Reframing Consciousness Roy Ascott,1999 We are in the middle of a process of complex cultural transformation, but to what extent is this matched by the transformation in the way we see ourselves? This book covers a wide-ranging discussion on the interaction between Art, Science and Technology, and goes on to challenge assumptions about 'reality'. Loosely themed around four key elements of Mind, Body, Art and Values, the editor leads the investigation through the familiar territories of interactive media and artificial life, combining them with new and ancient ideas about creativity and personal identity. The contributing authors numb.

Lady of Skye Patricia Cabot,2001-02-21 Dr. Reilly Stanton, eighth Marquis of Stillworth, must mend his injured pride by proving himself a hero -- and not a drunken wastrel, as his former fiancée claimed. Against all sane advice, the Londoner takes a medical post in a tiny fishing village on the remote Isle of Skye -- and is convinced that he can cope with the primitive conditions, horrendous Highland weather, and rampant illness. But Miss Brenna Donnegal is another matter entirely.... Try as he might, Reilly cannot ignore the toweringly tall lady with flaming chestnut locks and an equally fiery will. She has filled her father's former role as the local physician, and is more than annoyed to find the urbane Dr. Stanton taking over her work and her father's cottage. By fair means or foul, she will give the usurper his comeuppance. But what begins as a sparking tug-of-war between two proud hearts soon flames to a passionate fire... Critically acclaimed author Patricia Cabot delivers an exquisitely warm and witty novel of love set against the dramatic backdrop of Scotland's magnificent Isle of Skye.

Bridging Islands Godfrey Baldacchino,2007 An island is a piece of land surrounded by water. But: what happens when bridges, causeways, tunnels- fixed links- irrevocably connect islands to mainlands? Is insularity, and its way of life, threatened? Or is it saved by virtue of a stronger integration with the world at large? Bridging Islands is a critical, interdisciplinary scoreboard of the pros and cons of bridging islands to mainlands. Internationally recognized scholars review the assorted socio-cultural, economic and political impacts of fixed links on small island communities. Included are chapters on Prince Edward Island's Confederation Bridge (celebrating its 10th anniversary in 2007), Cape Breton's Canso Causeway, islands in Quebec and Newfoundland, the Florida Keys, Ireland, France, Scotland, Sweden, and Singapore.

Finding Kyler Siobhan Davis, 2017-01-02 Two fractured hearts and a forbidden love they can't deny. You shouldn't want what you can't have... Faye Donovan has lost everything. After her parent's tragic death, she's whisked away from her home in Ireland when an unknown uncle surfaces as her new guardian. Dropped smack-dab into the All-American dream, Faye should feel grateful. Except living with her wealthy uncle, his fashion-empire-owning wife, and their seven screwed-up sons is quickly turning into a nightmare-especially when certain inappropriate feelings arise. Kyler Kennedy makes her head hurt and her heart race, but he's her cousin. He's off limits. And he's not exactly welcoming-Kyler is ignorant, moody, and downright cruel at times-but Faye sees behind the mask he wears, recognizing a kindred spirit. Kyler has sworn off girls, yet Faye gets under his skin. The more he pushes her away, the more he's drawn to her, but acting on those feelings risks a crap-ton of prejudice, and any whiff of scandal could damage the precious Kennedy brand. Concealing their feelings seems like the only choice. But when everyone has something to hide, a secret is a very dangerous thing. Being a fan of the Royals series and the Fallen Crest series this book had everything I love - drama, mystery, betrayal, love, friendship, and the bond of family. Emma. Goodreads Reviewer. NOTE FROM THE AUTHOR: Only suitable for readers aged seventeen and older due to mature content and language. Please note this book contains a forbidden love theme featuring first cousins and a cliff hanger. It is not a standalone read.

The Secret Heir Siobhan Davis, 2018-05-10 Is it her destiny to save them ... or destroy them? Now that Tori finally understands who she is and what's expected of her, she's in full-on freak-out mode. How will she save the galaxy from General Arantu's clutches when she can't even control her powers? Add that to the lack of retaliation by enemy alien forces, and everyone is on edge. Especially when they uncover evidence of a strange alien symbol with possible links to humans, and the mystery deepens. But that's not the only thing keeping Tori awake at night. Confused over the horrific vision she experienced the night of the Herassan attack, Tori is terrified of revealing details of her protectors' supposed fate, so she says nothing. Keeping stuff hidden never ends well, and as evil forces conspire against Tori and her four protectors, secrets and lies threaten to destroy everything they hope to achieve. While Tori grows closer to Coop, Maddox, and Beck, Dane remains distant, creating more tension and jeopardizing their bond. Then an unexpected newcomer arrives, casting suspicion over everything they believe they know. When Tori finally figures out what's going on, will she have time to warn the guys? Or is their fate already sealed? The second book in the captivating Alinthia series is intended for readers aged seventeen and older. This is upper YA/NA crossover reverse harem paranormal romance which gets steamier as the series develops. This book ends with a cliffhanger and cannot be read as a standalone. 92,000-word full-length novel.

