Army Center of Military History

The Snowy Nap Jan Brett, 2018-10-16 In this instant winter classic, Jan Brett's Hedgie tries to stay awake so he doesn't miss out on all the snowy fun his friends are having. A chill is in the air, and as Hedgie trundles around the farm all his friends tell him of the winter-time fun he will miss as he hibernates: Icicles decorating the chicken coop! Lisa making snowmen! The pond turned to slippery ice! It sounds so amazing that Hedgie decides to stay awake instead of going to his burrow. But then, a snowstorm starts. Luckily, Lisa finds him and brings him to her home, so Hedgie gets to see the wonders of winter from inside the cozy house. From the creator of winter classics like *The Mitten*, *The Animals' Santa*, and *The Three Snow Bears* comes another seasonal adventure that is sure to warm the heart.

Robert Frost's Poetry of Rural Life George Monteiro, 2015-02-23 "Wise old Vergil says in one of his Georgics, 'Praise large farms, stick to small ones,'" Robert Frost said. "Twenty acres are just about enough." Frost started out as a school teacher living the rural life of a would-be farmer, and later turned to farming full time when he bought a place of his own. After a sojourn in England where his first two books were published to critical acclaim, he returned to New England, acquired a new farm and became a rustic for much of the rest of his life. Frost claimed that all of his poetry was farm poetry. His deep admiration for Virgil's Georgics, or poems of rural life, inspired the creation of his own New England "georgics," his answer to the haughty 20th-century modernism that seemed certain to define the future of Western poetry. Like the "West-Running Brook" in his poem of the same name, Frost's poetry can be seen as an embodiment of contrariness.

Western Snowy Plover Habitat Conservation Plan, 2010

Jan Brett's Snowy Treasury Jan Brett, 2009 Collects four winter tales including the story of a runaway gingerbread baby, a child's lost mitten, and three polar bears visited by a young girl.

Violent Conflicts in Indonesia Charles A. Coppel, 2006-04-07 Indonesia is currently affected by many serious conflicts which have arisen as a result of a variety of ethnic, religious and regional tensions. Presenting important new thinking on violent conflict in the world's largest Muslim-majority nation, this book examines a selection of conflicts in detail and discusses the nature of violence and the reasons behind violent outbreaks. Chapters include analysis of conflicts in Aceh, East Timor, Maluku, Java, West Kalimantan, West Papua and elsewhere. The contributors provide analysis of political, ethnic and nationalistic killings, with a concentration on the post-Suharto era. The book goes on to examine vital questions concerning the way in which violence in Indonesia is represented in the media, and explores ways in which violent conflicts could be resolved or prevented. The last section turns the focus onto victims of violence and forms of justice and retribution.

The Snowy Owl Eugene Potapov, Richard Sale, 2013-04-25 The Snowy Owl - possibly the world's sexiest bird - needs little introduction. This massive white owl breeds throughout the Arctic, wherever there are voles or lemmings to hunt, from Scandinavia through northern Russia to Canada and Greenland. Southerly movements in winter see North American birds travel as far south as the northern United States, while infrequent vagrants on the Shetlands and other northern isles are a magnet for birders. The Snowy Owl gives this popular bird the full Poyser treatment, with sections on morphology, distribution, palaeontology and evolution, habitat, breeding, diet, population dynamics, movements, interspecific relationships and conservation, supported by some fabulous photography. A major strength is the availability to the authors of Russian literature, which is generally out of reach for Western scientists.

Dig & Dig Deep Richard Arnold, 2013-03-09

Integrated River Basin Governance Bruce Hooper, 2005-08-31 Integrated River Basin Governance - Learning from International Experience is designed to help

