Lake Monster Mysteries Benjamin Radford,Joe Nickell,2006-05-05 Winner of the 2007 Gray's Lake FCBC Book Award For centuries, eyewitnesses around the world—from America to Africa, Argentina to Scotland—have reported sightings of dark, mysterious creatures in area lakes that surface briefly, only to quickly disappear. While the most famous lake monsters of Loch Ness and Lake Champlain have gained international notoriety, hundreds of lakes around the world are said to shelter these shadowy creatures. Lake Monster Mysteries is the first book to examine these widespread mysteries from a scientific perspective. By using exhaustive research and results from firsthand investigations to help separate truth from myth, the authors foster our understanding of what really lurks in the cold, murky depths. Benjamin Radford and Joe Nickell are considered to be among the top lake monster authorities in the world. Here they share unique insights into many of the world's best-known lake monsters. They interview witnesses and local experts and discuss the different types of lake monster sightings, delve into possible explanations for those sightings, and examine hoaxes, evidence claims, and legends surrounding the monsters. The authors have also conducted groundbreaking fieldwork and experiments at the lakes and have examined recent photographic and sonar evidence. Incorporating newly-revealed information and up-to-date developments in the cases they present, professional monster hunters Radford and Nickell plunge into both the cultural histories of these creatures and the scientific inquiries that may hold the key to these mysteries.

Closing the Digital Divide Stewart Marshall,Wallace J. Taylor,Xinghuo Yu,2003-07-30 Successful strategies and principles for using information technology to transform regional and community economies exist, and they are presented here with clarity and insight in a way that is useful to both practitioners and researchers. Although the communities discussed here range far and wide, from those in Russia to Australia and to Kenya, any community can benefit from enhanced utilization of information and communication technologies. The ways in which technology can help improve economic, social, cultural, and political conditions are as numerous and various as the communities themselves. In Central Queensland, Australia, community leaders have brought in a high-tech expert advisory system to help them control weed infestation. New Zealand and Australia have pioneered telehealth, the exchange of health care information and the delivery of some services across great distances. In Russia, wiring a community was found to be about more than mere hardware and software; vital to the process was understanding how communities provide access to information technology, how authorities and volunteers can improve computer literacy among citizens, and how connectivity can be extended to greater numbers of people. In some areas of south Asia, nongovernmental organizations have teamed up with local governments to increase access, empowerment, and e-commerce opportunities. These are but a few of the ways this volume contributes to our knowledge base about the impact of technology on economic development.

Tropical Gothic in Literature and Culture Justin D. Edwards,Sandra G.T. Vasconcelos,2016-01-13 Tropical Gothic examines Gothic within a specific geographical area of 'the South' of the Americas. In so doing, we structure the book around geographical coordinates (from North to South) and move between various national traditions of the gothic (Mexico, Argentina, Brazil, etc) alongside regional manifestations of the Gothic (the US south and the Caribbean) as well as transnational movements of the Gothic within the Americas. The reflections on national traditions of the Gothic in this volume add to the critical body of literature on specific languages or particular nations, such as Scottish Gothic, American Gothic, Canadian Gothic, German Gothic, Kiwi Gothic, etc. This is significant because, while the Southern Gothic in the US has been thoroughly explored, there is a gap in the critical literature about the Gothic in the larger context of region of 'the South' in the Americas. This volume does not pretend to be a comprehensive examination of tropical Gothic in the Americas; rather, it pinpoints a variety of locations where this form of the Gothic emerges. In so doing, the transnational interventions of the Gothic in this book read the flows of Gothic forms across borders and geographical regions to tease out the complexities of Gothic cultural production within cultural and linguistic translations. Tropical Gothic includes, but is by no means limited to, a reflection on a region where European colonial powers fought intensively against indigenous populations and against each other for control of land and resources. In other cases, the vast populations of African slaves were transported, endowing these regions with a cultural inheritance that all the nations involved are still trying to comprehend. The volume reflects on how these histories influence the Gothic in this region.