Seducing Kaden Siobhan Davis, 2023-09-14 A new forbidden romance from USA Today & WSJ bestseller Siobhan Davis. Stand-alone with an HEA and no cliffhanger. Kaden The woman I love will never be mine because she already belongs to another. I've tried everything to forget her, but it's impossible when she occupies a starring role in my dreams. It doesn't help that, whenever I see her shapely curves around campus, she looks as miserable as I feel. I wonder if she misses me as much as I miss her. Short of putting a bullet through the skull of that gangster she's married to, I'm stuck in a hellhole of my own making. Until fate intervenes, setting us on a collision course we can't avoid. Evelina When I was a little girl, I dreamed of falling in love. The all-consuming sweep-you-off-your-feet kind of love I swooned over in movies. It didn't take long for that fairytale notion to come crashing down around me. Now I'm trapped in a marriage I despise with no way out. The only light in the dark is Kaden Kennedy-the one true love of my life. He doesn't know he is, because I'm forced to love him from afar, condemned to toss and turn at night, crying over everything I want and all I can never have. Seeing him day in, day out, destroys me, but there's no other choice; I had to push him away to keep him safe. Because if my husband ever finds out I'm in love with one of my students, I won't be the only one in danger. While you don't need to read the earlier books in this series to enjoy *Seducing Kaden*, it is highly recommended. This book is a contemporary new adult romance, and it is only recommended for readers aged eighteen and older due to mature content and language. This

story includes details of an extramarital affair, so if you don't like cheating or controversial storylines, then this book isn't for you.

The Irish Getaway Siobhan Davis, 2018-09-26 An optional short novel in the highly-addictive Kennedy Boys series by USA Today bestseller Siobhan Davis. The Kennedy Boys go wild on vacation in Ireland! It's the summer before they start college, and Faye and Ky are visiting her home turf together-it's Ky's first time in Ireland, and her first trip home since her parent's tragic death. After a blissful three weeks on their own, they welcome the rest of the Kennedy clan when they arrive on Irish soil for the vacation of a lifetime. Watch the sparks fly as family emotions run high and the Kennedy boys' party up a storm, creating mayhem and madness wherever they go. This dual POV short novel should only be read after *Keeping Kyler*. This book also includes bonus content from *Finding Kyler*, *Losing Kyler*, a sample from *Loving Calvin*, and a sneak peek at *Saving Brad*, the fifth Kennedy Boys novel.

Loving Calvin Siobhan Davis, 2017-09-09 A friends-to-lovers second-chance romance from USA Today bestseller Siobhan Davis. Standalone with HEA and no cliffhanger. Lana I knew it would end in disaster, but I didn't listen to reason. I didn't care. Because I loved him so much. Calvin Kennedy ruled my heart. Until he destroyed it. Shattered it so completely that I became someone else. Someone I loathed. Someone who repeatedly lied to her loved ones. So, I ran. From him. From myself. Desperate to hide my new reality. But I could only run so far. When he reappears in my life, I'm terrified. Unbelievably scared of facing the consequences of my actions. Never mind that I still love him and want him so badly-there's too much at stake now. How can I trust him with the biggest secret of all when he's likely to rip my world apart again? Calvin Lana was always far too good for me. Everyone knew it but her. I tried to stay away, but I was weak. And I hurt her. Crushed her until she barely resembled herself. Forced her to follow a path she would never have willingly chosen. And then she was gone. And my world has never felt as empty, as lonely. She begged me to stay away. Not to find her. To forget she ever existed. But that's like asking me to slice my heart in two and toss half aside. I've never believed in fate, but when I rock up to the University of Florida, I'm ready to eat my words. Because she's here. Like I hoped she would be. And I'm determined to prove I deserve a second chance. Will I enjoy this book? If you enjoy emotional, angsty, second-chance romance with hot guys and a dash of drama set within a college backdrop then you should enjoy *Loving Calvin*! While you don't need to read the first three books in this series to enjoy *Loving Calvin*, it is highly recommended. This book is upper young adult/new adult, and it is only suitable for readers aged seventeen and older due to mature content, sexual situations, and language. This book, like its predecessors, contains a controversial subject which, on this occasion, relates to something Lana did to Kal previously that some readers might find unforgivable. If you don't like being stretched out of your comfort zone, then I'd recommend you skip this book.

Keeping Kyler Siobhan Davis, 2023-09-14 The captivating third book in the Kennedy Boys series concludes Faye and Kyler's love story. Nothing or no one will keep them apart. Kyler Kennedy is in the wind. Shocked and upset, he has taken off on a solo mission-to track down his mom's ex and demand answers. Faye understands what it's like to have your world turned upside down. Determined to support her boyfriend, she gives chase, yet nothing could prepare her for the ugly truth. Ky has always been plagued with inner demons, and as he falls apart, Faye finally discovers what he's been hiding from her-from everyone. When serious accusations arise, Kyler's future hangs in the balance. But the Kennedys stick together in times of crisis, and they rally around him now. At least there is nothing to prevent Faye and Ky from being together. They go public with their relationship, but not everyone is thrilled for them. Bitter enemies reappear, and fresh battle lines are drawn, but Faye is ready to fight back. No one is taking her new family from her. Especially not a manipulative ex. With time running out for Kyler, Faye takes matters into her own hands. But when you play with fire, you risk getting burned. Books in this Series *Finding Kyler* *Losing Kyler* *Keeping Kyler* *The Irish Getaway* *Loving Calvin* *Saving Brad* *Seducing Kaden* *Forgiving Keven* *Summer in Nantucket* *Releasing Keanu* *Adoring Keaton* *Reforming Kent* *Moonlight in Massachusetts*