practitioners implement integrated approaches to river basin management (IRBM). It aims to help the coming generation of senior university students learn how to design IRBM and it provides current researchers and the broader water community with a resource on river basin management. Drawing on both past and present river basin and valley scale catchment management examples from around the world, the book develops an integration framework for river basin management. Grounded in the theory and literature of natural resources management and planning, the thrust of the book is to assist policy and planning, rather than extend knowledge of hydrology, biophysical modelling or aquatic ecology. Providing a classification of river basin organizations and their use, the book also covers fundamental issues related to implementation: decision-making. institutions and organizations. information management. participation and awareness. legal and economic issues. integration and coordination processes. building human capacity. Integrated River Basin Governance focuses on the social, economic, organizational and institutional arrangements of river basin management. Methods are outlined for implementing strategic and regional approaches to river basin management, noting the importance of context and other key elements which have been shown to impede success. The book includes a range of tools for river basin governance methods, derived from real life experiences in both developed and developing countries. The successes and failures of river basin management are discussed, and lessons learned from both are presented. The ebook for this title is available to download for free on the WaterWiki.

Ridiculous! Michael Coleman,1996 Instead of hibernating with her parents, a young turtle decides to explore the winter world outside their shed.

Building the World ,2006

Fox Volant of the Snowy Mountain Arif Dirlik,Guannan Li,Hsiao-peí Yen,2012-02-03 Within this text, the contributors provide a historical perspective on the development of anthropology and sociology since their introduction to Chinese thought and education in the early twentieth century, with an emphasis on the 1930s and 1980s. The authors offer different windows on theoretical and research agendas of anthropologists and sociologists of the PRC and Taiwan, shaped as much by their political context as by disciplinary training. In examining the careers of several individual scholars, they also make note not only of their creative contributions, but also of the resonance of their intellectual concerns with contemporary issues in sociology and anthropology (culturalism, frontiers, women). Finally, the volume is organized loosely around the problem of how to translate these disciplines into a Chinese context(s), the issues of indigenization (bentuhua) or making Chinese (Zhongguohua), which have haunted the two disciplines since their establishment in the 1930s because of the contradictory expectations that they generate. This is where the case of China resonates with similar concerns in other societies where the disciplines were imported from abroad as products of a Euro/American capitalist modernity, conflicting with aspirations to create their own localized alternative modernities.

Ten Ways to Hear Snow Cathy Camper,2020-10-13 A snowy day, a trip to Grandma's, time spent cooking with one another, and space to pause and discover the world around you come together in this perfect book for reading and sharing on a cozy winter day. One winter morning, Lina wakes up to silence. It's the sound of snow -- the kind that looks soft and glows bright in the winter sun. But as she walks to her grandmother's house to help make the family recipe for warak enab, she continues to listen. As Lina walks past snowmen and across icy sidewalks, she discovers ten ways to pay attention to what might have otherwise gone unnoticed. With stunning illustrations by Kenard Pak and thoughtful representation of a modern Arab American family from Cathy Camper, Ten Ways to Hear Snow is a layered exploration of mindfulness, empathy, and what we realize when the world gets quiet.

Australia Under Construction John Butcher,2008-04-01 The Australian nation

is a work in progress. So conclude the authors whose views are represented in this most recent offering in the ANZSOG monograph series, AUSTRALIA UNDER CONSTRUCTION: NATION-BUILDING PAST, PRESENT AND FUTURE. From its beginnings as a settler society through to present day concerns about 'broadbanding the nation', the nation-building narrative has resonated with Australians. The very idea of nation-building has both excited the popular imagination about what we might achieve as a society and a nation, and has occasioned despair about missed opportunities. The eleven authors contributing to this monograph reflect on these, and other themes from a variety of perspectives. They challenge our understanding of the term 'nation-building', reflect on its contemporary relevance as a framework for public policy and even re-appraise the contribution of past 'iconic' nation-building endeavours. To this subject the authors bring intelligence, wit and a healthy disdain for sacred cows. A stimulating read for anyone interested in the history, challenges and prospects of nation-building in Australia.

