowerment, and e-commerce opportunities. These are but a few of the ways this volume contributes to our knowledge base about the impact of technology on economic development.

Tropical Gothic in Literature and Culture Justin D. Edwards, Sandra G.T. Vasconcelos, 2016-01-13 Tropical Gothic examines Gothic within a specific geographical area of 'the South' of the Americas. In so doing, we structure the book around geographical coordinates (from North to South) and move between various national traditions of the gothic (Mexico, Argentina, Brazil, etc) alongside regional manifestations of the Gothic (the US south and the Caribbean) as well as transnational movements of the Gothic within the Americas. The reflections on national traditions of the Gothic in this volume add to the critical body of literature on specific languages or particular nations, such as Scottish Gothic, American Gothic, Canadian Gothic, German Gothic, Kiwi Gothic, etc. This is significant because, while the Southern Gothic in the US has been thoroughly explored, there is a gap in the critical literature about the Gothic in the larger context of region of 'the South' in the Americas. This volume does not pretend to be a comprehensive examination of tropical Gothic in the Americas; rather, it pinpoints a variety of locations where this form of the Gothic emerges. In so doing, the transnational interventions of the Gothic in this book read the flows of Gothic forms across borders and geographical regions to tease out the complexities of Gothic cultural production within cultural and linguistic translations. Tropical Gothic includes, but is by no means limited to, a reflection on a region where European colonial powers fought intensively against indigenous populations and against each other for control of land and resources. In other cases, the vast populations of African slaves were transported, endowing these regions with a cultural inheritance that all the nations involved are still trying to comprehend. The volume reflects on how these histories influence the Gothic in this region.

The Mormon Deception John Ankerberg, John Weldon, 2012-01-11 The Mormon Deception examines the LDS claim to be the only true church of Jesus Christ on the earth. It shows how Mormon teaching on salvation conflicts with biblical teaching. It also explains why Mormonism does not believe in the biblical Jesus Christ. It further documents that Joseph Smith was a false prophet something that Mormonism agrees would undermine the very foundation of Mormonism.

Fading Ads of New York City Frank Jump, 2011-11-21 New York City is eternally evolving. From its iconic skyline to its side alleys, the new is perpetually being built on the debris of the past. But a movement to preserve the city's vanishing landscapes has emerged. For nearly twenty years, Frank Jump has been documenting the fading ads that are visible, but less often seen, all over New York. Disappearing from the sides of buildings or hidden by new construction, these signs are remnants of lost eras of New York's life. They weave together the city's unique history, culture, environment and society and tell the stories of the businesses, places and people whose lives transpired among them – the story of New York itself. This photo-documentary is also a study of time and space, of mortality and living, as Jump's campaign to capture the ads mirrors his own struggle with HIV. Experience the ads – shot with vintage Kodachrome film – and the meaning they carry through acclaimed photographer and urban documentarian Frank Jump's lens.

Sandra Cisneros' the House on Mango Street - the Search for Identity As a Woman and As a Writer Florian Wenz, 2013-08 Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Bamberg (Lehrstuhl für Anglistik), course: Chicano Literature, language: English, abstract: In the following text I would like to give an approach to the identity of the protagonist Esperanza Cordero in the novel The House on Mango Street. I will start with a short summary of the book. In part 3 I will take a closer look on the characters in her environment that coined her most during the stay on Mango Street. Part 4 finally will occupy with Esperanza's identity, on the one hand as a woman and on the other hand as a writer. In part 5 I will sum up my results and draw a conclusion.

Reading Rio de Janeiro Zephyr Frank, 2016-01-06 Reading Rio de Janeiro blazes a new trail for understanding the cultural history of 19th-century Brazil. To bring the social fabric of Rio de Janeiro alive, Zephyr Frank flips the historian's usual interest in literature as a source of evidence and, instead, uses the historical context to understand literature. By focusing on the theme of social integration through the novels of José de Alencar, Machado de Assis, and Aluísio Azevedo, the author draws the reader's attention to the way characters are caught between conflicting moral imperatives as they encounter the newly mobile, capitalist, urban society, so different from the slave-based plantations of the past. Some characters grow and triumph in this setting; others are defeated by it. Though literature infuses this social history of 19th-century Rio, it is replete with maps, graphs, non-fiction sources, and statistical data and analysis that are the historian's stock-in-trade. By connecting a literary understanding of the social problems with the quantitative data traditional historical methods provide, Frank creates a richer and deeper understanding of society in 19th-century Rio.

The Madwoman in the Volvo: My Year of Raging Hormones Sandra Tsing Loh, 2014-05-05 From an "imaginatively twisted and fearless" writer (Los Angeles Times), a hilarious memoir of middle age. In a voice that is wry, disarming, and totally candid, Sandra Tsing Loh tells the moving and laugh-out-loud tale of her roller coaster through the change. This is not your grandmother's menopause story. Loh chronicles utterly relatable, everyday perils: raising preteen daughters, weathering hormonal changes, and the ups and downs of a career and a relationship. She writes also about an affair and the explosion of her marriage, while managing the legal and marital hijinks of her eighty-nine-year-old dad. The upbeat conclusion: it does get better.

