Antichrist: The Beast Revealed Edward Hendrie,2015-04-16 The antichrist is among us, here and now. This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled. This book documents the man of sin's esoteric confession that he is the antichrist. You will learn how the antichrist has changed times and laws as prophesied by Daniel, and how he is today sitting in the temple of God, 'shewing himself that he is God,' in fulfillment of Paul's prophesy in 2 Thessalonians 2:4. The beast of Revelation has come into the world, 'after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness,' as prophesied in 2 Thessalonians 2:10.

Britannia's Dragon J.D. Davies,2013-07-01 Based on extensive research, The Naval History of Wales tells a compelling story that spans nearly 2,000 years, from the Romans to the present. Many Welsh men and women have served in the Royal Navy and the navies of other countries. Welshmen played major parts in voyages of exploration, in the navy's suppression of the slave trade, and in naval warfare from the Viking era to the Spanish Armada, in the American Civil War, both world wars and the Falklands War. Comprehensive, enlightening, and provocative, The Naval History of Wales also explodes many myths about Welsh history, naval historian J.D. Davies arguing that most Welshmen in the sailing navy were volunteers and that, relative to the size of national populations, proportionately more Welsh seamen than English fought at Trafalgar. Written in vivid detail, this volume is one that no maritime or Welsh historian can do without.