Nate the Great and the Snowy Trail Marjorie Weinman Sharmat, 1983-12-01
Beginning readers are introduced to the detective mystery genre in these chapter books. Perfect for the Common Core, kids can problem-solve with Nate, using logical thinking to solve mysteries! Nate the Great has his work cut out for him. Rosamond has lost his birthday present! But how can Nate find his missing present when Rosamond won't tell him what it is? Check out the Fun Activities section in the back of the book! Visit Nate the Great and Sludge! NateTheGreatBooks.com "Brisk and bright as always, with pictures of a lovably scowling Nate and a voguishly strange Rosamond . . . for added appeal."—Kirkus Reviews "Readers will have a dandy time following the case and will sympathize with Nate's wish that he had failed to solve it when he finds the dismaying 'present'."—Publishers Weekly "The tongue-in-cheek mystery unfolds briskly. Simont's . . . cartoons are in tune with Sharmat's comic touch."—Booklist

American Military History Volume 1 Army Center of Military History, 2016-06-05
American Military History provides the United States Army—in particular, its young officers, NCOs, and cadets—with a comprehensive but brief account of its past. The Center of Military History first published this work in 1956 as a textbook for senior ROTC courses. Since then it has gone through a number of updates and revisions, but the primary intent has remained the same. Support for military history education has always been a principal mission of the Center, and this new edition of an invaluable history furthers that purpose. The history of an active organization tends to expand rapidly as the organization grows larger and more complex. The period since the Vietnam War, at which point the most recent edition ended, has been a significant one for the Army, a busy period of expanding roles and missions and of fundamental organizational changes. In particular, the explosion of missions and deployments since 11 September 2001 has necessitated the creation of additional, open-ended chapters in the story of the U.S. Army in action. This first volume covers the Army's history from its birth in 1775 to the eve of World War I. By 1917, the United States was already a world power. The Army had sent large expeditionary forces beyond the American hemisphere, and at the beginning of the new century Secretary of War Elihu Root had proposed changes and reforms that within a generation would shape the Army of the future. But world war—global war—was still to come. The second volume of this new edition will take up that story and extend it into the twenty-first century and the early years of the war on terrorism and includes an analysis of the wars in Afghanistan and Iraq up to January 2009.

The Girl from Snowy River (The Matilda Saga, #2) Jackie French, 2012-12-01
In the tradition of *The Man from Snowy River* comes a gripping and courageous sequel to *A Waltz for Matilda*. The year is 1919. Thirty years have passed since the man from Snowy River made his famous ride. But World War I still casts its shadow across a valley in the heart of Australia, particularly for orphaned sixteen-year-old Flinty McAlpine, who lost a brother when the Snowy

River men marched away to war. Why has the man Flinty loves returned from the war so changed and distant? Why has her brother Andy 'gone with cattle', leaving Flinty in charge of their younger brother and sister and with the threat of eviction from the farm she loves so dearly? A brumby muster held under the watchful eye of the legendary Clancy of the Overflow offers hope. Now Flinty must ride to save her farm, her family and the valley she loves. Set among the landscapes of the great poems of Australia, this book is a love song to the Snowy Mountains and a tribute to Australia's poets who immortalised so much of our land. The Girl from Snowy River combines passion, heartbreak, history and an enduring love and rich understanding of our land. PRAISE FOR A WALTZ FOR MATILDA '... this absorbing saga abounds in social and historical detail' -- Magpies

Battersea Dogs & Cats Home: Snowy's Story Battersea Dogs and Cats Home, 2010-11-23 Twins Samuel and Lucy long for a puppy - and this year's Christmas is set to be the best ever, as they are taken to Battersea Dogs & Cats Home and meet Snowy, the little Saint Bernard! One day, Samuel and Snowy go off exploring, leaving Lucy behind. Feeling left out, she takes Snowy on a late-night adventure, but a blizzard sets in and Lucy is soon lost in the dark. Can Snowy lead her home to safety? Contains LOADS of information about Battersea Dogs & Cats Home - including how to adopt your very own dog or cat, dos and don'ts of looking after them, and fun pet-themed puzzles! Featuring a photo and fact-file of a real-life dog from Battersea!

Bradwood Landing Project, 2008

The Florida Quiz Book Hollee Temple, 2006-11-01 Do you know: How many acres of Florida's remaining natural areas have become infested with non-native plant species? Where is Estero Bay? What is the penalty for violating federal manatee protection laws? What river disappears underground in O'Leno State Park and re-emerges above ground in River Rise State Park? Learn this and more in this fun-filled guide to the little-known facts of Florida.
