*The Dreams of a Mappila Girl* B. M. Zuhara  
2022-05-24 'I grew up at a time when Muslim girls did not even have the freedom to dream.' As a young Muslim girl growing up in the 1950s in a small South Indian village, B. M. Zuhara had simple dreams—to go to the newly opened 'talkies' in town and watch a movie, play with her brothers in the rice fields, learn the ancient martial art of Kalari Payatu with them, stand on the bridge and listen to the songs sung by the farmhands as they worked. But she soon realised that even being the pampered, youngest child of her family would not help her in realising some of her dreams because of her gender. Set at the time when Independent India was embracing its new identity as a free nation, *Dreams of a Mappila Girl* provides a wide lens for the reader to view life in a semi-rural Kerala village. Zuhara recounts the social mores of the society she lived in and offers glimpses into the secluded lives of Muslim girls and women who, despite obstacles, made the best of their circumstances and contributed positively to their communities.

Auction of Emotions Yasir Monon 2018-04-22 This  
 collection of short stories is an attempt at painting  
 the closest possible picture of the daily lives of  
 people from the author's part of the world.

Various social topics and stigmas have been  
 portrayed here through the emotions and stories  
 of the characters in this short stories collection.  
 The objective of this presentation does not lie  
 towards influence but rather on the direction of  
 acquaintance. A few of the stories are inspired  
 from true events whereas others are pure work of  
 fiction derived from everyday information.

However, the issues addressed are as real as the  
 day is true. The author only hopes to make sure  
 that whichever the story may be, the readers are  
 touched by them and relate somehow with their  
 own lives. In addition, the translator has been  
 careful of keeping the real flavor of the stories  
 intact while trying to successfully tell these tales  
 in a foreign language. Her only hope is for the  
 forgiving heart of the readers should they run into  
 any transliteration mistakes.

**The Girl Behind the Navy Scarf** Hiral Rai  
 2021-07-28 The world is a drama Staged in a  
 dream Guru Nanak Hiral's story begins through  
 the symbolism and portent of dreams. On the  
 night when she is present at the birth of her  
 nephew, she is transported back to memories of  
 her mother and of growing up as part of a large,  
 Asian family, in the back streets of Manchester of  
 the 1980's. Her story illustrates the complex  
 duties, devotions and dramas of belonging in such  
 a family, and the bond of the mother-daughter  
 relationship that survived not one, but two  
 arranged marriages. In prose that shifts through  
 dreams and reality, the book is an intimate  
 portrait of a survivor of domestic abuse, of family  
 trust and loyalty and how Hiral eventually found  
 her own way in life through discovery and  
 fortitude, how she became a student of human  
 behaviour and qualified to be a therapist, using  
 her experience to help others. It is a deeply felt  
 and emotional journey, told with humour and  
 warmth, an intimate portrait of a woman trusting  
 her dreams and her faith.

**Shanti** Sabir Mirza 2006-12-14 The stories are based primarily on real events, which took place in different regions. It exhilarates the knowledge of the customs, traditions, social, cultural and moral values of the different nationalities. Some of the stories cast light, on certain fundamental human weakness. Two hard working persons, Augus and Zain, struggled strenuously to change their fates, but failed. A brave man, Rahim did not care to risk his life to help his neighbors. A charming and beautiful girl, Billo married a man whom she loved, but he already had a wife and children. A curse, befallen on an Indian family taught to love and care for the birds and creatures. Hammar, an old neglected donkey of Shibam, pathetically tells the atrocities of the best creation of God on the animals. A pretty Thai girl Helen, who could not marry her best boy friend, describes her bitter experiences. A poor Javanese girl, Shanti, laments her unfortunate ventures of an arranged marriage to an old person to repay his financial favors to her parents. After the death of her old husband, she married a young person of her choice, and her married life turned into a heaven. Later, Shanti got real satisfaction by helping the poor and needy girls.

Ink and Heart Sonam Kumari 2021-09-28 The book "Ink and heart" dwells in the world of emotions. Poetry gives rhythm to the soul and expressions to the heart. Life would have been incomplete without this soulful combination of #Ink and Heart#. This book covers an array of emotions such as Appreciation, Love, Motherhood, Parenting, Respect, Loneliness And so on. Through this piece of writing, emotions have come alive. They form a big portion of everyone's life. Without which, human existence doesn't sound alive. The writer hopes that in her book, every reader will find their Reflection in time. The words will leave thetheysmerized. They will be lost in the world with which once they did coincide.

*Jasmine* Darshan 2017-02-09 The book handles

variety of themes. The most remarkable thing about the themes is that they are quite new, and they make the readers feel that they are connected to their lives. The ideas are put in such way that it makes the reader feel that whatever happens in the lives of the characters resemble somewhere to his life. Most of the stories are tragic in nature and on reading the tragedies of the characters, the readers are bound to be moved. The book provides new reading experience to the readers. Emotions dealt with are so powerful that they compel the reader to read the book from the beginning till the end. Some stories carry suspense and to understand it, the reader has to wait till the end of the stories. Unexpected happenings, games of destiny, human errors committed unknowingly, failure and final demolition of the characters, and sudden rise in the lives of the characters attract the readers towards the book. The stories are so novel that every reader who has a feel for reading and whose favorite genre is short stories would read this book without fail.

**Syloti Sillok** Islam, MD 2022-12-22 Syloti Sillok

is a book about various Sylheti proverbs, idioms, and sayings that are used in everyday life by Sylhetis. In particular, the older generations were almost unable to go through a day without using some of these phrases. Unfortunately, they have not been well documented, and centuries of tradition and literary heritage are at risk of being lost. This book aims to capture some of these proverbs, idioms, and sayings, which have been collected from various sources and written in the actual Syloti-Nagri script, a script that is becoming extinct due to a lack of official use and a lack of formal government institutions teaching it. At the beginning of the book, the Sylheti-Nagri alphabet and numbers are provided for the reader's benefit, along with pronunciation or transliteration in Eastern-Nagari script (also known as Bengali or Bangla script) and Roman Script or English, along with translations in English. Some of these proverbs, idioms, and sayings are mind-blowing, amusing, and true in nature, but a few can also be about adult life and the bitter truth, which some readers may find offensive. The author has included these phrases in their original form, as they have been used for centuries, generation after generation, specifically before the decline of the Sylheti language, which started with the partition of India and Pakistan and continued with the independence of Bangladesh and the Banglanisation of the nation. Be warned, some of these proverbs and idioms are quite cheeky and will definitely bring a smile to your face with their great Sylheti humour.
