The Legendary Daddy Alejandro

Magallanes,2017-06-20 A fathers journey is legendary. The life he lives after the birth of his child casts a light, or shadow, onto his progeny. This is the story of a father who realizes that his legend is as glorious as it is heartbreaking. His life-changing adventure serves as a guide for new parents, sending imperfect adults onto a life of heroic self-sacrifice.

Just Like Your Daddy Tiffany Parker,2021-06 JUST LIKE YOUR DADDY is an expressive story filled with daily affirmations for any young child. This story is meant to encourage and reiterate to them that GREAT daddies do exist. It's an important reminder that the narrative around black fathers and the negative perception of saying You're just like your daddy can be changed. It can be a good thing. It can be a really great thing. We have the power to break those cycles by speaking LIFE into our kids every chance we get. It is also a great reminder to our dads that our kids are always watching and want to be just like you!

Hey Daddy, Read This Don Roberts,

You're silly Daddy Craig Stevenson and Lili,2014 A story of a Dad who seems a bit silly but maybe there's more to him than meets the eye!

Who's the Daddy? Judy Christenberry,1999-05

Daddy by Default Pat Tucker,2012-09-25 Roxanne's husband, Parker Redman, is shocked when he's arrested for delinquent child support, especially since the devoted husband hasn't fathered any children. The Parkers' best friends, James and Serena, are in the final stages of a bitter

divorce. Just when James thinks his nightmare is over, he learns his daughter has a different daddy. For the love of money, single mom Lachez Baker is a ghetto-fabulous mother of three who seems to have it all, thanks to money from her children's fathers. But soon, her life of designer clothes, endless parties, and steady cash collides with the man who's been the target of her carefully crafted paternity fraud. From author Pat Tucker comes a drama-filled tale of lies, schemes and consequences as these men discover the importance of knowing the paternity laws in your state.

Daddy Jeannette Caines, 1977 A child of separated parents describes the special activities she shares with her father on Saturdays.

Who's Your Daddy? MikWright, Ltd., 2001-03-09 By now you know--MikWright ain't right! We take a gawk at the past with present-day jabs, never stopping to say we can't say that! If you think your family has issues, look at ours! What were they thinking? Oh, give it a few years and we'll be saying the same things about this year's hairdos and don'ts. (You really have to wonder about the person who invented the salmon leisure suit, though.) Tim and Phyllis, and now Bob, work very hard to provoke something in this rather bizarre world of political correctness. Look--we're all targets of something, right? Come on--when was the last time you went to the mall and didn't come away without seeing at least a dozen chromosomal mishaps? Exactly. So, put on your not-so-serious hat and enjoy this hilarious look at fathers. You might even find ol' dad (in the

bathroom or course) laughing at himself.

The Daddy Book Robert S. Stewart,1972 Describes the various activities of fathers at home and away.

Inspired by his own struggles and challenges, Jackson chose to share both his blunders and his wonders as a dad in an authentic and conversational tone. Inside you will find clear standards on the role of a father, help during the identity crisis years, and encouragement to the single mothers.Jackson Drumgoole was recognized by the National Father's Day Committee, GQ and the Ashok Sani Family Foundation as 2013's All-Star Dad for his embodiment of the values of fatherhood and leadership in the community. Jackson joined President Clinton and Macy's CEO Terry Lundgren during the 72nd Annual Father of the Year Awards. The Search for a Man Named Daddy Anne Hassett,2018-11-22 This is the story of Georgie, a little boy who at only 3 1½ years old is in mortal fear of his mother's boyfriend who he calls

the Rudy monster, and whose only comfort in his life of abuse are his memories of the man named daddy who works where the airplanes live. Of his mother Kellie whose yen for excitement led to the breakup of her marriage to an Airforce officer. Of Rex, the faithful old dog who knows that he must get his boy to a safe place even at the cost of his own life and who takes Georgie to find daddy. Of Captain Allenford, the man named Daddy who while in Afghanistan is powerless to save his little boy. Of Tim Forester, the cop who will stop at nothing, break all the rules and do whatever it to find Georgie and bring him home. And of the Rudy Monster whose brutality is matched only by his cowardice and love of violence.

Daddy's Story Baba Daddy, 2015 It's a story you shouldn't be reading, it's a personal journey that was originally written by a father for only his daughter's eyes. It's an emotional story that shows how a father was brought to his lowest point in his life where he could see no return. But the father held on; his daughter was his vision, his daughter was what kept him going, and kept them both from harm's way. It's all about a fathers love and devotion to his daughter, in a world where he struggles to grasp how parents can play games in aid to gain for themselves, in a world where fathers at times are pushed aside and their voices ignored and unheard, just like a child's, just like the life he lived. A father leaves his story for his daughter so she can understand in years to come, how he fought for her, how he gave up his life just so his daughter could be brought up in a normal way. It's now a fathers turn to

Speak up, to show his daughter and maybe the world how and why they have an unbreakable bond, to show how this bond has been tested and pushed to its limits. This story is for every person, for every mum for every dad who has a child they love, it's for every person who has a parent they love and cherish because this story will make you fall in love with how a father loves his daughter and how far he will go to make sure she is fine. It's a story to show the world, nothing can beat the love of your child and nothing should, it's a story he hopes will change the thinking of many people one day.

I Love You Daddy, I Love You More Vicki Addesso

Daddy, My Favorite Guy Icy Smith, Crystal Smith, 2013 Daddy, My Favorite Guy is a beautiful and poignant reassurance of a father's unconditional love. Daddy cooks, cleans, reads, and plays with his children. He is funny, caring, and understanding. This heartfelt story is told in warm and fun verse, rhyming in both English and Spanish.

Love You, Daddy Boy Karyn McLaughlin Frist, 2006 In this inspirational volume Frist not only assembles daughters' recollections of their fathers from the world of government and politics, but from all walks of life, including the worlds of entertainment, sports, literature, business, and religion. In exposing us to the unique bond each of these women had with their fathers, famous daughters and daughters of the famous reveal how their characters were built through their warm and inspirational relationships with Dad.

My Daddy Is Everything! ,2018-12-12 A young girl's day of reflecting on her father

Daddy, We Hardly Knew You Germaine Greer,1991-01-23 The most personal book from the renowned author of the landmark feminist treatise *The Female Eunuch* When her father died in 1983, Germaine Greer realized how little she knew about him. What had happened during World War II to make this charming but distant man draw a "curtain of silence" around himself? Why had he never spoken of his family? Why had he never shown her the love she craved? In this deeply moving book, Greer tells of the impassioned search she made for the truth about her father—a search that led her to a new understanding of herself as well. Her quest lasted three years and took her from England to Australia to Tasmania, India, and Malta; through scores of genealogical, civil, and military archives; and into the memories of the men and women who may—or may not—have known Reg Greer. Yet the heart of Greer's narrative is her own emotional journey, as the startling facts behind the façade her father had constructed force her painfully to examine her own notions of truth and loyalty, family and obligation. Praise for *Daddy, We Hardly Knew You* "A big, bold book . . . Ferocious psychic need and volcanic energy drive this combined memoir, detective story and travelogue from first to last."—*The New Yorker* "Riveting."—*Time*
