Jill Finley

A Boy and His Tank Leo Frankowski, 2000 A combat veteran of virtual reality has to face real warfare on a planet where deadly radiation has forced the inhabitants to burrow deep underneath layers of gold to live out their lives. As tank warfare combines with virtual reality, the galaxy will never be the same.

Business in Society Mark Erickson, Carol Stephenson, Harriet Bradley, Steve Williams, 2009-06-22 What's the point of studying business from a social perspective? How can sociology aid my understanding of the big issues facing businesses today? Can thinking sociologically really equip me better for a career in business? This book provides an indispensable introduction to business and organizations from a social perspective. Using classic and contemporary ideas and evidence, the book explores the connections between people, work, organizations and society. Carefully illustrated with a range of up-to-date case studies, the book shows how sociology can shed light on current developments in the business world. Drawing on their considerable experience of teaching sociology to a range of audiences, the authors provide a straightforward but still stimulating step-by-step guide to issues such as: discrimination and diversity in the workplace; trade unionism and industrial disputes; the need for ethics and legislation; and the changing roles of managers and employees. The book provides: Clearly-defined learning aims; Questions for discussion and reflection; Annotated suggestions for further reading; In-depth case studies linking sociological ideas to business realities. Written with the needs of students taking degrees outside the traditional social sciences in mind, such as business studies, human resources and management, the book is suitable for those approaching sociology for the

very first time. Accessible and inspirational, it will help students to grasp new and exciting possibilities for thinking about business in the contemporary world.

Scientology in Popular Culture Stephen A. Kent, Susan Raine, 2017-07-14 This multidisciplinary study of Scientology examines the organization and the controversies around it through the lens of popular culture, referencing movies, television, print, and the Internet—an unusual perspective that will engage a wide range of readers and researchers. For more than 60 years, Scientology has claimed alternative religious status with a significant number of followers, despite its portrayals in popular culture domains as being bizarre. What are the reasons for the vital connections between Scientology and popular culture that help to maintain or challenge it as an influential belief system? This book is the first academic treatment of Scientology that examines the movement in a popular-culture context from the perspective of several Western countries. It documents how the attention paid to Scientology by high-profile celebrities and its mention in movies, television, and print as well as on the Internet results in millions of people being aware of the organization—to the religious organization's benefit and detriment. The book leads with a background on Scientology and a discussion of science fiction concepts, pulps, and movies. The next section examines Scientology's ongoing relationship with the Hollywood elite, including the group's use of celebrities in its drug rehabilitation program, and explores movies and television shows that contain Scientology themes or comedic references. Readers will learn about how the Internet and the mainstream media of the United States as well as of Australia, Germany, and the UK have regarded Scientology. The final section investigates the music and art of Scientology.

Environmental Politics and Policy in the West, Revised Edition Zachary A.

Smith, John Freemuth, 2007-08-30 Population growth and industrial development have put the wide-open spaces and natural resources that define the West under immense stress. Vested interests clash and come to terms over embattled resources such as water, minerals, and even open space. The federal government controls 40 to 80 percent of the land base in many western states; its sway over the futures of the West's communities and environment has prompted the development of unique policies and politics in the West. Zachary A. Smith and John Freemuth bring together a roster of top scholars to explicate the issues noted above as well as other key questions in this new edition of *Environmental Politics and Policy in the West*, which was first published in 1993. This thoroughly revised and updated edition offers a comprehensive and current survey. Contributors address the policy process as it affects western states, how bureaucracy and politics shape environmental dialogues in the West, how western states innovate environmental policies independently of Washington, and how and when science is involved (or ignored) in management of the West's federal lands. Experts in individual resource areas explore multifaceted issues such as the politics of dam removal and restoration, wildlife resource concerns, suburban sprawl and smart growth, the management of hard-rock mining, and the allocation of the West's tightly limited water resources. Contributors include: Leslie R. Alm, Carolyn D. Baber, Walter F. Baber, Robert V. Bartlett, Hugh Bartling, Matthew A. Cahn, R. McGreggor Cawley, Charles Davis, Sandra Davis, John C. Freemuth, Sheldon Kamieniecki, Matt Lindstrom, William R. Mangun, Denise McCain-Tharnstrom, Daniel McCool, Jaina L. Moan, and Zachary A. Smith.

Nordic Future of Work Conference I Tuomo Alasoini, Jari Lindström, Raymond Torres, Kerstin Ahlberg, Shauna Olney, Antti Kauhanen, Lisbeth Pedersen, Marianna Traustadóttir, Thomas Janson, 2017-11-09 Abstract: The conference aimed to identify Nordic and global future of work trends including new forms of work and new technologies and production models resulting from digitalization. It pointed to challenges of ensuring adequate protection, employment opportunities and safeguarding competitiveness in the Nordic region amidst rapid technological and demographic changes. As policy responses speakers identified the need to invest in education and skills, to update policies, legislation and collective agreements to better respond to the future labour market. Furthermore they emphasised that social protection should have a broad coverage and encourage active labour market participation. Global cooperation, labour standard and social dialogue are needed to promote decent work. Last but not least gender equality is an important principle and policy goal also for the future ILO work

Interpreter: A Journal of Mormon Scripture, Volume 19 (2016) Daniel C. Peterson, Jeffrey M. Bradshaw, 2016-06-25 This is volume 19 of Interpreter: A Journal of Mormon Scripture published by The Interpreter Foundation. A World Without Cancer Margaret I. Cuomo,2012-10-02 A report on how politics, ambition, and profits are obstructing advances in the war on cancer outlines a call for change that explains how most funding is being used to promote companies and individuals at the expense of cancer prevention programs.

