From the Fulda Gap to Kuwait Stephen P. Gehring, 1998 CMH Publication 70-56-1. This study describes how the United States Army, Europe (USAREUR), under the command of General Crosbie E. Saint, supported the armed response of the United States and the United Nations to Iraq's August 1990 invasion of Kuwait at the very time it was managing a fundamental transition in its fifty-year history of defending Central Europe. Discusses the complicated planning for the deployment and the rapid-fire implementation.

Jewish Meditation Aryeh Kaplan, 1995-03-14 Students of meditation are usually surprised to discover that a Jewish meditation tradition exists and that it was an authentic and integral part of mainstream Judaism until the eighteenth century. Jewish Meditation is a step-by-step introduction to meditation and the Jewish practice of meditation in particular. This practical guide covers such topics as mantra meditation, contemplation, and visualization within a Jewish context. It shows us how to use meditative techniques to enhance prayer using the traditional liturgy—the Amidah and the Shema. Through simple exercises and clear explanations of theory, Rabbi Kaplan gives us the tools to develop our spiritual potential through an authentically Jewish meditative practice.

Meditation and Kabbalah Aryeh Kaplan, 1995 Meditative methods of Kabbalah. A lucid presentation of the meditative methods, mantras, mandalas and other devices used, as well as a penetrating interpretation of their significance in the light of contemporary meditative research.

Fulda Gap Dieter Krüger, Volker Bausch, 2017-11-20 This edited collection examines the role of the Fulda Gap—located at the border between East and West Germany—in Cold War politics and military strategy. The contributors analyze the strategic deliberations of the Warsaw Pact and NATO, the balance of forces, the role of the local peace movement, and various other topics, while weaving together the history of the Cold War at local, European, and global levels.

Timechart of Military History David G. Chandler, 2003 Five thousand years of warfare are the subject of this spectacular, full-color book.

The Law of Athens Alick Robin Walsham Harrison, 1998-01-01 Volume I, completed in 1968, gives a systematic account of classical Athenian law concerning family and property. Volume II, on the law of obligations and of procedure, was unfinished at the time of the author's death in 1969. The part which concerns procedure was virtually complete and, edited by D. M. MacDowell, appeared in 1971.

MacDowell has provided a new Foreword for this edition as well as a select bibliography (from 1967 to the present), which appears in both volumes. Together these distinguished works form the most detailed study of Athenian law in the last half-century.

The International Law and Custom of Ancient Greece and Rome Coleman Phillipson,2023-07-18

This book provides a comprehensive analysis of the international law and customs of ancient Greece and Rome, offering an invaluable resource for scholars and students of classical history. Featuring detailed and authoritative analysis of the legal and political structures of both societies, it offers a fascinating insight into the origins of modern international law and the evolution of legal and political thought. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Worlds of Transformation Marilyn M. Rhie, Robert A. F. Thurman, David Paul Jackson, 1999-04 From the highly respected authors of Abrams' acclaimed *Wisdom and Compassion: The Sacred Art of Tibet* comes a new volume devoted to 200 sublime Tibetan thangka paintings from the premier New York collection of Shelley and Donald Rubin. The works span the 12th through 20th centuries and the spectrum of Tibetan artistic schools; each one is reproduced in color and most are published here for the first time. This magnificent volume presents an analysis of each painting in terms of iconography and religious meaning, style, regional lineage, and sources. In addition, David Jackson discusses the paintings of the Kagyupa order in the Rubin Collection. This volume continues the authors' groundbreaking efforts to understand the complexity of Tibetan art, and seeks to make these splendid and profound works accessible to a wider public.