The Mormon Deception John Ankerberg,John Weldon,2012-01-11 The Mormon Deception examines the LDS claim to be the only true church of Jesus Christ on the earth. It shows how Mormon teaching on salvation conflicts with biblical teaching. It also explains why Mormonism does not believe in the biblical Jesus Christ. It further documents that Joseph Smith was a false prophet something that Mormonism agrees would undermine the very foundation of Mormonism.

Betrayal Sandra Schwab,2017-05-09 On a golden day in early summer, two young boys meet in the crowded streets of Florence and change the lives of a man and a woman forevermore.For seventeen years Ash has been eaten up alive by bitterness and hatred, caught fast in the clutches of the past. For seventeen years he has not been able to look at the boy he raised as his heir and not remember the terrible betrayal he had to endure. And

yet, for seventeen years he has closed his eyes against the even more terrible truth ...Seventeen years ago Georgina fled from England and all she ever held dear. But for the sake of her child, she must return to confront the man whom she once loved more than life itself until lies and deceit tore her life and marriage apart.

Fading Ads of New York City Frank Jump,2011-11-21 New York City is eternally evolving. From its iconic skyline to its side alleys, the new is perpetually being built on the debris of the past. But a movement to preserve the city's vanishing landscapes has emerged. For nearly twenty years, Frank Jump has been documenting the fading ads that are visible, but less often seen, all over New York. Disappearing from the sides of buildings or hidden by new construction, these signs are remnants of lost eras of New York's life. They weave together the city's unique history, culture, environment and society and tell the stories of the businesses, places and people whose lives transpired among them – the story of New York itself. This photo-documentary is also a study of time and space, of mortality and living, as Jump's campaign to capture the ads mirrors his own struggle with HIV. Experience the ads – shot with vintage Kodachrome film – and the meaning they carry through acclaimed photographer and urban documentarian Frank Jump's lens.

Sandra Cisneros' the House on Mango Street – the Search for Identity As a Woman and As a Writer Florian Wenz,2013-08 Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Bamberg (Lehrstuhl für Anglistik), course: Chicano Literature, language: English, abstract: In the following text I would like to give an approach to the identity of the protagonist Esperanza Cordero in the novel The House on Mango Street. I will start with a short summary of the book. In part 3 I will take a closer look on the characters in her environment that coined her most during the stay on Mango Street. Part 4 finally will occupy with Esperanza's identity, on the one hand as a woman and on the other hand as a writer. In part 5 I will sum up my results and draw a conclusion.

Will I Go Postal? Sandra Heart,2010-05-21 Emotionally, a person could be destroyed. You have to figure out what is most important in your life. What comes first in your life? What do you love most? Who really gave you the job? You don't have to let the job work you into an institution. Will you work the job? Is going postal an option? Are you determined to work your job regardless of circumstances? Who is your trust in? You can claim peace! You can find peace!

Reading Rio de Janeiro Zephyr Frank,2016-01-06 Reading Rio de Janeiro blazes a new trail for understanding the cultural history of 19th-century Brazil. To bring the social fabric of Rio de Janeiro alive, Zephyr Frank flips the historian's usual interest in literature as a source of evidence and, instead, uses the historical context to understand literature. By focusing on the theme of social integration through the novels of José de Alencar, Machado de Assis, and Aluisio Azevedo, the author draws the reader's attention to the way characters are caught between conflicting moral imperatives as they encounter the newly mobile, capitalist, urban society, so different from the slave-based plantations of the past. Some characters grow and triumph in this setting; others are defeated by it. Though literature infuses this social history of 19th-century Rio, it is replete with maps, graphs, non-fiction sources, and statistical data and analysis that are the historian's stock-in-trade. By connecting a literary understanding of the social problems with the quantitative data traditional historical methods provide, Frank creates a richer and deeper understanding of society in 19th-century Rio.