Direito Fundamental Social à Alimentação Ney Rodrigo Lima Ribeiro, 2021-03-02 O direito fundamental à alimentação figura-se no rol das necessidades mais básicas dos cidadãos, vez que para desenvolver suas capacidades e até integrar-se socialmente é imprescindível se alimentar, mas, lamentavelmente, sua concretização está aquém da sua devida efetivação. No entanto, a modesta obra está sistematizada em 9 partes discursivas, com fundamento em textos normativos, doutrinas e jurisprudências atualizadas, e, como objetivo geral da investigação, expôs-se de forma didática e clara sobre: os instrumentos protetivos do direito à alimentação no sistema universal da ONU e nos sistemas regionais europeu, interamericano e africano); peculiaridades do direito humano à alimentação, abordando o conceito de direito humano à alimentação adequada, sua natureza jurídica e conteúdo normativo; contextualização do direito fundamental à alimentação no ordenamento jurídico brasileiro; direito à alimentação e o princípio da dignidade da pessoa humana, narrando-se sucinta gênese, dilema do conceito, tratamento e o direito ao mínimo para uma existência digna; direito à alimentação e os direitos à vida e à saúde; direito à alimentação e o direito à água potável, pontuando-se o conceito de água potável, previsão legal, natureza jurídica, conteúdo normativo, obrigações dos Estados; direito à alimentação e a justiciabilidade; direito à alimentação e a reserva do possível; e direito à alimentação e o princípio da proibição de retrocesso social. Com efeito, a obra enfrenta vários objetivos específicos e problemáticas intrigantes, por exemplo: alimentação é um direito autônomo ou pertencente ao conteúdo mínimo da dignidade da pessoa humana? Há relação de interdependência entre o direito à alimentação e os direitos à vida e à saúde? A água potável integra o conceito de alimentação? (Im) possibilidade de judicialização do

direito fundamental social à alimentação? O direito fundamental à alimentação está sujeito à reserva do possível? É possível a proibição de retrocesso social do direito à alimentação? Outrossim, na sua 1ª edição, foi objeto de citação e fundamento de inspiração em várias obras jurídicas e dezenas de artigos científicos, por renomados juristas, sendo, portanto, devidamente atualizada e ampliada.

Gale Directory of Publications and Broadcast Media, 2006 Identifies specific print and broadcast sources of news and advertising for trade, business, labor, and professionals. Arrangement is geographic with a thumbnail description of each local market. Indexes are classified (by format and subject matter) and alphabetical (by name and keyword).

Responsive Web Design with HTML5 and CSS3 Ben Frain, 2012-01-01 This book will lead you, step by step and with illustrative screenshots, through a real example. Are you writing two websites - one for mobile and one for larger displays? Or perhaps you've heard of Responsive Design but are unsure how to bring HTML5, CSS3, or responsive design all together. If so, this book provides everything you need to take your web pages to the next level - before all your competitors do!

Survey of Economics Irvin B. Tucker, 1997 This highly successful text is characterized by its extremely user-friendly presentation of the core microeconomic and macroeconomic material that is appropriate for the one-term non-majors course. It is known for its lively and informative writing style, its emphasis on critical thinking and applications throughout, and its use of unique, highly motivational, student-oriented pedagogy. Rather than using an encyclopedic approach, this text focuses on the most basic tool in economics - supply and demand analysis - and applies it clearly to real-world economic issues.

Looking Inside Judy Castelli, 2001 Looking Inside gives the reader an intimate peek into one woman's incredible journey with multiple personalities. In this amazing book, Judy Castelli shares her delightful journal drawings and poetic prose. Castelli learned at age forty-four that she has multiple personality disorder. Determined to move beyond a lifetime of mental hospitals and internal chaos, she used her journals to explore the complex system of personalities that share her body. Because she understood that words are sometimes not enough, she encouraged her alters to speak through art. The entries in Looking Inside are ideal to use as individual meditations and personal inspiration, and would also lend themselves to use within the context of group work with DID survivors. This book contains very appealing line drawings and text that come directly from Judy's journal entries. Readers may recognize many of their own thoughts and emotions in this book and can use it as a basis for their own therapeutic journaling. Each entry and drawing offers the reader a wonderful opportunity to explore individually or with others the common challenges of coping with trauma as well as the joy found in healing from it.

Home Sweet Quilt Jill Finley, 2012-09-11 Give your home that Jillily look! Known for designs that are pretty and fresh, Jill Finley, owner of Jillily Studio, presents a terrific assortment of 12 all-new quilt patterns for the whole house. Gift ideas abound! Create everything from an inviting table runner to dish towels, lap quilts, queen-size quilts, and pillows Get beautiful results as you combine cotton or wool appliqué with traditional patchwork quilts Explore a range of projects easy enough for confident beginners and appealing enough for experts
