Directory of Wood-framed Building Deconstruction and Reused Building Materials Companies, 2004

Robert H. Falk,2004 This is a directory of companies involved in wood-framed building deconstruction, dismantling and reused building materials, with an emphasis on those that use, resell, and/or re-manufacture salvaged wood. Companies in this directory range in scope from those that carryout targeted building removals, such as historic barns, strictly for the purpose of harvesting the antique wood in these buildings, to companies that conduct residential and commercial demolition where the primary goal is building removal, and the recovery of materials is conducted opportunistically as a by-product. The bulk of companies listed are those that either

salvage or sell building materials. For ease of use, the directory lists companies two ways, alphabetically by state and then alphabetically by company type, and alphabetically by company type and then alphabetically by state.

Southern Cultures Harry L. Watson, Jocelyn Neal, 2012-03-01 In the Spring 2012 issue of *Southern Cultures*... Blood rains. Snow falls. Bourbon makes the man. The Kennamer Family John Robert Kennamer, Lorrin

Garfield Kennamer, 1924 After careful study of all sources for two years, the authors are of the opinion that [their Kennamer] forefathers were of High Dutch descent and lived in Holland near where that State borders with present-day Germany. ... They came to this country before the Revolutionary War and settled in the Carolinas.--Page 13. Some later went to Alabama. Hans Kennamer, with a large family, and his eldest son, Jacob, who was married, came to the Cove and settled among the Indians in 1798, or not later than 1805. This place is now known as Kennamer Cove. ... The records of Madison County, Alabama, show that Samuel, Stephen and Jacob Kennamer bought land in that county in 1809. ... It is a well-known fact that the sons of Hans Kennamer settled ... in the western part of Jackson County, the eastern part of Madison County, and the northern part of Marshall County. David and Abram resided in Madison County, while John Kennamer lived at the place where Paint Rock, Alabama, now is. ... Hans Kennamer died and was buried in Pisgah Cemetery, in Kennamer Cove, Alabama.--Page 14-15. Nothing is known of his wife. Son Jacob Kennamer (ca. 1776-1856) ... moved from Alabama to Giles County, Tennessee where he acquired ... land on Sugar Creek. ... He was married twice, but the names of his wives could not be ascertained. He was buried on Anderson Creek, in Lauderdale County, Alabama, near Foster's Mill.--P. 17-18. Also includes Kennamer, Kennemore, Canamore, Kennemur, Kennemer, Kenimer families of Georgia. Descendants and relatives lived in Alabama, Tennessee, Texas, California, Oklahoma, New Mexico, Missouri, Iowa,

Georgia and elsewhere

African-Centered Education Kmt G. Shockley, Kofi Lomotey, 2020-07-31 This volume brings together leading scholars and practitioners to address the theory and practice of African-centered education. The contributors provide (1) perspectives on the history, methods, successes and challenges of African-centered education, (2) discussions of the efforts that are being made to counter the miseducation of Black children, and (3) prescriptions for—and analyses of—the way forward for Black children and Black communities. The authors argue that Black children need an education that moves them toward leading and taking agency within their own communities. They address several areas that capture the essence of

what African-centered education is, how it works, and why it is a critical imperative at this moment. Those areas include historical analyses of African-centered education; parental perspectives; strategies for working with Black children; African-centered culture, science and STEM; culturally responsive curriculum and instruction; and culturally responsive resources for teachers and school leaders.

Tokyo Underworld Robert Whiting, 2010-09-29 A riveting account of the role of Americans in the evolution of the Tokyo underworld in the years since 1945. In the ashes of postwar Japan lay a gold mine for certain opportunistic, expatriate Americans. Addicted to the volatile energy of Tokyo's freewheeling underworld, they formed ever-shifting but ever-profitable alliances with warring Japanese and Korean gangsters. At the center of this world was Nick Zappetti, an ex-marine from New York City who arrived in Tokyo in 1945, and whose restaurant soon became the rage throughout the city and the chief watering hole for celebrities, diplomats, sports figures, and mobsters. Tokyo Underworld chronicles the half-century rise and fall of the fortunes of Zappetti and his comrades, drawing parallels to the great shift of wealth from America to Japan in the late 1980s and the changes in Japanese society and U.S.-Japan relations that resulted. In doing so, Whiting exposes Japan's extraordinary underground empire: a web of powerful alliances among crime bosses, corporate chairmen, leading politicians, and public figures. It is an amazing story told with a galvanizing blend of history and reportage.
