International Protection of Human Rights: Achievements and Challenges

Felipe Gómez Isa,Koen de Feyter,2006-01-01 At the beginning of the nineties, there was an expectation within the human rights community that the next decade would be a period of consolidation for the international human rights regime. This did not happen. In fact, the human rights regime underwent dramatic changes in response to new circumstances. We have tried to highlight both the achievements and the challenges ahead in this Manual, the result of a joint project under the auspices of HumanitarianNet, a Thematic Network on Humanitarian Development Studies leaded by the University of Deusto (Bilbao, the Basque Country, Spain), and the European Inter-University Centre for Human Rights and Democratisation (EIUC, Venice, Italy).