Videohound's Golden Movie Retriever, 1997 Visible Ink, Craddock, 1996-08 The alternative life raft in a sea of similarity, VideoHound competes on content, categories, and indexing, but the dramatic difference is the attitude. Irreverent, slightly tongue-in-cheek, the Hound never takes himself too seriously. The 1997 edition, fully expanded and updated with 1,000 new entries, provides information and opinions on 22,000-plus videos--more than any other guide on the market--including documentaties, made-for-TV movies, and animated features. Includes Web site entertainment directory.

Depth Takes a Holiday Sandra Tsing Loh, 1996 In a town where everybody at least pretends to be Somebody, Sandra Tsing Loh reveals the truth about the amount of (slightly rubbery) Canadian Brie served, the \$2.99 Chardonnay consumed while airily discussing UCLA Extension How to Write a Screenplay in One Day courses, the Melrose Place-style divans suavely reupholstered with staple guns, and the treasured but oh-so-tenuous ties to the studios (aka: somebody's neighbor's best friend just got a job reading scripts for Paramount at \$8 an hour). With these collected favorites - ranging from IKEA! Cry of a Lost Generation to Hey, Gang, It's Baywatch! - Tsing Loh's brand of wry, self-deprecating wit is sure to win her new fans all across the country... and to cement her title as the Fran Lebowitz of the futon set.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Betrayal Sandra Schwab, 2017-05-09 On a golden day in early summer, two young boys meet in the crowded streets of Florence and change the lives of a man and a woman forevermore. For seventeen years Ash has been eaten up alive by bitterness and hatred, caught fast in the clutches of the past. For seventeen years he has not been able to look at the boy he raised as his heir and not remember the terrible betrayal he had to endure. And yet, for seventeen years he has closed his eyes against the even more terrible truth ...Seventeen years ago Georgina fled from England and all she ever held dear. But for the sake of her child, she must return to confront the man whom she once loved more than life itself until lies and deceit tore her life and marriage apart.

The Warlord's Wife Sandra Lake, 2015-03-17 A stunning historical romance from debut author Sandra Lake transports readers to 12th century Sweden, where a powerful Viking lord will discover a fierce heart cannot be taken by mere force. Lida was married to the love of her life for just two months when she became a widow. Pregnant and disowned by her late husband's family for suspected infidelity, she was forced to return to her family in shame. Eight years later, uninterested in the prospect of finding another husband, she finds herself the unwilling object of a marriage contract with a powerful warlord. In a day, she is wed, bed, and put on a ship headed for Tronscar; an unknown icy stone and steel fortress. Jarl Magnus is pleased to have taken a strong wife who, however stubborn she may be, will surely produce sons. However, he is less pleased with his wife's additional baggage—a young daughter. But despite himself, Magnus falls for the daughter just as hard as the mother, and Lida's heart is warmed to see the cold, serious Jarl move surprisingly fast into the role of stepfather. When enemies attack Tronscar, Jarl Magnus's nerves of steel waver, as the warrior fears his love for Lida will weaken him. But when his family is threatened, he'll go to war to protect them, discovering along the way that they have the strength to protect themselves. "With compelling characters and a clever plot, *The Warlord's Wife* will appeal to readers obsessed with TV's Vikings, and who miss the classic Viking romances of Catherine Coulter or Johanna Lindsey."—Heroes and Heartbreakers "Lake's debut historical romance is sure to appeal to those who enjoy spirited heroines, grumpy alpha heroes, and a slow sweet journey to everlasting love."—Smexy Books "Man, this was a fun book! ... I cut my teeth on Johanna Lindsey, and this book reminded me so much of those experiences."—Dear Author Sandra Lake lives with her husband and son in Quebec, Canada. *The Warlord's Wife* is her debut novel.

Shattered Hopes Josh Ruebner, 2014-10-07 President Barack Obama's first trip abroad in his second term took him to Israel and the Palestinian West Bank, where he despondently admitted to those waiting for words of encouragement, "It is a hard slog to work through all of these issues." Contrast this gloomy assessment with Obama's optimism on the second day of his first term, when he appointed former Senate Majority Leader George Mitchell as his special envoy for Middle East peace, boldly asserting that his administration would "actively and aggressively seek a lasting peace between Israel and the Palestinians." How is it that Obama's active and aggressive search for progress has become mired in the status quo? Writer and political analyst Josh Ruebner charts Obama's journey from optimism to frustration in the first hard-hitting investigation into why the president failed to make any progress on this critical issue, and how his unwillingness to challenge the Israel lobby has shattered hopes for peace. Written in a clear and accessible style by the advocacy director of a national peace organization and former Middle East analyst for the Congressional Research Service, *Shattered Hopes* offers an informed history of the Obama administration's policies and maps out a true path forward for the United States to help achieve Israeli-Palestinian peace.