Sandra and Me Phyllis Strickland,2019-03-08 It was August of 1947 when two little girls met for the first time, spotting each other across back yards. Little did they know it was the beginning of a lifelong journey. In Sandra and Me, author Phyllis Strickland shares the memories of a lifetime friendship spent with her best friend, Sandra Miller, who passed away from cancer. Together, they shared the fun, mischief, and playtime of early childhood. They skipped merrily through their adolescence, delighting in their adventures and overcoming teenage tragedies. They entered adulthood, married, and raised and educated their children while carving out careers. Phyllis and Sandra moved cautiously into old age and discovered the joys of senior citizenship. Through it all, they leaned on each other for guidance and support. They experienced life's lessons together and honored each other's secrets until death. This memoir offers a humorous look at a friendship spanning nearly seventy years, its abrupt conclusion, and the inexpressible grief felt by those left behind. It serves as the fulfillment of a promise made to Sandra that their lifetime spent together would be written down to offer to all who knew this special lady a glimpse of parts of her life they may not have known.

May I Kiss You On The Lips, Miss Sandra? Sandra Bernhard,1999-11-09 Fragile, raw, daring, brilliant...Sandra Bernhard rocks. The actress, philosopher, comedian, and cult goddess is definitely back -- and feeling fabulous -- with a labor of love that'll knock her followers off their feet and draw new ones to her like a magnet. Stage, film, music, television -- in every performance, Bernhard has shocked and amused, titillated and broken every rule. With her first two books, *Confessions of a Pretty Lady* and *Love, Love, and Love* Bernhard's electrifying talent took to the page and burned it up with flashes of true brilliance -- the kind of writing that separates the powerful from the good. And now, in this new book, Sandra returns with a deeply personal collection of spicy tales, fiercely witty riffs, and sweet doses of wisdom. Here is Sandy as we know and love her -- and as we've never quite seen her before: heartrenderingly honest, with the mouth of a diva, the soul of a fighter, and the insight of a girl who has lived life big. Like a whisper in your ear, Sandy opens up her world: from her friendship with her loyal housepainter to her imagined history as as one of Jack Kennedy's lovers; from the sensual streets of Mogador to the comfort of her pristine L.A. bungalow; from her own poetry of romantic yearning and reflective prayer to dead-on truths brought to light in the heartbreaking and hilarious glow of fashion, celebrity, rock and spirituality. There is nothing Sandra Bernhard offers that doesn't deliver a pungent snap of truth and the surprise of unexpected emotion in this, her most revealing and entertaining book yet.

The Madwoman in the Volvo: My Year of Raging Hormones Sandra Tsing Loh,2014-05-05 From an “imaginatively twisted and fearless” writer (Los Angeles Times), a hilarious memoir of middle age. In a voice that is wry, disarming, and totally candid, Sandra Tsing Loh tells the moving and laugh-out-loud tale of her roller coaster through the change. This is not your grandmother's menopause story. Loh chronicles utterly relatable, everyday perils: raising preteen daughters, weathering hormonal changes, and the ups and downs of a career and a relationship. She writes also about an affair and the explosion of her marriage, while managing the legal and marital hijinks of her eighty-nine-year-old dad. The upbeat conclusion: it does get better.

Mother’s Children Sandra Maddix,2016-01-08 Mother’s Children is about a respect-driven family who are from a Mafia background in today’s world. The children do not know and do not care about the world around them because they had no need to; they had everything provided for them. Ignorant to how their desires were catered to as long as they received what they wanted, they could not care less. Mummy gave it to them regardless. Their mother saw no wrong in her children, even though they wreaked havoc in their community. They were her life. No mountain’s too high for Mummy to climb, as long as her babies had everything they wanted.

A Year in Van Nuys Sandra Tsing Loh,2001 Shares the anti-Hollywood life of Sandra Tsing Loh, self-described neurotic and public radio commentator.
