Marrying the Master Chloe Cox, 2013-04-01 A man she's loved for years.â€”A marriage of necessity.â€”An impossible situation. Lola Theroux wanted Roman Casta the moment she saw him. She knows she isn't special in that regard--every woman wants Roman Casta the moment she sees him. But Lola is the only one who knows why Roman doesn't do relationships, and she knows that he'll never see her as anything other than his best friend's little cousin--he'll always be her protector, never her lover. Even after five years of working together running New York's exclusive Club Volare, she's never caught his eye, and never had a chance to show him her submissive side. Until a campaigning politician targets Club Volare, and the only way to save the club is to get married--to Roman. Now they'll have to fool the public, the press, and their friends into thinking they're in love and in lust. For Lola, that isn't the hard part. The hard part is pretending to be Roman's sub without falling for a man she knows she can't have. Until one night changes everything...

*The 1964-1965 New York World's Fair* Bill Cotter, Bill Young, 2014-01-20 Advertised as the Billion-Dollar Fair, the 1964-1965 New York World's Fair transformed a sleepy park in the borough of Queens into a fantasy world enjoyed by more than 51 million visitors from around the world. While many countries and states exhibited at the fair, the most memorable pavilions were built by the giants of American industry. Their exhibits took guests backward and forward in time, all the while extolling how marvelous everyday life would be through the use of their products. Many of the techniques used in these shows set the standard for future fairs and theme parks, and the pavilions that housed them remain the most elaborate structures ever built for an American fair. The 1964-1965 New York World's Fair showcases the beauty of this international spectacular through

rare color photographs, published here for the first time.

Taken by Chance Chloe Cox, 2013-06 ~~ The newest edition in the USA TODAY bestselling Club Volare series, TAKEN BY CHANCE is an emotional, erotic romance about facing your fears. It is a stand alone novel that contains mature themes and content perfect for fans of FSOG or the Crossfire series. ~~ Lena Simone Maddox's life has been turned upside down. Trying to make it as an actress in LA while retaining her dignity has always been tough, but now? Her ex has leaked pictures. The kinds of pictures you don't want anyone to see. The kinds of pictures Lena didn't even know existed. So much for dignity--or respect. And so much for trusting men. Lena's been screwed over too many times to open her heart to anyone, ever again. So why does she have to keep reminding herself of that fact whenever she's around Chance Dalton? The owner of Volare LA and overall player is the guy who gets the paparazzi off her back. He's the gorgeous Dom who can actually make her feel sexual, even after all that's happened. And he's the one man who might be able to earn Lena's trust. Lena begs him to train her as a submissive, hoping to reclaim that part of her identity after her ex has taken everything else. But Chance has demons of his own. Things that happened years ago, things that he won't talk about. When Lena finds herself falling for the fiery Dom, she freaks. Can she trust this man with her heart? Will Chance give her a choice? **Oriental Religions in Roman Paganism** Franz Cumont, 2003-10-01 This study by the great Belgian historian Franz Cumont describes one aspect of the cultural meeting of east and west in the early Roman empire. It describes the great pagan religions of the orient, and tells how their religious thought and ceremonies permeated, altered, and revived Roman paganism. It provides a coverage of all the more important eastern religions of the time, from their first appearance in Rome,

204 B.C., when the great Mother of the Gods was first imported from Syria: The ecstatic cults of Phrygia and Syria; the worship of Cybele, the Magna Mater, Attis, Adonis; their orgies and mutilatory rites. The mysteries of Egypt; the worship of Serapis, Isis, Osiris, their closely hidden secret rites, redemption ceremonies. The dualism of Persia; the elevation of cosmic evil, to a full and equal partnership with the deity; the mysteries of Mithra. The worship of Hermes Trismegistos, and the documents ascribed to him; Sabazios, Ishtar, Astarte. The magic, thaumaturgy, judicial astrology of the ancient near east. The emotional and intellectual impact of the great civilized traditions of Egypt and Babylonia upon still barbarian Europe. Cumont's 'Oriental Religions in Roman Paganism' is the best general picture, on an intermediate level, of this important moment in cultural history. It is also of great value in analyzing an era which shared certain cultural problems with our own time.

**The Rise and Fall of the American Teenager** Thomas Hine, 2000-09-19 In the groundbreaking work, Thomas Hine examines the American teenager as a social invention shaped by the needs of the twentieth century. With intelligence, insight, imagination, and humor he traces the culture of youth in America—from the spiritual trials of young Puritans and the vision quests of Native Americans to the media-blitzed consumerism of contemporary thirteen-to-nineteen-year-olds. The resulting study is a glorious appreciation of youth that challenges us to confront our stereotypes, rethink our expectations, and consider anew the lives of those individuals who are blessing, our bane, and our future.
